## Item 1.01 Entry into a Material Definitive Agreement.

### *Merger Agreement*

On April 1, 2026, Cycleron Therapeutics, Inc., a Massachusetts corporation (“Cycleron”), Cariboos Merger Sub Corp., a Delaware corporation and a wholly owned subsidiary of Cycleron (“First Merger Sub”), Cariboos Merger Sub II, LLC, a Delaware limited liability company and wholly owned subsidiary of Cycleron (“Second Merger Sub” and, together with First Merger Sub, “Merger Sub”), and Korsana Biosciences, Inc., a Delaware corporation (“Korsana”), entered into an Agreement and Plan of Merger and Reorganization (the “Merger Agreement”), pursuant to which, among other matters, and subject to the satisfaction or waiver of the conditions set forth in the Merger Agreement, (i) First Merger Sub will merge with and into Korsana, with Korsana continuing as a wholly owned subsidiary of Cycleron and the surviving corporation of the merger (the “First Merger”), and (ii) immediately following the First Merger and as part of the same overall transaction as the First Merger, Korsana will merge with and into Second Merger Sub (the “Second Merger” and, together with the First Merger, the “Merger”). The Merger is intended to qualify for federal income tax purposes as a tax-free reorganization under the provisions of Section 368(a) of the Internal Revenue Code of 1986, as amended.

Subject to the terms and conditions of the Merger Agreement, at the effective time of the Merger (the “Effective Time”), (a) each then-outstanding share of Korsana common stock and Korsana preferred stock designated as “Series A Preferred Stock” will be converted into the right to receive a number of shares of Cycleron common stock calculated in accordance with the Merger Agreement (the “Exchange Ratio”); provided, that in the event the aggregate number of shares of Cycleron common stock issuable to holders of Korsana capital stock would result in the issuance of shares of Cycleron common stock to a holder in excess of a specified percentage (initially set at a percentage up to 14.99%) total outstanding shares of Cycleron common stock (such specified percentage, a “Beneficial Ownership Limitation”), then Cycleron will issue to any such holder (x) shares of Cycleron common stock up to such holder’s Beneficial Ownership Limitation and (y) in lieu of any shares in excess of such holder’s Beneficial Ownership Limitation, pre-funded warrants (the “Pre-Funded Warrants”), to purchase a number of shares of Cycleron common stock upon exercise of such Pre-Funded Warrants equal to such excess shares, (b) each then-outstanding share of Korsana preferred stock designated as “Series Seed Preferred Stock” will be converted into the right to receive a number of shares of Series B Preferred Stock (as defined below) of Cycleron calculated in accordance with the Merger Agreement, (c) each then-outstanding option to purchase shares of Korsana capital stock will be assumed by Cycleron, subject to adjustment as set forth in the Merger Agreement, (d) each then-outstanding restricted stock unit award for shares of Korsana capital stock will be assumed by Cycleron, subject to adjustment as set forth in the Merger Agreement and (e) each then-outstanding warrant to purchase shares of Korsana capital stock will be assumed by Cycleron, subject to adjustment as set forth in the Merger Agreement. Under the terms of the Merger Agreement, prior to the closing of the Merger, the board of directors of Cycleron (the “Board”) will accelerate the vesting of all equity awards of Cycleron then outstanding but not then vested or exercisable. Each option to acquire shares of Cycleron common stock with an exercise price per share greater than the volume weighted average closing trading price of a share of Cycleron common stock on The Nasdaq Capital Market (“Nasdaq”) for the five (5) consecutive trading days ending three (3) trading days immediately prior to the date that is five (5) business days before the date of the Cycleron shareholder meeting (the “Parent Closing Price”) will be cancelled in accordance with the terms of the Merger Agreement. At the closing of the Merger, each option to acquire shares of Cycleron common stock with an exercise price less than or equal to the Parent Closing Price will be cancelled and converted into the right to receive an amount in cash without interest, less applicable tax withholding, equal to the product obtained by multiplying (i) the excess of the Parent Closing Price over the exercise price per share of the Cycleron common stock underlying such option by (ii) the number of shares of Cycleron common stock underlying such option.

Pursuant to the Exchange Ratio formula in the Merger Agreement, upon the closing of the Merger (and prior to closing of the financing described below), on a pro forma basis and based upon the number of shares of Cyclерion common stock expected to be issued in the Merger, pre-Merger Korsana stockholders will own approximately 1.5% of the combined company and pre-Merger Cyclерion shareholders will own approximately 98.5% of the combined company. For purposes of calculating the Exchange Ratio, (i) shares of Cyclерion common stock underlying options to purchase shares of Cyclерion common stock with an exercise price less than or equal to the Parent Closing Price and other rights to receive shares of Cyclерion common stock (other than options to acquire shares of Cyclерion common stock, to the extent cancelled at or prior to closing of the Merger in accordance with the Merger Agreement) outstanding as of immediately prior to the closing of the Merger will be deemed to be outstanding (on a fully-diluted and as-converted to Cyclерion common stock basis), and (ii) all shares of Korsana common stock underlying outstanding Korsana stock options, restricted stock units, warrants and other rights to receive shares of Korsana capital stock will be deemed to be outstanding (on a fully-diluted and as-converted to Korsana common stock basis), except for certain stock options and other equity awards made to directors, employees, consultants and other service providers of Korsana. The Exchange Ratio will be adjusted to the extent that Cyclерion net cash at closing is less than or greater than \$0 and will be based on the amount of proceeds actually received by Korsana in the financing transaction described below, as further described in the Merger Agreement.

In connection with the Merger, Cyclерion will seek the approval of its shareholders to, among other things, (a) issue shares of Cyclерion common stock issuable in connection with the Merger (including the shares of Cyclерion common stock issuable under the Series B Preferred Stock) and the financing described below under the rules of Nasdaq, and (b) amend its restated articles of organization to (i) change the name of Cyclерion to Korsana Biosciences, Inc., (ii) effect a reverse stock split of Cyclерion common stock, (iii) increase the number of shares of Cyclерion common stock that Cyclерion is authorized to issue, (iv) redomicile Cyclерion from Massachusetts to such jurisdiction as may be determined by Korsana, (v) designate shares of Cyclерion's preferred stock as the Series B Preferred Stock and (vi) such other changes as are mutually agreeable to Cyclерion and Korsana (the "Cyclерion Voting Proposals"). In connection with these matters, Cyclерion intends to file with the Securities and Exchange Commission (the "SEC") a registration statement on Form S-4 (the "Form S-4"), which will include a proxy statement and other relevant materials relating to a meeting of Cyclерion shareholders to be held in connection with the Cyclерion Voting Proposals.

Each of Cyclерion and Korsana has agreed to customary representations, warranties and covenants in the Merger Agreement, including, among others, covenants relating to (1) using commercially reasonable efforts to obtain the regulatory approvals required by applicable law, (2) nonsolicitation of alternative acquisition proposals, (3) the conduct of their respective businesses during the period between the date of signing the Merger Agreement and the closing of the Merger, (4) Cyclерion using commercially reasonable efforts to maintain the existing listing of the Cyclерion common stock on Nasdaq and cause the shares of Cyclерion common stock to be issued in connection with the Merger to be approved for listing on Nasdaq prior to the closing of the Merger, and (5) Cyclерion filing with the SEC the Form S-4.

Consummation of the Merger is subject to certain closing conditions, including, among other things, (1) approval by requisite Cyclерion shareholders of the Cyclерion Voting Proposals, (2) approval by the requisite Korsana stockholders of the adoption and approval of the Merger Agreement and the transactions contemplated thereby, (3) Nasdaq's approval of the listing application to be submitted in connection with the Merger, (4) Cyclерion's Form S-4 becoming effective in accordance with the Securities Act of 1933, as amended (the "Securities Act"), and not being subject to any stop order or proceeding seeking a stop order, (5) the expiration of any applicable waiting periods (or extensions thereof) under the Hart Scott-Rodino Antitrust Improvements Act of 1976, as amended, and (6) the securities purchase agreement (described below) being in full force and effect providing for the receipt of not less than \$150,000,000. Each party's

obligation to consummate the Merger is also subject to other specified customary conditions, including regarding the accuracy of the representations and warranties of the other party, subject to the applicable materiality standard, and the performance in all material respects by the other party of its obligations under the Merger Agreement required to be performed on or prior to the date of the closing of the Merger.

The Merger Agreement contains certain termination rights of each of Cycleron and Korsana. Upon termination of the Merger Agreement under specified circumstances, Cycleron may be required to pay Korsana a termination fee and Korsana may be required to pay Cycleron a termination fee.

Pursuant to Articles of Amendment to Cycleron's restated articles of organization to be filed by Cycleron with the Secretary of the Commonwealth of Massachusetts (the "Articles of Amendment") in connection with the Merger Agreement and the transactions thereunder, Cycleron will establish the terms of a new series of preferred stock of Cycleron designated as Series B Non-Voting Convertible Preferred Stock, no par value per share (the "Series B Preferred Stock"). Holders of the Series B Preferred Stock will be entitled to receive dividends on shares of Series B Preferred Stock equal to, on an as-if-converted-to-Cycleron common stock basis, and in the same form as dividends actually paid on shares of the Cycleron common stock. Except as otherwise required by the Articles of Amendment or law, the Series B Preferred Stock will not have voting rights. However, as long as any shares of Series B Preferred Stock are outstanding, Cycleron will not, without the affirmative vote of the holders of a majority of the then outstanding shares of the Series B Preferred Stock, (a) alter or change adversely the powers, preferences or rights given to the Series B Preferred Stock, (b) alter or amend the description of rights of the Series B Preferred Stock set forth in its articles of organization, (c) amend its articles of organization, bylaws or other charter documents in any manner that adversely affects any rights of the holders of the Series B Preferred Stock, (d) file any articles of amendment, description of rights, preferences, limitations and relative rights of any series of Preferred Stock (as defined in the Articles of Amendment), if such action would adversely alter or change the preferences, rights, privileges or powers of, or restrictions provided for the benefit of the Series B Preferred Stock, (e) issue further shares of the Series B Preferred Stock or increase or decrease (other than by conversion) the number of authorized shares of the Series B Preferred Stock, (f) at any time while at least 30% of the originally issued Series B Preferred Stock remains issued and outstanding, (i) consummate either (A) a Fundamental Transaction (as defined in Cycleron's articles of organization) or (B) any merger or consolidation of Cycleron or other business combination in which the shareholders of Cycleron immediately before such transaction do not hold at least a majority of the capital stock of Cycleron immediately after such transaction, (ii) increase the size of the Board, (iii) adopt, amend or repeal any written delegation of authority policy, corporate authority matrix or similar document, framework or schedule unless approved by the unanimous vote of the Board, or (iv) retain or replace Cycleron's registered independent public accounting firm, independent compensation consultant or corporate counsel, or (g) enter into any agreement with respect to any of the foregoing. The Articles of Amendment provide that for so long as at least 30% of the Series B Preferred Stock remains issued and outstanding, (i) the holders of record, exclusively and voting together as a separate class on an as-converted to common stock basis, shall be entitled to elect four (4) directors of Cycleron (the "Preferred Directors"); and (ii) the holders of record of the shares of common stock and of any other class or series of voting stock (including the Series B Preferred Stock), exclusively and voting together as a single class on an as-converted to common stock basis, shall be entitled to elect the balance of the total number of directors of Cycleron (the "At-Large Directors"); provided, however, for administrative convenience, the initial Preferred Directors may also be appointed by the Board in connection with the approval of the initial issuance of Series B Preferred Stock without a separate action by the holders. The Series B Preferred Stock does not have a preference upon any liquidation, dissolution or winding-up of Cycleron.

Following the closing of the Merger, each share of Series B Preferred Stock then outstanding shall be convertible, at any time and from time to time, at the option of the holder of the Series B Preferred Stock,

into a number of shares equal to 1,000 shares of Cyclерion common stock, subject to certain limitations, including that a holder of Series B Preferred Stock is prohibited from converting shares of Series B Preferred Stock into shares of Cyclерion common stock if, as a result of such conversion, such holder, together with its affiliates, would beneficially own more than a specified percentage (initially set at 19.99%) of the total number of shares of Cyclерion common stock issued and outstanding immediately after giving effect to such conversion.

The transaction has received approval by the Board of Directors of both companies and is expected to close in the third quarter of 2026, subject to certain closing conditions, including, among other things, approval by the shareholders of Cyclерion and the stockholders of Korsana and the satisfaction of customary closing conditions.

At the effective time of the Merger, the Board is expected to consist of six (6) members, all of whom will be designated by Korsana. Upon the closing of the transaction, the combined company will be led by Korsana's president and chief executive officer.

#### ***Financing Transaction***

Concurrently with the execution and delivery of the Merger Agreement, certain institutional and accredited investors have entered into a securities purchase agreement (the "Purchase Agreement") with Korsana, pursuant to which they have agreed, subject to the terms and conditions of such agreements, to purchase immediately prior to the Effective Time, shares of Korsana common stock and pre-funded warrants (together, the "PIPE Securities") for an aggregate purchase price of approximately \$380 million in a private placement (the "Private Placement"). The closing of the Private Placement is conditioned on the satisfaction or waiver of the conditions set forth in the Merger Agreement (in addition to other customary closing conditions) and is expected to occur immediately prior to the Effective Time.

The Purchase Agreement contains customary representations and warranties of Korsana, on the one hand, and the investors, on the other hand, and customary indemnification provisions. The Private Placement is also subject to approval of Korsana's stockholders which is expected to be received at the same time as the approval of the Merger.

Pursuant to the terms of the Purchase Agreement, at closing of the Private Placement, Korsana will enter into a Registration Rights Agreement (the "Registration Rights Agreement") with the purchasers of the PIPE Securities, which will provide for the registration and resale of the Cyclерion common stock issuable in exchange for the PIPE Securities upon closing of the Merger and the shares of Cyclерion common stock issuable upon exercise of the pre-funded warrants following the Merger, in accordance with the terms of the Registration Rights Agreement.

Shares of Korsana common stock and pre-funded warrants issued pursuant to this financing transaction will be converted into shares of Cyclерion common stock and pre-funded warrants to acquire shares Cyclерion common stock, in accordance with the Exchange Ratio and the Merger Agreement.

#### ***Contingent Value Rights Agreement***

At or prior to the Effective Time, Cyclерion will enter into a Contingent Value Rights Agreement (the "CVR Agreement") with a rights agent ("Rights Agent") pursuant to which Cyclерion's pre-Merger shareholders will receive one contingent value right (each, a "CVR") for each outstanding share of Cyclерion common stock and Cyclерion preferred stock held by such shareholder on such date. Each CVR will represent the contractual right to receive certain net proceeds, if any, derived from any consideration that is paid to Cyclерion as a result of the disposition of Cyclерion's pre-Merger legacy assets, net of any indemnity

obligations, transaction costs and certain other expenses, during the period beginning on the date of the closing of the Merger and ending (i) with respect to the sale, transfer, license or other disposition of all pre-Merger legacy assets other than those pre-Merger legacy assets described in the following clauses (ii) and (iii), upon the second (2<sup>nd</sup>) anniversary of the Closing Date, (ii) with respect to Cycleron's right to receive payments under that License Agreement, dated June 3, 2021, between Cycleron and Akebia Therapeutics, Inc. (the "Akebia License Agreement"), the earlier of (A) the fifteenth (15<sup>th</sup>) anniversary of the date of entry into the CVR Agreement and (B) the expiration or earlier termination by Akebia Therapeutics, Inc. of the Akebia License Agreement pursuant to its terms, and (iii) with respect to the sale, transfer or other disposition of the shares of common stock of Tisento Therapeutics Holdings, Inc. ("Tisento") that were acquired by Cycleron pursuant to that certain Asset Purchase Agreement, dated May 13, 2023, by and among Cycleron, Tisento and JW Cycle, Inc., the earliest of (A) nine (9) months following the date of the consummation of Tisento's initial public offering pursuant to a registration statement filed with, and declared effective by, the Securities and Exchange Commission pursuant to the Securities Act, (B) the sale of Tisento, and (C) the seventh (7<sup>th</sup>) anniversary of the Closing Date.

The contingent payments under the CVR Agreement, if they become payable, will become payable to the Rights Agent for subsequent distribution to the holders of the CVRs. In the event that no such proceeds are received, holders of the CVRs will not receive any payment pursuant to the CVR Agreement. There can be no assurance that any holders of CVRs will receive any payments with respect thereto.

The right to the contingent payments contemplated by the CVR Agreement is a contractual right only and will not be transferable, except in the limited circumstances specified in the CVR Agreement. The CVRs will not be evidenced by a certificate or any other instrument and will not be registered with the SEC. The CVRs will not have any voting or dividend rights and will not represent any equity or ownership interest in Cycleron or any of its affiliates. No interest will accrue on any amounts payable in respect of the CVRs.

#### ***Support Agreements and Lock-Up Agreement***

Concurrently with the execution of the Merger Agreement, (i) certain stockholders of Korsana (solely in their respective capacities as Korsana stockholders) holding approximately 43.9% of the outstanding shares of Korsana capital stock have entered into support agreements with Cycleron and Korsana to vote all of their shares of Korsana capital stock in favor of the adoption and approval of the Merger Agreement and the transactions contemplated thereby and against any alternative acquisition proposals (the "Korsana Support Agreements") and (ii) the directors and officers of Cycleron holding approximately 24.2% of the outstanding shares of Cycleron common stock have entered into support agreements with Cycleron and Korsana to vote all of their shares of Cycleron common stock in favor of the Cycleron Voting Proposals and against any alternative acquisition proposals (the "Cycleron Support Agreements," and, together with the Korsana Support Agreements, the "Support Agreements").

Concurrently with the execution of the Merger Agreement, certain executive officers, directors and stockholders of Korsana have entered into lockup agreements (the "Lock-Up Agreements") pursuant to which, subject to specified exceptions, they have agreed not to transfer their shares of Cycleron common stock for the 180-day period following the closing of the Merger.

## AGREEMENT AND PLAN OF MERGER AND REORGANIZATION

THIS AGREEMENT AND PLAN OF MERGER AND REORGANIZATION (this “Agreement”) is made and entered into as of April 1, 2026, by and among CYCLERION THERAPEUTICS, INC., a Massachusetts corporation (“Parent”), CARIBOOS MERGER SUB CORP., a Delaware corporation and wholly owned subsidiary of Parent (“First Merger Sub”), CARIBOOS MERGER SUB II, LLC, a Delaware limited liability company and wholly owned subsidiary of Parent (“Second Merger Sub” and, together with First Merger Sub, “Merger Subs” and each, a “Merger Sub”), and KORSANA BIOSCIENCES, INC., a Delaware corporation (the “Company”). Certain capitalized terms used in this Agreement are defined in [Section 1](#).

### RECITALS

A. Parent and the Company intend to effect a merger of First Merger Sub with and into the Company (the “First Merger”) in accordance with this Agreement and the DGCL. Upon consummation of the First Merger, First Merger Sub will cease to exist and the Company will become a wholly owned subsidiary of Parent.

B. Immediately following the First Merger and as part of the same overall transaction as the First Merger, the Company will merge with and into Second Merger Sub (the “Second Merger” and, together with the First Merger, the “Merger”), with Second Merger Sub being the surviving entity of the Second Merger.

C. The Parties intend that, (i) the First Merger and the Second Merger, taken together, will constitute an integrated transaction described in Rev. Rul. 2001-46, 2001-2 C.B. 321 that qualifies as a “reorganization” within the meaning of Section 368(a) of the Code, and (ii) this Agreement will constitute, and is hereby adopted as, a plan of reorganization within the meaning of Treasury Regulations Sections 1.368-2(g) and 1.368-3(a).

D. The Parent Board has (i) determined that the Contemplated Transactions are fair to, advisable and in the best interests of Parent and its stockholders, (ii) adopted, approved and declared advisable this Agreement and the Contemplated Transactions, including the issuance of shares of Parent Capital Stock to the stockholders of the Company pursuant to the terms of this Agreement, and (iii) determined to recommend, upon the terms and subject to the conditions set forth in this Agreement, that the shareholders of Parent vote to approve this Agreement and thereby approve the Parent Shareholder Matters, including the Contemplated Transactions, and against any competing proposals.

E. The First Merger Sub Board has (i) determined that the Contemplated Transactions are fair to, advisable, and in the best interests of First Merger Sub and its sole stockholder, (ii) approved and declared advisable this Agreement and the Contemplated Transactions, and (iii) determined to recommend, upon the terms and subject to the conditions set forth in this Agreement, that the stockholder of First Merger Sub votes to adopt this Agreement and thereby approve the Contemplated Transactions, and against any competing proposals.

F. The sole member of the Second Merger Sub has (i) determined that the Contemplated Transactions are fair to, advisable, and in the best interests of Second Merger Sub and its sole member, (ii) approved and declared advisable this Agreement and the Contemplated Transactions, and (iii) determined to recommend, upon the terms and subject to the conditions set forth in this Agreement, that the sole member of Second Merger Sub votes to adopt this Agreement and thereby approve the Contemplated Transactions, and against any competing proposals.

G. The Company Board has (i) determined that the Contemplated Transactions are fair to, advisable and in the best interests of the Company and its stockholders, (ii) approved and declared advisable this Agreement and the Contemplated Transactions, and (iii) determined to recommend, upon the terms and subject to the conditions set forth in this Agreement, that the stockholders of the Company vote to adopt this Agreement and thereby approve the Contemplated Transactions.

H. Concurrently with the execution and delivery of this Agreement and as a condition and inducement to the Company's willingness to enter into this Agreement, each of the officers and directors set forth on Section A of the Parent Disclosure Letter (solely in their capacity as shareholders of Parent) are executing support agreements in favor of the Company in substantially the form attached hereto as Exhibit A-1 (the "**Parent Shareholder Support Agreement**"), pursuant to which such Persons have, subject to the terms and conditions set forth therein, agreed to vote all of their shares of Parent Capital Stock in favor of the approval of this Agreement and thereby approve the Contemplated Transactions, and, if deemed necessary by Parent, an amendment to Parent's articles of organization and bylaws to effect the Contemplated Transactions, and against any competing proposals.

I. Concurrently with the execution and delivery of this Agreement and as a condition and inducement to Parent's willingness to enter into this Agreement, each of the officers, directors and stockholders of the Company listed on Section A of the Company Disclosure Letter (solely in their capacity as stockholders of the Company), collectively representing the Required Company Stockholder Vote, are executing support agreements in favor of Parent in substantially the form attached hereto as Exhibit A-2 (the "**Company Stockholder Support Agreement**"), pursuant to which such Persons have, subject to the terms and conditions set forth therein, agreed to vote all of their shares of Company Capital Stock in favor of the adoption of this Agreement and thereby approve the Contemplated Transactions, and against any competing proposals.

J. Concurrently with the execution and delivery of this Agreement and as a condition and inducement to Parent's and the Company's willingness to enter into this Agreement, the stockholders, officers and directors of the Company listed on Section B of the Company Disclosure Letter are executing lock-up agreements in substantially the form attached hereto as Exhibit B (the "**Lock-Up Agreement**," and collectively, the "**Lock-Up Agreements**").

K. It is expected that, within two (2) Business Days following the date the Registration Statement is declared effective under the Securities Act, the holders of shares of Company Capital Stock sufficient to adopt and approve this Agreement and the Merger as required under the DGCL and the Company's certificate of incorporation and bylaws will execute and deliver an action by written consent adopting this Agreement, in form and substance reasonably acceptable to Parent, in order to obtain the Required Company Stockholder Vote.

L. Concurrently with the execution and delivery of this Agreement, certain investors have executed a Securities Purchase Agreement in the form attached hereto as Exhibit C among the Company and the Persons named therein (including as may be amended, restated and/or superseded from time to time, collectively, the "**Subscription Agreement**"), pursuant to which such Persons have agreed to purchase, in the amounts set forth therein, shares of Company Common Stock and pre-funded warrants to purchase Company Common Stock immediately prior to the First Effective Time (the "**Company Pre-Closing Financing**").

All references to “days” shall be to calendar days unless otherwise indicated as a “Business Day.” Except as otherwise specifically indicated, for purposes of measuring the beginning and ending of time periods in this Agreement (including for purposes of “Business Day” and for hours in a day or Business Day), the time at which a thing, occurrence or event shall begin or end shall be deemed to occur in the Eastern time zone of the United States. The Parties agree that any rule of construction to the effect that ambiguities are to be resolved against the drafting Party shall not be applied in the construction or interpretation of this Agreement. The Parties agree that the Company Disclosure Letter and the Parent Disclosure Letter shall be arranged in sections and subsections corresponding to the numbered and lettered sections and subsections contained in [Section 3](#) and [Section 4](#), respectively. The disclosures in any section or subsection of the Company Disclosure Letter or the Parent Disclosure Letter shall qualify other sections and subsections in [Section 3](#) or [Section 4](#), respectively, to the extent it is readily apparent from a reading of the disclosure that

Section 2. Description of Transaction

2.1 The Merger. Upon the terms and subject to the conditions set forth in this Agreement, at the First Effective Time, First Merger Sub shall be merged with and into the Company, and the separate existence of First Merger Sub shall cease. The Company will continue as the surviving corporation in the First Merger (the “**First Step Surviving Corporation**”). Upon the terms and subject to the conditions set forth in this Agreement, at the Second Effective Time, the First Step Surviving Corporation will merge with and into Second Merger Sub, and the separate existence of the First Step Surviving Corporation shall cease. As a result of the Second Merger, Second Merger Sub will continue as the surviving entity in the Second Merger (the “**Surviving Entity**”).

2.2 Effects of the Merger. The First Merger shall have the effects set forth in this Agreement and in the applicable provisions of the DGCL. As a result of the First Merger, the Company will become a wholly owned subsidiary of Parent. The Second Merger shall have the effects set forth in this Agreement and in the applicable provisions of the DGCL and the DLLCA.

2.3 Closing: First Effective Time; Second Effective Time. Unless this Agreement is earlier terminated pursuant to the provisions of Section 10, and subject to the satisfaction or waiver of the conditions set forth in Section 7, Section 8 and Section 9, the consummation of the Merger (the “**Closing**”) shall take place remotely, as promptly as practicable (but in no event later than the second Business Day following the satisfaction or waiver of the last to be satisfied or waived of the conditions set forth in Section 7, Section 8 and Section 9, other than those conditions that by their nature are to be satisfied at the Closing, but subject to the satisfaction or waiver of each of such conditions), or at such other time, date and place as Parent and the Company may mutually agree in writing. The date on which the Closing actually takes place is referred to as the “**Closing Date**.” Immediately prior to the Closing on the Closing Date, Parent shall file the Parent Articles of Amendment with the office of the Secretary of the Commonwealth of Massachusetts. At the Closing, (i) the Parties shall cause the First Merger to be consummated by executing and filing with the Secretary of State of the State of Delaware a certificate of merger with respect to the Merger, satisfying the applicable requirements of the DGCL and in form and substance attached hereto as Exhibit D-1 and incorporated herein by reference (the “**First Certificate of Merger**”) and (ii) the Parties shall cause the Second Merger to be consummated by executing and filing with the Secretary of State of the State of Delaware a certificate of merger with respect to the Second Merger, satisfying the applicable requirements of the DGCL and the DLLCA and in form and substance attached hereto as Exhibit D-2 and incorporated herein by reference (the “**Second Certificate of Merger**”) and together with the First Certificate of Merger, the “**Certificate of Merger**”). The First Merger shall become effective at the time of the filing of such Certificate of Merger with the Secretary of State of the State of Delaware or at such later time as may be specified in such Certificate of Merger with the consent of Parent and the Company (the time as of which the Merger becomes effective being referred to as the “**First Effective Time**”). The Second Merger shall become effective at the time of the filing of such Second Certificate of Merger with the Secretary of State of the State of Delaware or at such later time as may be specified in such Second Certificate of Merger with the consent of Parent and the Company (the time as of which the Second Merger becomes effective being referred to as the “**Second Effective Time**”).

2.4 Organizational Documents: Directors and Officers.

(a) At the First Effective Time:

(i) The certificate of incorporation of the First Step Surviving Corporation shall be amended and restated in the Merger to read as set forth on Exhibit A to the First Certificate of Merger, until thereafter amended as provided by the DGCL and such certificate of incorporation;

(ii) The bylaws of the First Step Surviving Corporation shall be identical to the bylaws of the Company as in effect immediately prior to the First Effective Time, until thereafter amended as provided by the DGCL and such bylaws; and

(iii) The directors and officers of the First Step Surviving Corporation, each to hold office in accordance with the certificate of incorporation and bylaws of the First Step Surviving Corporation, shall be such persons as are set forth in Section 6.12 of the Company Disclosure Letter, unless otherwise designated by the Company prior to the First Effective Time.

(b) At the Second Effective Time:

(i) The certificate of formation of the Surviving Entity shall be the certificate of formation of Second Merger Sub as in effect immediately prior to the Second Effective Time, until thereafter amended as provided by the DLLCA and such certificate of formation; provided, however, that at the Second Effective Time (as part of the Second Certificate of Merger), the certificate of formation shall be amended to (A) change the name of the Surviving Entity to "Korsana Biosciences Operating Company LLC," and (B) make such other changes as are directed by the Company;

(ii) The limited liability company agreement of the Surviving Entity shall be amended and restated in its entirety to read identically to the limited liability company agreement of Second Merger Sub as in effect immediately prior to the Second Effective Time, until thereafter amended as provided by the DLLCA and such limited liability company agreement; provided, however, that following the Second Effective Time (but as soon thereafter as practicable), the limited liability company agreement shall be amended to change the name of the Surviving Entity to "Korsana Biosciences Operating Company LLC";

(iii) The articles of organization of Parent shall be identical to the articles of organization of Parent immediately prior to the Second Effective Time, until thereafter amended as provided by the MBCA and such articles of organization; provided, however, that immediately prior to the Second Effective Time, Parent shall file articles of amendment to its articles of organization to (i) change the name of Parent to "Korsana Biosciences, Inc.," (ii) effect the Nasdaq Reverse Split, (iii) increase the number of shares of Parent Capital Stock that Parent is authorized to issue to a number determined by the Company, in its sole discretion, such amount to be sufficient to allow for consummation of the Contemplated Transactions, (iv) redomicile Parent from the Commonwealth of Massachusetts to such jurisdiction as may be determined by the Company, (v) designate shares of Parent Preferred Stock as the Parent Convertible Preferred Stock and (vi) make such other changes as are mutually agreeable to Parent and the Company (such amendment, the "**Parent Articles of Amendment**");

(iv) The directors and officers of Parent, each to hold office in accordance with the articles of organization and bylaws of Parent, shall be as set forth in Section 6.12; and

(v) The directors and officers of Surviving Entity, each to hold office in accordance with the certificate of formation and limited liability company agreement of Second Merger Sub, shall be as set forth in Section 6.12 after giving effect to the provisions of Section 6.12, or such other persons as shall be designated by the Company prior to Closing.

#### 2.5 Conversion of Company, First Merger Sub and Second Merger Sub Equity Securities.

(a) At the First Effective Time, by virtue of the Merger and without any further action on the part of Parent, Merger Subs, the Company or any stockholder of the Company or shareholder of Parent:

(i) any shares of Company Capital Stock held as treasury stock immediately prior to the First Effective Time shall be canceled and retired and shall cease to exist, and no consideration shall be delivered in exchange therefor; and

(ii) subject to Section 2.5(c) and Section 2.5(a)(iii) below, each share of Company Capital Stock (including any shares of Company Capital Stock issued pursuant to the Company Pre-Closing Financing) outstanding immediately prior to the First Effective Time (excluding shares of Company Capital Stock to be canceled pursuant to Section 2.5(a)(i) and excluding Dissenting Shares) shall be converted solely into the right to receive a number of shares of Parent Common Stock equal to the Exchange Ratio (the “**Parent Common Stock Payment Shares**”); provided, however, that, in the event the aggregate number of shares of Parent Common Stock issuable to any holder of Company Capital Stock at the Closing would result in the issuance of shares of Parent Common Stock in an amount (when aggregated with all Securities then beneficially owned by such Person and its affiliates (as calculated pursuant to Section 13(d) of the Exchange Act and Rule 13d-3 promulgated thereunder)) in excess of such holder’s Beneficial Ownership Limitation (if any), Parent shall issue to any such holder of Company Capital Stock (x) shares of Parent Common Stock up to such holder’s Beneficial Ownership Limitation, and (y) in lieu of any shares of Parent Common Stock in excess of the Beneficial Ownership Limitation (such excess shares, the “**Remaining Entitlement**”), pre-funded warrants, substantially in the form attached hereto as Exhibit G (“**Pre-Funded Warrants**”), to purchase a number of shares of Parent Common Stock upon exercise of such Pre-Funded Warrants equal to the Remaining Entitlement, in such manner to provide any such holder of Company Capital Stock with the same economic effect as contemplated by this Agreement; and

(iii) subject to Section 2.5(c) and notwithstanding Section 2.5(a)(ii) above, each share of Company Series Seed Preferred Stock outstanding immediately prior to the First Effective Time (excluding shares of Company Series Seed Preferred Stock to be canceled pursuant to Section 2.5(a)(i) and excluding Dissenting Shares) shall be converted solely into the right to receive a number of shares of Parent Convertible Preferred Stock equal to (x) the Exchange Ratio *divided by* (y) 1,000 (such shares of Parent Convertible Preferred Stock, together with the Parent Common Stock Payment Shares and Pre-Funded Warrants described in Section 2.5(a)(ii), the “**Merger Consideration**”).

(b) If any shares of Company Capital Stock outstanding immediately prior to the First Effective Time are unvested or are subject to a repurchase option or a risk of forfeiture under any applicable restricted stock purchase agreement or other similar agreement with the Company, then the shares of Parent Capital Stock issued in exchange for such shares of Company Capital Stock will to the same extent be unvested and subject to the same repurchase option or risk of forfeiture, and such shares of Parent Capital Stock shall accordingly be marked with appropriate legends. The Company shall take all actions that may be necessary to ensure that, from and after the First Effective Time, Parent is entitled to exercise any such repurchase option or other right set forth in any such restricted stock purchase agreement or other agreement.

(c) No fractional shares of Parent Capital Stock shall be issued in connection with the Merger, and no certificates or scrip for any such fractional shares shall be issued. Any holder of Company Capital Stock who would otherwise be entitled to receive a fraction of a share of Parent Common Stock (on a per position basis) shall receive from Parent, in lieu of such fractional share and upon surrender by such holder of a letter of transmittal in accordance with Section 2.7 and any accompanying documents as required therein: (i) one share of Parent Common Stock if the aggregate amount of fractional shares of Parent Common Stock such holder of Company Capital Stock would otherwise be entitled to is equal to or exceeds 0.50; or (ii) no shares of Parent Common Stock if the aggregate amount of fractional shares of Parent Common Stock such holder of Company Capital Stock would otherwise be entitled to is less than 0.50, with no cash being paid for any fractional share eliminated by such rounding. Any fractional shares of Parent Preferred Stock that a holder of Company Preferred Stock would otherwise be entitled to receive shall be aggregated with all fractional shares of Parent Preferred Stock issuable to such holder and any remaining fractional shares shall be, in lieu of such fractional share and upon surrender by such holder of a letter of transmittal in accordance with Section 2.7 and any accompanying documents as required therein, rounded up to the nearest whole share of Parent Preferred Stock.

(d) All Company Options (including any Service Provider Grants) outstanding immediately prior to the First Effective Time shall be treated in accordance with Section 6.5(a). All Company Warrants outstanding immediately prior to the First Effective Time shall be treated in accordance with Section 6.5(c). All Company RSUs outstanding immediately prior to the First Effective Time shall be treated in accordance with Section 6.5(b).

(e) Each share of common stock, \$0.0001 par value per share, of First Merger Sub issued and outstanding immediately prior to the First Effective Time shall be converted into and exchanged for one validly issued, fully paid and nonassessable share of common stock, \$0.0001 par value per share, of the First Step Surviving Corporation. Each book entry share of First Merger Sub evidencing ownership of any such shares shall, as of the First Effective Time, evidence ownership of such shares of common stock of the First Step Surviving Corporation.

(f) If, between the date of this Agreement and the First Effective Time, the outstanding Company Capital Stock or Parent Capital Stock shall have been changed into, or exchanged for, a different number of shares or a different class, by reason of any stock dividend, subdivision, reclassification, recapitalization, split (including the Nasdaq Reverse Split to the extent such split has not previously been taken into account in calculating the Exchange Ratio), combination or exchange of shares or other like change, the Exchange Ratio shall, to the extent necessary, be equitably adjusted to reflect such change to the extent necessary to provide the holders of Company Capital Stock, Company Options, Company RSUs, Company Warrants and Parent Capital Stock with the same economic effect as contemplated by this Agreement prior to such stock dividend, subdivision, reclassification, recapitalization, split, combination or exchange of shares or other like change; provided, however, that nothing herein will be construed to permit the Company or Parent to take any action with respect to Company Capital Stock or Parent Capital Stock, respectively, that is prohibited or not expressly permitted by the terms of this Agreement.

(g) At the Second Effective Time, by virtue of the Second Merger and without any action on the part of Parent, the First Step Surviving Corporation, Second Merger Sub or their respective stockholders, each share of the First Step Surviving Corporation issued and outstanding immediately prior to the Second Effective Time shall be canceled and extinguished without any conversion thereof and no payment or distribution shall be made with respect thereto.

(h) For purposes of this Agreement, the “**Beneficial Ownership Limitation**” may be set at the discretion of each holder of Company Capital Stock to a percentage designated by such Person to the Company between 0% and 19.99% of the number of shares of the Parent Common Stock outstanding immediately after giving effect to the issuance of the Merger Consideration (collectively, the “**Securities**”); provided that such percentage shall be set at 9.99% for any holder of Company Capital Stock that does not make such designation to the Company at least ten (10) Business Days prior to the Closing. Notwithstanding the foregoing, by written notice to the Surviving Entity, any Person may reset the Beneficial Ownership Limitation percentage to a higher or lower percentage, not to exceed 19.99%; provided that any increase will not be effective until the sixty-first (61st) day after such written notice is delivered to the Surviving Entity. Upon such a change by any Person of the Beneficial Ownership Limitation, the Beneficial Ownership Limitation may not be further amended by such Person without first providing the minimum notice required by this Section 2.5(h).

2.6 Closing of the Company’s Transfer Books. At the First Effective Time: (a) all Company Capital Stock outstanding immediately prior to the First Effective Time shall be treated in accordance with Section 2.5(a), and all holders of certificates representing Company Capital Stock that were outstanding immediately prior to the First Effective Time shall cease to have any rights as stockholders of the Company and (b) the stock transfer books of the Company shall be closed with respect to all Company Capital Stock outstanding immediately prior to the First Effective Time. No further transfer of any such Company Capital Stock shall be made on such stock transfer books after the First Effective Time.

2.7 Surrender of Company Capital Stock.

(a) On or prior to the Closing Date, Parent and the Company shall jointly select a reputable bank, transfer agent or trust company to act as exchange agent in the Merger (the “**Exchange Agent**”). At the First Effective Time, Parent shall deposit with the Exchange Agent evidence of book-entry shares representing the shares of Parent Capital Stock issuable pursuant to Section 2.5(a), in exchange for Company Capital Stock.

(b) Promptly after the First Effective Time, the Parties shall cause the Exchange Agent to mail to the Persons who were record holders of shares of Company Capital Stock that were converted into the right to receive the Merger Consideration: (i) a letter of transmittal in customary form and containing such provisions as Parent may reasonably specify (including a provision confirming that (A) delivery of physical stock certificates representing shares of Company Capital Stock, (the “**Company Stock Certificates**”) shall be effected, and risk of loss and title shall pass, only upon delivery of such Company Stock Certificates to the Exchange Agent), and (B) a holder of uncertificated shares of Company Capital Stock shall not be required to deliver Company Stock Certificates and in lieu thereof, the Exchange Agent shall receive an “agent’s message” in customary form (or such other evidence, if any, as the Exchange Agent may require, with respect to such uncertificated shares of Company Capital Stock) and (ii) instructions for effecting the surrender of Company Stock Certificates, or uncertificated shares of Company Capital Stock, in exchange for book-entry shares of Parent Capital Stock. Upon surrender of a Company Stock Certificate or other reasonable evidence of the ownership of uncertificated Company Capital Stock to the Exchange Agent for exchange, together with a duly executed letter of transmittal and such other documents as may be reasonably required by the Exchange Agent or Parent: (A) the holder of such Company Stock Certificate or uncertificated shares of Company Capital Stock shall be entitled to receive in exchange

therefor book-entry shares representing the Merger Consideration (in a number of whole shares of Parent Capital Stock) that such holder has the right to receive pursuant to the provisions of [Section 2.5\(a\)](#) and [Section 2.5\(c\)](#) and (B) the Company Stock Certificate or uncertificated shares of Company Capital Stock so surrendered shall be canceled. Until surrendered as contemplated by this [Section 2.7\(b\)](#), each Company Stock Certificate or uncertificated shares of Company Capital Stock shall be deemed, from and after the First Effective Time, to represent only the right to receive book-entry shares of Parent Capital Stock representing the Merger Consideration. If any Company Stock Certificate shall have been lost, stolen or destroyed, Parent may, in its discretion and as a condition precedent to the delivery of any shares of Parent Capital Stock, require the owner of such lost, stolen or destroyed Company Stock Certificate to provide an applicable affidavit with respect to such Company Stock Certificate and post a bond indemnifying Parent against any claim suffered by Parent related to the lost, stolen or destroyed Company Stock Certificate or any Parent Capital Stock issued in exchange therefor as Parent may reasonably request.

(c) No dividends or other distributions declared or made with respect to Parent Capital Stock with a record date after the First Effective Time shall be paid to the holder of any unsurrendered Company Stock Certificate with respect to the shares of Parent Capital Stock that such holder has the right to receive in the Merger until such holder surrenders such Company Stock Certificate or uncertificated shares of Company Capital Stock or provides an affidavit of loss or destruction in lieu thereof in accordance with this [Section 2.7](#) (at which time such holder shall be entitled, subject to the effect of applicable abandoned property, escheat or similar Laws, to receive all such dividends and distributions, without interest).

(d) Any shares of Parent Capital Stock deposited with the Exchange Agent that remain undistributed to holders of Company Capital Stock as of the date that is 180 days after the Closing Date shall be delivered to Parent upon demand, and any holders of Company Capital Stock who have not theretofore surrendered their Company Stock Certificates or uncertificated shares of Company Capital Stock in accordance with this [Section 2.7](#) shall thereafter look only to Parent for satisfaction of their claims for Parent Capital Stock and any dividends or distributions with respect to shares of Parent Capital Stock.

(e) No Person shall be liable to any holder of any Company Capital Stock or to any other Person with respect to any shares of Parent Capital Stock (or dividends or distributions with respect thereto) or for any cash amounts delivered to any public official pursuant to any applicable abandoned property Law, escheat Law or similar Law.

#### 2.8 Calculation of Parent Net Cash and Company Valuation.

(a) No later than five (5) Business Days before the date of the Parent Shareholder Meeting set forth in the Proxy Statement (the "**Calculation Date**"), Parent will deliver to the Company a schedule (the "**Parent Net Cash Schedule**") setting forth, in reasonable detail, Parent's good faith, estimated calculation of the components of Parent Net Cash (the "**Parent Net Cash Calculation**," and the date of delivery of such schedule being the "**Parent Net Cash Schedule Delivery Date**") as of 11:59 p.m. on the Business Day prior to the Anticipated Closing Date (the "**Cash Determination Time**") prepared and certified, via certificate in the form reasonably acceptable to the Company, by Parent's chief financial officer (or if there is no chief financial officer at such time, the principal financial and accounting officer for Parent). Parent shall make available to the Company (electronically to the greatest extent possible) as reasonably requested by the Company, the work papers and back-up materials used or useful in preparing the Parent Net Cash Schedule and, if reasonably requested by the Company, Parent's internal finance personnel and its accountants and counsel during Parent's normal business hours and upon reasonably advanced written notice. The Parent Net Cash Calculation shall include Parent's determination, as of the Cash Determination Time, of the defined terms in [Section 1.1\(b\)](#) necessary to calculate the Exchange Ratio. During the period beginning on the Parent Net Cash Schedule Delivery Date and ending on the Calculation Date, the Company shall have an opportunity to review the Parent Net Cash Schedule and Parent shall

reasonably cooperate with the Company in good faith to respond to any questions regarding the Parent Net Cash Schedule raised by the Company; provided that this shall in no way limit or otherwise affect the Company's remedies under this Agreement or otherwise, or constitute an acknowledgement by the Company of the accuracy of the amounts reflected therein. Notwithstanding anything else in this Agreement, the Company may require Parent to deliver a new Parent Net Cash Schedule if the Closing Date is more than twenty (20) days after the Calculation Date, which date of delivery shall be deemed the "Calculation Date" hereunder.

(b) No later than the Calculation Date, the Company will deliver to Parent a schedule (the "**Company Valuation Schedule**") setting forth, in reasonable detail, the Company's good faith, estimated calculations of the components of the Company Valuation (the "**Company Valuation Calculation**," and the date of delivery of such schedule being the "**Company Valuation Delivery Date**") as of 11:59 p.m. on the last Business Day prior to the Anticipated Closing Date (the "**Company Valuation Determination Time**") prepared and certified, via certificate in the form reasonably acceptable to Parent, by the Company's chief financial officer (or if there is no chief financial officer at such time, the principal financial and accounting officer for the Company). The Company shall make available to Parent (electronically to the greatest extent possible) as reasonably requested by Parent, the work papers and back-up materials used or useful in preparing the Company Valuation Schedule and, if reasonably requested by Parent, the Company's internal finance personnel and its accountants and counsel during the Company's normal business hours and upon reasonably advanced written notice. During the period after the delivery of the Company Valuation Schedule and prior to the Closing, Parent shall have an opportunity to review the Company Valuation Schedule and the Company shall reasonably cooperate with Parent in good faith to respond to any questions regarding the Company Valuation Schedule raised by Parent; provided, that this shall in no way limit or otherwise affect the Parent's remedies under this Agreement or otherwise, or constitute an acknowledgement by Parent of the accuracy of the amounts reflected therein.

(c) No later than three (3) Business Days after the Parent Net Cash Schedule Delivery Date (the last day of such period, the "**Response Date**"), the Company shall have the right to dispute any part of the Parent Net Cash Calculation by delivering a written notice to that effect to Parent (a "**Dispute Notice**"). Any Dispute Notice shall identify in reasonable detail and to the extent known the nature and amounts of any proposed revisions to the Parent Net Cash Calculation and will be accompanied by reasonably detailed materials supporting the basis for such revisions.

(d) No later than three (3) Business Days after the Company Valuation Delivery Date (the last day of such period, the "**Company Valuation Response Date**"), Parent shall have the right to dispute any part of the Company Valuation Calculation by delivering a written notice to that effect to the Company (a "**Company Valuation Dispute Notice**") and any Company Valuation Dispute Notice shall identify in reasonable detail and to the extent known the nature and amounts of any proposed revisions to the Company Valuation Calculation and will be accompanied by reasonably detailed materials supporting the basis for such revisions.

(e) If, on or prior to the Response Date, the Company notifies Parent in writing that it has no objections to the Parent Net Cash Calculation or, if on the Response Date, the Company fails to deliver a Dispute Notice as provided in [Section 2.8\(c\)](#), then the Parent Net Cash Calculation as set forth in the Parent Net Cash Schedule shall be deemed to have been finally determined for purposes of this Agreement and to represent the Parent Net Cash at the Cash Determination Time for purposes of this Agreement.

(f) If, on or prior to the Company Valuation Response Date, Parent notifies the Company in writing that it has no objections to the Company Valuation Calculation or, if on the Company Valuation Response Date, Parent fails to deliver a Company Valuation Dispute Notice as provided in [Section 2.8\(d\)](#), then the Company Valuation Calculation as set forth in the Company Valuation Schedule shall be deemed to have been finally determined for purposes of this Agreement and to represent the Company Valuation at the Company Valuation Determination Time for purposes of this Agreement.

(g) If the Company delivers a Dispute Notice on or prior to the Response Date, then Representatives of Parent and the Company shall promptly meet and attempt in good faith to resolve the disputed item(s) and negotiate an agreed-upon determination of Parent Net Cash, which agreed upon the Parent Net Cash amount shall be deemed to have been finally determined for purposes of this Agreement and to represent the Parent Net Cash at the Cash Determination Time for purposes of this Agreement. If Parent delivers a Company Valuation Dispute Notice on or prior to the Company Valuation Response Date, then Representatives of Parent and the Company shall promptly meet and attempt in good faith to resolve the disputed item(s) and negotiate an agreed-upon determination of the components of the Company Valuation, which agreed upon Company Valuation amount shall be deemed to have been finally determined for purposes of this Agreement and to represent the Company Valuation at the Company Valuation Determination Time for purposes of this Agreement.

(h) If Representatives of Parent and the Company are unable to negotiate an agreed-upon determination of Parent Net Cash as of the Cash Determination Time pursuant to the components of Company Valuation as of the Company Valuation Determination Time, in each case pursuant to Section 2.8(g) within three days after delivery of the Dispute Notice or the Company Valuation Dispute Notice, as applicable (or such other period as Parent and the Company may mutually agree upon), then any remaining disagreements as to the calculation of Parent Net Cash or Company Valuation shall be referred to an independent auditor of recognized national standing jointly selected by Parent and the Company. If the parties are unable to select an independent auditor within five (5) days, then either Parent or the Company may thereafter request that either the Boston, Massachusetts Office of the American Arbitration Association or the New York, New York Office of the American Arbitration Association (“AAA”) make such selection (either the independent auditor jointly selected by both parties or such independent auditor selected by the AAA, the “Accounting Firm”). Parent and the Company shall promptly deliver to the Accounting Firm the work papers and back-up materials used in preparing the Parent Net Cash Schedule and the Dispute Notice and the Company Valuation Schedule and the Company Valuation Dispute Notice, and Parent and the Company shall use commercially reasonable efforts to cause the Accounting Firm to make its determination within five (5) Business Days of accepting its selection. Parent and the Company shall be afforded the opportunity to present to the Accounting Firm any material related to the unresolved disputes and to discuss the issues with the Accounting Firm; provided, however, that no such presentation or discussion shall occur without the presence of a Representative of each of Parent and the Company. The determination of the Accounting Firm shall be limited to the disagreements submitted to the Accounting Firm. The determination of the amount of Parent Net Cash or the components of the Company Valuation made by the Accounting Firm shall be made in writing delivered to each of Parent and the Company, shall be final and binding on Parent and the Company and shall (absent manifest error) be deemed to have been finally determined for purposes of this Agreement and to represent the Parent Net Cash at the Cash Determination Time or the components of the Company Valuation at the Company Valuation Determination Time for purposes of this Agreement. The Parties shall delay the Closing until the resolution of the matters described in this Section 2.8(h). The fees and expenses of the Accounting Firm shall be allocated between Parent and the Company in the same proportion that the disputed amount of the Parent Net Cash or the Company Valuation that was unsuccessfully disputed by such Party (as finally determined by the Accounting Firm) bears to the total disputed amount of the Parent Net Cash amount or the components of the Company Valuation. If this Section 2.8(h) applies as to the determination of the Parent Net Cash at the Cash Determination Time or to the determination of the components of the Company Valuation at the Company Valuation Determination Time, as applicable, upon resolution of the matter in accordance with this Section 2.8(h), the Parties shall not be required to determine Parent Net Cash or the Company Valuation again even though the Closing may occur later than the Anticipated Closing Date, except that either Parent and the Company may request a redetermination of Parent Net Cash or the Company Valuation if the Closing Date is more than thirty (30) days after the Anticipated Closing Date.

## 2.9 Contingent Value Right

(a) Prior to the First Effective Time, Parent shall declare a distribution (the “**Closing Distribution**”) to holders of Parent Common Stock and Parent Preferred Stock of record as of immediately prior to the First Effective Time (including, for the avoidance of doubt, those shares of Parent Common Stock with respect to Parent Restricted Stock Awards accelerated pursuant to Section 6.6(g)), of the right to receive one contingent value right (each, a “**CVR**”) for each outstanding share of Parent Common Stock or Parent Preferred Stock held by such stockholder as of such date (less applicable withholding taxes), each representing the right to receive contingent payments upon the occurrence of certain events set forth in, and subject to and in accordance with the terms and conditions of, the Contingent Value Rights Agreement in the form attached hereto as Exhibit F (the “**CVR Agreement**”). The record date for the Closing Distribution shall be the close of business on the Business Day prior to the date on which the First Effective Time occurs and the payment date for which shall be three (3) Business Days after the First Effective Time; provided that the payment of such distribution may be conditioned upon the occurrence of the First Effective Time.

(b) Parent and the Exchange Agent shall, at or prior to the First Effective Time, duly authorize, execute and deliver the CVR Agreement, subject to any reasonable revisions to the CVR Agreement that are requested by such Exchange Agent and are reasonably acceptable to the Company and Parent.

(c) Parent shall pay all costs and fees associated with any action contemplated by this Section 2.9 (the “**CVR Fees**”).

2.10 Further Action. If, at any time after the First Effective Time, any further action is determined by the Surviving Entity to be necessary or desirable to carry out the purposes of this Agreement or to vest the Surviving Entity with full right, title and possession of and to all rights and property of the Company, then the officers and directors of the Surviving Entity shall be fully authorized, and shall use their and its commercially reasonable efforts (in the name of the Company, in the name of First Merger Sub, in the name of Second Merger Sub, in the name of the Surviving Entity and otherwise) to take such action.

2.11 Intended Tax Treatment. The Parties acknowledge and agree that, for U.S. federal (and applicable state and local) income Tax purposes, the First Merger and the Second Merger, taken together, are intended to constitute an integrated transaction described in Rev. Rul. 2001-46, 2001-2 C.B. 321 that qualifies as a “reorganization” within the meaning of Section 368(a) of the Code (the “**Intended Tax Treatment**”). The Parties adopt this Agreement as a “plan of reorganization” within the meaning of Treasury Regulations Sections 1.368-2(g) and 1.368-3(a).

2.12 Withholding. Each of the Exchange Agent, Parent and the Surviving Entity shall be entitled to deduct and withhold from any consideration deliverable pursuant to this Agreement to any Person such amounts as are required to be deducted or withheld from such consideration under applicable Law; provided that, with respect to any non-compensatory amounts, the Exchange Agent, Parent and the Surviving Entity shall use commercially reasonable efforts to promptly notify such Persons of any intention to withhold any portion of such consideration and cooperate with any requests by such Persons to reduce or eliminate any such withholding to the extent permitted by applicable Law. To the extent such amounts are so deducted or withheld and remitted to the appropriate Governmental Authority, such amounts shall be treated for all purposes under this Agreement as having been paid to the Person to whom such amounts would otherwise have been paid. All payments made under this agreement that constitute compensation to employees for services for Tax purposes shall be made through the payroll of the Surviving Entity or Parent, as applicable.

### 2.13 Appraisal Rights

(a) Notwithstanding any provision of this Agreement to the contrary, shares of Company Capital Stock that are outstanding immediately prior to the First Effective Time and which are held by stockholders or owned by beneficial owners who have exercised and perfected appraisal rights for such shares of Company Capital Stock in accordance with the DGCL (collectively, the “**Dissenting Shares**”) shall not be converted into or represent the right to receive the Merger Consideration described in Section 2.5 attributable to such Dissenting Shares. Such stockholders or beneficial owners shall be entitled to receive payment of the fair value of such shares of Company Capital Stock held by them in accordance with the DGCL, unless and until such stockholders or beneficial owners fail to perfect or effectively withdraw or otherwise lose their appraisal rights under the DGCL. Prior to the First Effective Time, Parent shall exercise, consistent with the terms and conditions of this Agreement, complete unilateral control and supervision over its business operations.

(c) Notwithstanding any provision herein to the contrary (including the foregoing provisions of this Section 5.1), Parent:

(i) may engage in the sale, license, transfer, disposition, divestiture or other monetization transaction (i.e., a royalty transaction) or winding down of the Parent Legacy Business (including terminating its Parent Real Estate Leases and other Parent Contracts) (each, a “**Parent Legacy Transaction**”) and, in connection with any Parent Legacy Transaction, (A) establish one or more Subsidiaries to hold assets of the Parent Legacy Business, (B) transfer to any such Subsidiary any or all of the assets of the Parent Legacy Business and the liabilities and obligations related thereto, and (C) take such other steps that are reasonably necessary to prepare for a Parent Legacy Transaction; provided, however, that to the extent any Parent Legacy Transaction results in material obligations of Parent that will extend beyond Closing (other than the right of Parent to receive proceeds as a result of such Parent Legacy Transaction), such terms shall be reasonably acceptable to the Company and any such post-Closing obligations shall be a reduction to Parent Net Cash; and

(ii) shall, if and to the extent Parent reasonably expects the Parent Net Cash to exceed \$5,000,000, and may otherwise elect to, in each case, prior to the First Effective Time, declare and pay a dividend on the shares of Parent Common Stock and Parent Preferred Stock outstanding (excluding for the avoidance of doubt any shares of Parent Capital Stock issuable pursuant to the Contemplated Transactions) up to an amount, to be determined in accordance with Section 2.8, equal to the aggregate of Parent’s reasonable, good faith approximation of the amount by which Parent Net Cash will exceed \$0 (such dividend, the “**Parent Pre-Closing Dividend**” and such amount, the “**Parent Pre-Closing Dividend Amount**”).

5.2 Operation of the Company's Business.

(a) Except (i) as expressly contemplated or permitted by this Agreement or the Subscription Agreement, (ii) as set forth in Section 5.2(a) of the Company Disclosure Letter, (iii) as required by applicable Law, (iv) with respect to any Company Pre-Closing Financing, which is expressly permitted, or (v) unless Parent shall otherwise consent in writing (which consent shall not be unreasonably withheld, delayed or conditioned), during the Pre-Closing Period the Company shall use commercially reasonable efforts to conduct its business and operations in the Ordinary Course of Business and in material compliance with all applicable Law and the requirements of all Contracts that constitute Company Material Contracts. For the avoidance of doubt, during the Pre-Closing Period, Ordinary Course of Business, with respect to the Company, shall also include such build-out, expansion, and development activities as are customary and reasonable for biotechnology companies at a stage of development substantially similar to that of the Company as of the date hereof, including, without limitation, activities relating to personnel hiring and retention, laboratory and office expansion, clinical and regulatory infrastructure development, manufacturing scale-up (including engagement of contract development and manufacturing organizations), implementation of quality and compliance systems, and other operational capability enhancements; provided, however, that nothing in this Section 5.2 shall be construed to permit the Company to take any action that is expressly prohibited or restricted by the terms of this Agreement.

(b) Except (i) as expressly contemplated or permitted by this Agreement or the Subscription Agreement, (ii) as set forth in Section 5.2(b) of the Company Disclosure Letter, (iii) as required by applicable Law, (iv) in connection with any Company Pre-Closing Financing, which is expressly permitted, or actions taken in the Ordinary Course of Business, or (v) with the prior written consent of Parent (which consent shall not be unreasonably withheld, delayed or conditioned), at all times during the Pre-Closing Period, the Company shall not do any of the following:

(i) declare, accrue, set aside or pay any dividend or make any other distribution in respect of any shares of its capital stock; or repurchase, redeem or otherwise reacquire any shares of Company Capital Stock or other securities (except for shares of Company Common Stock from terminated employees, directors or consultants of the Company);

(ii) except as required to give effect to anything in contemplation of the Closing, amend any of its Organizational Documents, or effect or be a party to any merger, consolidation, share exchange, business combination, recapitalization, reclassification of shares, stock split, reverse stock split or similar transaction except, for the avoidance of doubt, the Contemplated Transactions;

(iii) other than in the Ordinary Course of Business, sell, issue, grant, or authorize any of the foregoing actions with respect to the shares of Company Capital Stock outstanding as of the date of this Agreement: (A) any capital stock or other security of the Company (except for shares of outstanding Company Common Stock issued upon the valid exercise of Company Options or Company Warrants), (B) any option, warrant or right to acquire any capital stock or any other security or (C) any instrument convertible into or exchangeable for any capital stock or other security of the Company;

(iv) other than in the Ordinary Course of Business, acquire any equity interest or other interest in any other Entity or enter into a joint venture with any other Entity;

(v) (A) lend money to any Person, (B) incur or guarantee any indebtedness for borrowed money, or (C) guarantee any debt securities of others;

(vi) sell, lease, license or otherwise irrevocably dispose of any of its assets or properties, or grant any Encumbrance with respect to such assets or properties, except in the Ordinary Course of Business;

(vii) sell, assign, transfer, license, sublicense or otherwise dispose of any material Company IP Rights (other than pursuant to non-exclusive licenses);

(viii) waive, settle or compromise any pending or threatened Legal Proceeding against the Company, other than waivers, settlements or agreements (A) for an amount not in excess of \$100,000 in the aggregate (excluding amounts to be paid under existing insurance policies or renewals thereof) and (B) that do not impose any material restrictions on the operations or businesses of the Company or any equitable relief on, or the admission of wrongdoing by the Company;

(ix) other than in the Ordinary Course of Business: (A) make, change or revoke any material Tax election; (B) file any amended income or other material Tax Return; (C) adopt or change any material accounting method in respect of Taxes; (D) enter into any material Tax closing agreement, settle any material Tax claim or assessment; (E) consent to any extension or waiver of the limitation period applicable to or relating to any material Tax claim or assessment; or (F) surrender any material claim for refund;

(x) enter into, amend in a manner adverse to the Company or terminate any Company Material Contract outside of the Ordinary Course of Business; or

(xi) agree, resolve or commit to do any of the foregoing.

Nothing contained in this Agreement shall give Parent, directly or indirectly, the right to control or direct the operations of the Company prior to the First Effective Time. Prior to the First Effective Time, the Company shall exercise, consistent with the terms and conditions of this Agreement, complete unilateral control and supervision over its business operations.

### 5.3 Access and Investigation

(a) Subject to the terms of the Confidentiality Agreement, which the Parties agree will continue in full force following the date of this Agreement, during the Pre-Closing Period, upon reasonable notice, Parent, on the one hand, and the Company, on the other hand, shall and shall use commercially reasonable efforts to cause such Party's Representatives to: (a) provide the other Party and such other Party's Representatives with reasonable access during normal business hours to such Party's Representatives, personnel, property and assets and to all existing books, records, Tax Returns, work papers and other documents and information relating to such Party and its Subsidiaries, (b) provide the other Party and such other Party's Representatives with such copies of the existing books, records, Tax Returns, work papers, product data, and other documents and information relating to such Party and its Subsidiaries, and with such additional financial, operating and other data and information regarding such Party and its Subsidiaries as the other Party may reasonably request, (c) permit the other Party's officers and other employees to meet, upon reasonable notice and during normal business hours, with the chief financial officer and other officers and managers of such Party responsible for such Party's financial statements and the internal controls of such Party to discuss such matters as the other Party may deem necessary, and (d) make available to the other Party copies of any material notice, report or other document filed with or sent to or received from any Governmental Authority in connection with the Contemplated Transactions. Any investigation conducted by either Parent or the Company pursuant to this Section 5.3 shall be conducted in such manner as not to interfere unreasonably with the conduct of the business of the other Party.

(b) Notwithstanding anything herein to the contrary in this [Section 5.3](#), no access or examination contemplated by this [Section 5.3](#) shall be permitted to the extent that it would require any Party or its Subsidiaries to waive the attorney-client privilege or attorney work product privilege, or violate any applicable Law; provided that such Party or its Subsidiary (i) shall be entitled to withhold only such information that may not be provided without causing such violation or waiver, (ii) shall provide to the other Party all related information that may be provided without causing such violation or waiver (including, to the extent permitted, redacted versions of any such information) and (iii) shall enter into such effective and appropriate joint-defense agreements or other protective arrangements as may be reasonably requested by the other Party in order that all such information may be provided to the other Party without causing such violation or waiver.

#### 5.4 No Solicitation

(a) Each of Parent and the Company agrees that, during the Pre-Closing Period, neither it nor any of its Subsidiaries shall, nor shall it or any of its Subsidiaries authorize or permit any of its Representatives to, directly or indirectly: (i) solicit, initiate or knowingly encourage, induce or facilitate the communication, making, submission or announcement of any Acquisition Proposal or Acquisition Inquiry or take any action that could reasonably be expected to lead to an Acquisition Proposal or Acquisition Inquiry, (ii) furnish any non-public information regarding such Party to any Person in connection with or in response to an Acquisition Proposal or Acquisition Inquiry, (iii) engage in discussions or negotiations with any Person with respect to any Acquisition Proposal or Acquisition Inquiry (other than to inform such Person of the existence of the provisions in this [Section 5.4](#)), (iv) approve, endorse or recommend any Acquisition Proposal, (v) execute or enter into any letter of intent or any Contract contemplating or otherwise relating to any Acquisition Transaction or (vi) publicly propose to do any of the foregoing; provided, however, that, (x) any public disclosures made in compliance with [Section 6.3\(e\)](#) shall not constitute a violation of this [Section 5.4](#) and (y) notwithstanding anything contained in this [Section 5.4](#) and subject to compliance with this [Section 5.4](#), prior to the approval of this Agreement by a Party's stockholders (i.e., the Required Company Stockholder Vote, in the case of the Company, or the Required Parent Shareholder Vote in the case of Parent), such Party may furnish non-public information regarding such Party and its Subsidiaries to, and enter into discussions or negotiations with, any Person in response to a bona fide written Acquisition Proposal by such Person which such Party's board of directors determines in good faith, after consultation with such Party's financial advisors and outside legal counsel, constitutes, or is reasonably likely to result in, a Superior Offer (and is not withdrawn) if: (A) such Acquisition Proposal was not obtained or made as a direct or indirect result of a breach of this Agreement, (B) the board of directors of such Party concludes in good faith based on the advice of outside legal counsel, that the failure to take such action would reasonably be expected to be inconsistent with the board of directors' fiduciary duties under applicable Law, (C) at least two (2) Business Days prior to initially furnishing any such nonpublic information to, or entering into discussions with, such Person, such Party gives the other Party written notice of the identity of such Person and of such Party's intention to furnish nonpublic information to, or enter into discussions with, such Person, (D) such Party receives from such Person an executed Acceptable Confidentiality Agreement and (E) at least two (2) Business Days prior to furnishing any such nonpublic information to such Person, such Party furnishes such nonpublic information to the other Party (to the extent such information has not been previously furnished by such Party to the other Party). Without limiting the generality of the foregoing, each Party acknowledges and agrees that, in the event any Representative of such Party takes any action that, if taken by such Party, would constitute a breach of this [Section 5.4](#) by such Party, the taking of such action by such Representative shall be deemed to constitute a breach of this [Section 5.4](#) by such Party for purposes of this Agreement.

(b) If any Party or any Representative of such Party receives an Acquisition Proposal or Acquisition Inquiry at any time during the Pre-Closing Period, then such Party shall promptly (and in no event later than one (1) Business Day after such Party becomes aware of such Acquisition Proposal or Acquisition Inquiry) advise the other Party in writing of such Acquisition Proposal or Acquisition Inquiry (including the identity of the Person making or submitting such Acquisition Proposal or Acquisition Inquiry, and the terms thereof). Such Party shall keep the other Party reasonably informed with respect to the status and terms of any such Acquisition Proposal or Acquisition Inquiry and any material modification or material proposed modification thereto.

(c) Each Party shall immediately cease and cause to be terminated any existing discussions, negotiations and communications with any Person that relate to any Acquisition Proposal or Acquisition Inquiry as of the date of this Agreement and request the destruction or return of any nonpublic information provided to such Person within twenty-four (24) hours following the execution and delivery of this Agreement.

5.5 Notification of Certain Matters. During the Pre-Closing Period, each of the Company, on the one hand, and Parent, on the other hand, shall promptly notify the other (and, if in writing, furnish copies of) if any of the following occurs: (a) any notice or other communication is received from any Person alleging that the Consent of such Person is or may be required in connection with any of the Contemplated Transactions, (b) any Legal Proceeding against or involving or otherwise affecting such Party or its Subsidiaries is commenced, or, to the Knowledge of such Party, threatened against such Party or, to the Knowledge of such Party, any director or officer of such Party, (c) such Party becomes aware of any inaccuracy in any representation or warranty made by such Party in this Agreement or (d) the failure of such Party to comply with any covenant or obligation of such Party; in each case that could reasonably be expected to make the timely satisfaction of any of the conditions set forth in Section 7, Section 8 or Section 9, as applicable, impossible or materially less likely. No such notice shall be deemed to supplement or amend the Company Disclosure Letter or the Parent Disclosure Letter for the purpose of (x) determining the accuracy of any of the representations and warranties made by the Company in this Agreement or (y) determining whether any condition set forth in Section 7, Section 8 or Section 9 has been satisfied. Any failure by either Party to provide notice pursuant to this Section 5.5 shall not be deemed to be a breach for purposes of Section 8.2 or Section 9.2, as applicable, unless such failure to provide such notice was made with such Party's Knowledge that such failure to provide notice would reasonably be expected to constitute a breach of this Section 5.5.

Section 6. Additional Agreements of the Parties.

6.1 Registration Statement, Proxy Statement.

(a) As promptly as practicable after the date of this Agreement, Parent, in cooperation with the Company, shall prepare and file with the SEC a registration statement on Form S-4 (the "**Form S-4**"), in which a proxy statement relating to the Parent Shareholder Meeting to be held in connection with the Merger (together with any amendments thereof or supplements thereto, the "**Proxy Statement**") shall be included as a part (the Proxy Statement and the Form S-4, collectively, the "**Registration Statement**"), in connection with the registration under the Securities Act of the shares of Parent Common Stock (including any Parent Common Stock issuable upon (I) conversion of the Parent Convertible Preferred Stock or (II) exercise of any Assumed Warrant) to be issued by virtue of the Contemplated Transactions, other than any shares of Parent Capital Stock which are not permitted to be registered on Form S-4 pursuant to applicable Law. Parent shall use commercially reasonable efforts to (i) cause the Registration Statement to comply with applicable rules and regulations promulgated by the SEC, (ii) cause the Registration Statement to become effective as promptly as practicable, and (iii) respond promptly to any comments or requests of the SEC or its staff related to the Registration Statement. Parent shall use commercially reasonable efforts to take all actions required under any applicable federal, state, securities and other Laws in connection with the issuance of shares of Parent Capital Stock pursuant to the Contemplated Transactions (including any Parent Common Stock issuable upon (I) conversion of the Parent Convertible Preferred Stock or (II) exercise of any Assumed Warrant). Each of the Parties shall reasonably cooperate with the other Party and furnish all information concerning itself and its Affiliates, as applicable, to the other Parties that is required by law to be included in the Registration Statement as the other Parties may reasonably request in connection with such actions and the preparation of the Registration Statement and Proxy Statement. In furtherance and not in limitation of the foregoing, Parent shall use its reasonable best efforts to file the Form S-4 no later than 30 Business Days following the date hereof.

(b) Parent covenants and agrees that the Registration Statement (and the letter to stockholders, notice of meeting and form of proxy included therewith) (i) will comply as to form in all material respects with the requirements of applicable U.S. federal securities laws, and (ii) other than with respect to information supplied by or on behalf of the Company to Parent for inclusion in the Registration Statement, will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading. The Company covenants and agrees that the information supplied by or on behalf of the Company to Parent for inclusion in the Registration Statement will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make such information, in light of the circumstances under which they were made, not misleading. Notwithstanding the foregoing, neither Party makes any covenant, representation or warranty with respect to statements made in the Registration Statement (and the letter to stockholders, notice of meeting and form of proxy included therewith), if any, based on information provided by the other Party or any of its Representatives regarding such other Party or its Affiliates for inclusion therein.

(c) Parent shall use commercially reasonable efforts to cause the Proxy Statement to be mailed to Parent's shareholders as promptly as practicable after the Registration Statement is declared effective under the Securities Act. If at any time before the First Effective Time, (i) Parent, Merger Subs or the Company (A) become aware of any event or information that, pursuant to the Securities Act or the Exchange Act, should be disclosed in an amendment or supplement to the Registration Statement or Proxy Statement, (B) receives notice of any SEC request for an amendment or supplement to the Registration Statement or for additional information related thereto, or (C) receives SEC comments on the Registration Statement, or (ii) the information provided in the Registration Statement has become "stale" and new information should be disclosed in an amendment or supplement to the Registration Statement, as the case may be, then such Party, as the case may be, shall promptly inform the other Parties thereof and shall cooperate with such other Parties in Parent filing such amendment or supplement with the SEC (and, if appropriate, in mailing such amendment or supplement to the Parent shareholders) or otherwise addressing such SEC request or comments and each Party and shall use their commercially reasonable efforts to cause any such amendment to become effective, if required. Parent shall promptly notify the Company if it becomes aware (1) that the Registration Statement has become effective, (2) of the issuance of any stop order or suspension of the qualification or registration of the Parent Capital Stock issuable in connection with the Contemplated Transactions (including any Parent Common Stock issuable upon (I) conversion of the Parent Convertible Preferred Stock or (II) exercise of any Assumed Warrant) for offering or sale in any jurisdiction, or (3) any order of the SEC related to the Registration Statement, and shall promptly provide to the Company copies of all written correspondence between it or any of its Representatives, on the one hand, and the SEC or staff of the SEC, on the other hand, with respect to the Registration Statement and all orders of the SEC relating to the Registration Statement. The Company and Parent shall each pay 50% of (i) the fees paid in connection with filing the Registration Statement and any amendments and supplements thereto, and (ii) the fees and expenses in connection with the printing, mailing and distribution of the Proxy Statement and any amendments and supplements.

(d) The Company shall reasonably cooperate with Parent and provide, and cause its Representatives to provide, Parent and its Representatives, with all true, correct and complete information regarding the Company that is required by Law to be included in the Registration Statement or reasonably requested by Parent to be included in the Registration Statement (collectively, the "**Company Required S-4 Information**"). Without limiting the foregoing, the Company will use commercially reasonable efforts to cause to be delivered to Parent a consent letter of the Company's independent

accounting firm, dated no later than the date on which the Registration Statement is filed with the SEC (and reasonably satisfactory in form and substance to Parent), that is customary in scope and substance for consent letters delivered by independent public accountants in connection with registration statements similar to the Registration Statement. The Company and its legal counsel shall be given reasonable opportunity to review and comment on the Registration Statement, including all amendments and supplements thereto, prior to the filing thereof with the SEC, and on the response to any comments of the SEC on the Registration Statement, prior to the filing thereof with the SEC. Parent may file the Registration Statement, or any amendment or supplement thereto, without the prior consent of the Company, provided that Parent has included the Company Required S-4 Information in the Registration Statement in substantially the same form as it was provided to Parent by the Company pursuant to this Section 6.1; provided, further, that if the prior consent of the Company is not obtained then, notwithstanding anything else herein, the Company makes no covenant or representation regarding the portion of such information supplied by or on behalf of the Company to Parent for inclusion in such Registration Statement that the Company reasonably identifies prior to such filing of the Registration Statement.

#### 6.2 Company Stockholder Written Consent

(a) Promptly after the Registration Statement has been declared effective under the Securities Act, and in any event no later than two (2) Business Days thereafter, the Company shall obtain the approval by written consent from Company stockholders sufficient for the Required Company Stockholder Vote in lieu of a meeting pursuant to Section 228 of the DGCL, for purposes of (i) adopting and approving this Agreement and the Contemplated Transactions, (ii) acknowledging that the approval given thereby is irrevocable and that such stockholder is aware of its rights to demand appraisal for its shares pursuant to Section 262 of the DGCL, and that such stockholder has received and read a copy of Section 262 of the DGCL and (iii) acknowledging that by its approval of the Merger it is not entitled to appraisal rights with respect to its shares in connection with the Merger and thereby waives any rights to receive payment of the fair value of its capital stock under the DGCL (the “**Company Stockholder Written Consents**”). Under no circumstances shall the Company assert that any other approval or consent is necessary by its stockholders to approve this Agreement and the Contemplated Transactions.

(b) Reasonably promptly following receipt of the Required Company Stockholder Vote, the Company shall prepare and mail a notice (the “**Stockholder Notice**”) to every stockholder of the Company that did not execute the Company Stockholder Written Consent, if any. The Stockholder Notice shall (i) be a statement to the effect that the Company Board determined that the Merger is advisable in accordance with Section 251(b) of the DGCL and in the best interests of the stockholders of the Company and approved and adopted this Agreement, the Merger and the other Contemplated Transactions, (ii) provide the stockholders of the Company to whom it is sent with notice of the actions taken in the Company Stockholder Written Consent, including the adoption and approval of this Agreement, the Merger and the other Contemplated Transactions in accordance with Section 228(e) of the DGCL and the certificate of incorporation and bylaws of the Company and (iii) include a description of the appraisal rights of the Company’s stockholders available under the DGCL, along with such other information as is required thereunder and pursuant to applicable Law. All materials (including any amendments thereto) submitted to the stockholders of the Company in accordance with this Section 6.2(b) shall be subject to Parent’s advance review (the period of time starting upon delivery of any such materials to Parent and ending upon resolution of any good faith comments raised by Parent, the “**Company Stockholder Consent Review Period**”), and the Company shall consider in good faith any comments raised by Parent in connection with Parent’s review.

(c) The Company agrees that, subject to Section 6.2(d): (i) the Company Board shall recommend that the Company’s stockholders vote to adopt and approve this Agreement and the Contemplated Transactions and shall use commercially reasonable efforts to solicit such approval within the time set forth in Section 6.2(a) (the recommendation of the Company Board that the Company’s stockholders

vote to adopt and approve this Agreement being referred to as the “**Company Board Recommendation**”) and (ii) the Company Board Recommendation shall not be withdrawn or modified (and the Company Board shall not publicly propose to withdraw or modify the Company Board Recommendation) in a manner adverse to Parent, and no resolution by the Company Board or any committee thereof to withdraw or modify the Company Board Recommendation in a manner adverse to Parent or to adopt, approve or recommend (or publicly propose to adopt, approve or recommend) any Acquisition Proposal shall be adopted or proposed.

(d) Notwithstanding anything to the contrary contained in Section 6.2(c), and subject to compliance with Section 5.4 and Section 6.2, if at any time prior to approval and adoption of this Agreement by the Required Company Stockholder Vote, (i) the Company receives a bona fide unsolicited written Acquisition Proposal that did not result from a breach of Section 5.4 or Section 6.2 and that the Company Board determines, following consultation with its outside legal counsel and financial advisor, to be a Superior Offer, or (ii) as a result of a material development or change in circumstances (other than any such event, development or change to the extent (A) known or reasonably foreseeable to the Company, the Company Board or any of its executive officers as of the date of this Agreement or (B) related to (1) any Acquisition Proposal, Acquisition Inquiry, Acquisition Transaction or the consequences thereof, (2) any events, developments or changes relating to Parent or Merger Subs, or (3) the fact, in and of itself, that the Company meets or exceeds internal budgets, plans or forecasts of its revenues, earnings or other financial performance or results of operations) that affects the business, assets or operations of the Company that occurs or arises after the date of this Agreement (a “**Company Intervening Event**”), the Company Board may withhold, amend, withdraw or modify the Company Board Recommendation (or publicly propose to withhold, amend, withdraw or modify the Company Board Recommendation) in a manner adverse to Parent (collectively, a “**Company Board Adverse Recommendation Change**”) if, but only if, (x) in the case of a Superior Offer, following the receipt of and on account of such Superior Offer, (i) the Company Board determines in good faith, based on the advice of its outside legal counsel, that the failure to withhold, amend, withdraw or modify the Company Board Recommendation would reasonably be expected to be inconsistent with its fiduciary duties under applicable Law, (ii) the Company has, during the Notice Period (as defined below), negotiated with Parent in good faith to make such adjustments to the terms and conditions of this Agreement so that such Acquisition Proposal ceases to constitute a Superior Offer and (iii) if, Parent has delivered to the Company a written offer to alter the terms or conditions of this Agreement during the Notice Period, the Company Board shall have determined in good faith, based on the advice of its outside legal counsel and financial advisor, that the failure to withhold, amend, withdraw or modify the Company Board Recommendation would reasonably be expected to be inconsistent with its fiduciary duties under applicable Law (after taking into account such alterations of the terms and conditions of this Agreement); provided that (1) Parent receives written notice from the Company confirming that the Company Board has determined to change its recommendation at least four (4) Business Days in advance of the Company Board Adverse Recommendation Change (the “**Notice Period**”), which notice shall include a description in reasonable detail of the reasons for such Company Board Adverse Recommendation Change, and written copies of any relevant proposed transaction agreements with any party making a potential Superior Offer, (2) during any Notice Period, Parent shall be entitled to deliver to the Company one or more counterproposals to such Acquisition Proposal and the Company will, and cause its Representatives to, negotiate with Parent in good faith (to the extent Parent desires to negotiate) to make such adjustments in the terms and conditions of this Agreement so that the applicable Acquisition Proposal ceases to constitute a Superior Offer and (3) in the event of any material amendment to any Superior Offer (including any revision in the amount, form or mix of consideration the Company’s stockholders would receive as a result of such potential Superior Offer), the Company shall be required to provide Parent with notice of such material amendment and the Notice Period shall be extended, if applicable, to ensure that at least three (3) Business Days remain in the Notice Period following such notification during which the parties shall comply again with the requirements of this Section 6.2(d) and the Company Board shall not make a Company Board Adverse Recommendation Change prior to the end of such Notice Period as so extended (it being understood that there may be multiple extensions) or (y) in the case of a Company Intervening Event, the Company promptly notifies Parent, in

writing, within the Notice Period before making a Company Board Adverse Recommendation Change, which notice shall state expressly the material facts and circumstances related to the applicable Company Intervening Event and that the Company Board intends to make a Company Board Adverse Recommendation Change, and the Company shall have given Parent two (2) Business Days thereafter to propose revisions to the terms of this Agreement or make other proposals so that such Company Intervening Event would no longer necessitate a Company Board Adverse Recommendation Change.

(e) The Company's obligation to solicit the consent of its stockholders to sign the Company Stockholder Written Consent in accordance with Section 6.2(a) shall not be limited or otherwise affected by the commencement, disclosure, announcement or submission of any Superior Offer or other Acquisition Proposal or Acquisition Inquiry or Company Intervening Event, or by any Company Board Adverse Recommendation Change.

### 6.3 Parent Shareholder Meeting.

(a) Parent shall take all action necessary under applicable Law to call, give notice of and hold a meeting of the holders of Parent Common Stock to consider and vote to approve (I) the issuance of shares of Parent Common Stock that represent (or are convertible into) more than twenty percent (20%) of the shares of Parent Common Stock outstanding immediately prior to the First Effective Time to the Company stockholders in connection with the Contemplated Transactions and the change of control of Parent resulting from the Contemplated Transactions, in each case pursuant to the Nasdaq rules and (II) clauses (ii) through (vi) of the definition of "Parent Articles of Amendment" (collectively, the "**Parent Shareholder Matters**" and such meeting, the "**Parent Shareholder Meeting**"). The Parent Shareholder Meeting shall be held as promptly as practicable after the date that the Registration Statement is declared effective under the Securities Act, and in any event, no later than forty-five (45) days after the effective date of the Registration Statement. Parent shall take reasonable measures to ensure that all proxies solicited in connection with the Parent Shareholder Meeting are solicited in compliance with all applicable Law. Notwithstanding anything to the contrary contained herein, if on the date of the Parent Shareholder Meeting, or a date preceding the date on which the Parent Shareholder Meeting is scheduled, Parent reasonably believes that (i) it will not receive proxies sufficient to obtain the Required Parent Shareholder Vote, whether or not a quorum would be present, (ii) it will not have sufficient shares of Parent Common Stock represented (whether in person or by proxy) to constitute a quorum necessary to conduct the business of the Parent Shareholder Meeting or (iii) that the failure to postpone or adjourn the Parent Shareholder Meeting would reasonably be expected to be inconsistent with its fiduciary obligations under applicable Law, Parent may postpone or adjourn, or make one or more successive postponements or adjournments of, the Parent Shareholder Meeting as long as the date of the Parent Shareholder Meeting is not postponed or adjourned more than an aggregate of 45 days in connection with any postponements or adjournments.

(b) Parent agrees that (i) the Parent Board shall recommend that the holders of Parent Common Stock vote to approve the Parent Shareholder Matters and shall use commercially reasonable efforts to solicit such approval within the timeframe set forth in Section 6.3(a) above and (ii) the Proxy Statement shall include a statement to the effect that the Parent Board recommends that Parent's shareholders vote to approve the Parent Shareholder Matters (the recommendation of the Parent Board being referred to as the "**Parent Board Recommendation**").

(c) Notwithstanding anything to the contrary contained in Section 6.3(b), and subject to compliance with Section 5.4 and Section 6.3, the Parent Board may withhold, amend, withdraw or modify the Parent Board Recommendation (or publicly propose to withhold, amend, withdraw or modify the Parent Board Recommendation) in a manner adverse to the Company (a "**Parent Board Adverse Recommendation Change**") if, at any time prior to approval and adoption of this Agreement by the Required Parent Shareholder Vote, (i) Parent receives a bona fide written Acquisition Proposal that the

Parent Board determines, following consultation with its outside legal counsel and financial advisor, to be a Superior Offer or (ii) as a result of a material development or change in circumstances (other than any such event, development or change to the extent related to (A) any Acquisition Proposal, Acquisition Inquiry, Acquisition Transaction or the consequences thereof, (B) the fact, in and of itself, that Parent meets or exceeds internal budgets, plans or forecasts of its revenues, earnings or other financial performance or results of operations, or (C) any Parent Legacy Transaction) that affects the business, assets or operations of Parent that occurs or arises after the date of this Agreement (a “**Parent Intervening Event**”), if, but only if, (x) in the case of a Superior Offer, following the receipt of and on account of such Superior Offer, (i) the Parent Board determines in good faith, based on the advice of its outside legal counsel, that the failure to withhold, amend, withdraw or modify the Parent Board Recommendation would reasonably be expected to be inconsistent with its fiduciary duties under applicable Law, (ii) Parent has, and has caused its financial advisors and outside legal counsel to, during the Parent Notice Period (as defined below), negotiated with the Company in good faith to make such adjustments to the terms and conditions of this Agreement so that such Acquisition Proposal ceases to constitute a Superior Offer, and (iii) if, after the Company has delivered to Parent a written offer to alter the terms or conditions of this Agreement during the Parent Notice Period, the Parent Board shall have determined in good faith, based on the advice of its outside legal counsel and financial advisor, that the failure to withhold, amend, withdraw or modify the Parent Board Recommendation would reasonably be expected to be inconsistent with its fiduciary duties under applicable Law (after taking into account such alterations of the terms and conditions of this Agreement); provided that (1) the Company receives written notice from Parent confirming that the Parent Board has determined to change its recommendation at least four (4) Business Days in advance of the Parent Board Adverse Recommendation Change (the “**Parent Notice Period**”), which notice shall include a description in reasonable detail of the reasons for such Parent Board Adverse Recommendation Change, and written copies of any relevant proposed transaction agreements with any party making a potential Superior Offer, (2) during any Parent Notice Period, the Company shall be entitled to deliver to Parent one or more counterproposals to such Acquisition Proposal and Parent will, and cause its Representatives to, negotiate with the Company in good faith (to the extent the Company desires to negotiate) to make such adjustments in the terms and conditions of this Agreement so that the applicable Acquisition Proposal ceases to constitute a Superior Offer and (3) in the event of any material amendment to any Superior Offer (including any revision in the amount, form or mix of consideration the Parent’s shareholders would receive as a result of such potential Superior Offer), Parent shall be required to provide the Company with notice of such material amendment and the Parent Notice Period shall be extended, if applicable, to ensure that at least three (3) Business Days remain in the Parent Notice Period following such notification during which the parties shall comply again with the requirements of this Section 6.3(c) and the Parent Board shall not make a Parent Board Adverse Recommendation Change prior to the end of such Parent Notice Period as so extended (it being understood that there may be multiple extensions) or (y) in the case of a Parent Intervening Event, Parent promptly notifies the Company, in writing, within the Parent Notice Period before making a Parent Board Adverse Recommendation Change, which notice shall state expressly the material facts and circumstances related to the applicable Parent Intervening Event and that the Parent Board intends to make a Parent Board Adverse Recommendation Change.

(d) Parent’s obligation to call, give notice of and hold the Parent Shareholder Meeting in accordance with Section 6.3(a) shall not be limited or otherwise affected by the commencement, disclosure, announcement or submission of any Superior Offer, Acquisition Proposal or Acquisition Inquiry, or by any Parent Board Adverse Recommendation Change.

(e) Nothing contained in this Agreement shall prohibit Parent or the Parent Board from (i) complying with Rules 14d-9 and 14e-2(a) promulgated under the Exchange Act; provided, however, that any disclosure made by Parent or the Parent Board pursuant to Rules 14d-9 and 14e-2(a) shall be limited to a statement that Parent is unable to take a position with respect to the bidder’s tender offer unless the Parent Board determines in good faith, after consultation with its outside legal counsel, that such

statement would reasonably be expected to be inconsistent with its fiduciary duties under applicable Law; (ii) complying with Item 1012(a) of Regulation M-A promulgated under the Exchange Act; (iii) informing any Person of the existence of the provisions contained in Section 5.4; or (iv) making any disclosure that the Parent Board (or a committee thereof), after consultation with its outside legal counsel, has determined in good faith is required by applicable Law or by any listing or trading rules or regulations of Nasdaq; provided that, in the case of (iv), Parent shall provide the Company with a reasonable opportunity to review any such disclosure not less than two (2) Business Days prior to the making thereof (to the extent practicable) and shall consider in good faith any comments from the Company thereto.

#### 6.4 Efforts: Regulatory Approvals.

(a) The Parties shall use commercially reasonable efforts to obtain all regulatory approvals required by applicable Law to consummate the Contemplated Transactions. In addition, and without limiting the generality of the foregoing, each Party (i) shall make all filings and other submissions (if any) and give all notices (if any) required to be made and given by such Party in connection with the Contemplated Transactions, (ii) shall use commercially reasonable efforts to obtain each Consent (if any) reasonably required to be obtained (pursuant to any applicable Law or Contract, or otherwise) by such Party in connection with the Contemplated Transactions or for such Contract to remain in full force and effect, (iii) shall use commercially reasonable efforts to lift any injunction prohibiting, or any other legal bar to, the Contemplated Transactions and (iv) shall use commercially reasonable efforts to satisfy the conditions precedent to the consummation of this Agreement.

(b) Notwithstanding the generality of the foregoing, each Party shall use commercially reasonable efforts to file or otherwise submit, as soon as practicable after the date of this Agreement, all applications, notices, reports and other documents reasonably required to be filed by such Party with or otherwise submitted by such Party to any Governmental Authority with respect to the Contemplated Transactions, and to submit promptly any additional information requested by any such Governmental Authority. Without limiting the generality of the foregoing, the Parties shall prepare and file, if required, (a) the notification and report forms required to be filed under the HSR Act within fifteen (15) Business Days after the date of this Agreement and (b) any notification or other document required to be filed in connection with the Merger under any applicable foreign Law relating to antitrust or competition matters, no later than fifteen (15) Business Days after the date the Company and Parent receive notification (in writing or otherwise) from the Federal Trade Commission, the Department of Justice, any state attorney general, foreign antitrust or competition authority or other Governmental Authority that a filing is required in connection with antitrust or competition matters. Parent and the Company shall each pay 50% of all filing fees required to be paid by the Parties in connection with any notification and report forms required to be filed under the HSR Act or any notification or other document required to be filed in connection with the Merger under any applicable foreign Law relating to antitrust or competition matters (collectively, "**Antitrust Fees**").

(c) Without limiting the generality of the foregoing, Parent shall give the Company prompt written notice (email being sufficient) of any litigation against Parent and/or its directors relating to this Agreement or the Contemplated Transactions ("**Transaction Litigation**") (including by providing copies of all pleadings with respect thereto) and keep the Company reasonably informed with respect to the status thereof. Parent will (i) give the Company the opportunity to participate in, but not control, the defense, settlement or prosecution of any Transaction Litigation (to the extent that the attorney-client privilege is not undermined or otherwise adversely affected; provided that Parent and the Company will use commercially reasonable efforts to find alternative solutions to not undermine or adversely affect the privilege such as entering into common interest agreements, joint defense agreements or similar agreements), (ii) consult with the Company with respect to the defense, settlement and prosecution of any Transaction Litigation and (iii) consider in good faith the Company's advice with respect to such Transaction Litigation. Parent will obtain the prior written consent of the Company (such consent not to be unreasonably withheld, conditioned or delayed) prior to settling or satisfying any such claim.

(a) At the First Effective Time, Parent shall assume each Company Stock Plan and each Company Option (including any Service Provider Grants), whether vested or unvested, that is outstanding immediately prior to the First Effective Time shall, at the First Effective Time, cease to represent a right to acquire shares of Company Common Stock and shall be converted, at the First Effective Time, into an option to purchase shares of Parent Common Stock (an “**Assumed Option**”), on the same terms and conditions (including any vesting provisions and any provisions providing for accelerated vesting upon certain events) as were applicable under such Company Option as of immediately prior to the First Effective Time, except for administrative or ministerial changes as determined by the Company Board (or, following the First Effective Time, the Parent Board or compensation committee). The number of shares of Parent Common Stock subject to each such Assumed Option shall be equal to (i) the number of shares of Company Common Stock subject to the respective Company Option immediately prior to the First Effective Time multiplied by (ii) the Exchange Ratio, rounded down, if necessary, to the nearest whole share of Parent Common Stock, and such Assumed Option shall have an exercise price per share (rounded up to the nearest whole cent) equal to (A) the exercise price per share of the Company Common Stock otherwise purchasable pursuant to the respective Company Option immediately prior to the First Effective Time divided by (B) the Exchange Ratio; provided that in the case of any Company Option to which Section 421 of the Code applies as of immediately prior to the First Effective Time (taking into account the effect of any accelerated vesting thereof, if applicable) by reason of its qualification under Section 422 of the Code, the exercise price, the number of shares of Parent Common Stock subject to such option and the terms and conditions of exercise of such option shall be determined in a manner consistent with the requirements of Section 424(a) of the Code; provided further, that in the case of any Assumed Option to which Section 409A of the Code applies as of the First Effective Time, the exercise price, the number of shares of Parent Common Stock subject to such option and the terms and conditions of exercise of such option shall be determined in a manner consistent with the requirements of Section 409A of the Code in order to avoid the imposition of any additional taxes thereunder. The Company Board shall, prior to the First Effective Time, take all actions necessary to effect the foregoing.

(b) At the First Effective Time, each award of Company RSU (including any Service Provider Grants), whether vested or unvested, that is outstanding immediately prior to the First Effective Time shall, at the First Effective Time, cease to represent a right to acquire shares of Company Common Stock and shall be converted, at the First Effective Time, into a restricted stock unit award to acquire shares of Parent Common Stock (an “**Assumed RSU Award**”), on the same terms and conditions (including any vesting provisions and any provisions providing for accelerated vesting upon certain events) as were applicable under such Company RSU as of immediately prior to the First Effective Time, except for administrative or ministerial changes as determined by the Company Board (or, following the First Effective Time, the Parent Board or compensation committee). Each such Assumed RSU Award shall represent the right to receive, upon settlement, that number of shares of Parent Common Stock as is equal to: (i) the number of shares of Company Common Stock subject to the respective Company RSU immediately prior to the First Effective Time multiplied by (ii) the Exchange Ratio, rounded down, if necessary, to the nearest whole share of Parent Common Stock; provided, that in the case of any Assumed RSU Award to which Section 409A of the Code applies as of the First Effective Time, the number of shares of Parent Common Stock subject to such restricted stock unit and the terms and conditions governing such restricted stock unit shall be determined in a manner consistent with the requirements of Section 409A of the Code in order to avoid the imposition of any additional taxes thereunder. The Company Board shall, prior to the First Effective Time, take all actions necessary to effect the foregoing.

(c) At the First Effective Time, each Company Warrant (including any pre-funded Company Warrant issued pursuant to the Company Pre-Closing Financing), whether vested or unvested, that is outstanding immediately prior to the First Effective Time shall, at the First Effective Time, cease to represent a right to acquire shares of Company Capital Stock and shall be converted, at the First Effective Time, into a warrant to purchase shares of Parent Common Stock (an “**Assumed Warrant**”), on the same terms and conditions (including any vesting provisions and any provisions providing for accelerated vesting upon certain events) as were applicable under such Assumed Warrant as of immediately prior to the First Effective Time. The number of shares of Parent Common Stock subject to each such Assumed Warrant shall be equal to (i) the number of shares of the Company Common Stock subject to each Assumed Warrant immediately prior to the First Effective Time multiplied by (ii) the Exchange Ratio (rounded up to the next whole share of Parent Common Stock to the extent the aggregate amount of fractional shares of Parent Common Stock such holder of Assumed Warrants would otherwise be entitled to is equal to or exceeds 0.50, and otherwise rounded down), and such Assumed Warrant shall have an exercise price per share (rounded up to the nearest whole cent) equal to (A) the exercise price per share of the Company Common Stock otherwise purchasable pursuant to such Assumed Warrant immediately prior to the First Effective Time divided by (B) the Exchange Ratio. The Company Board shall, prior to the First Effective Time, take all actions necessary to effect the foregoing.

#### 6.6 Employee Benefits.

(a) Parent shall comply with the terms of any employment, severance, retention, change of control, or similar agreement specified on Section 4.17(d) or contemplated by Section 5.1(b) of the Parent Disclosure Letter, subject to the provisions of such agreements. The parties acknowledge and agree that the Merger shall not constitute a “change in control” (or term of similar import) under any Company Employee Plan.

(b) From and after the First Effective Time, with respect to each benefit plan maintained by Parent or the Surviving Entity that is an “employee welfare benefit plan” as defined in Section 3(1) of ERISA (each, a “**Post-Closing Welfare Plan**”) in which any current or former employee of Parent is or becomes eligible to participate (including under COBRA), Parent and the Surviving Entity shall use commercially reasonable efforts to cause each such Post-Closing Welfare Plan to (i) waive all limitations as to pre-existing conditions, waiting periods, required physical examinations and exclusions with respect to participation and coverage requirements applicable under such Post-Closing Welfare Plan for such current or former Parent employee and his or her eligible dependents to the same extent that such pre-existing conditions, waiting periods, required physical examinations and exclusions would not have applied or would have been waived under the corresponding Parent Employee Plan in which such current or former Parent employee was a participant immediately prior to his or her commencement of participation in such Post-Closing Welfare Plan, and (ii) provide each such current or former Parent employee and his or her eligible dependents with credit for any co-payments and deductibles paid in the plan year that includes the First Effective Time, and prior to the date that, such current or former Parent employee commences participation in such Post-Closing Welfare Plan in satisfying any applicable co-payment or deductible requirements under such Post-Closing Welfare Plan for the applicable plan year, to the extent that such expenses were recognized for such purposes under the comparable Parent Employee Plan.

(c) Parent 401(k) Plan. Unless directed otherwise by the Company in writing no less than three (3) Business Days before the Closing Date, Parent shall have, at least one (1) Business Day prior to the Closing Date, (i) ceased contributions to, and adopted written resolutions (or taken other necessary and appropriate action(s)) to terminate any Parent Employee Plan that is intended to qualify under Section 401(a) of the Code with a cash or deferred arrangement described in Section 401(k) of the Code (collectively, the “**401(k) Plans**”) in compliance with such 401(k) Plan’s terms and the requirements of applicable Law, (ii) made all employee and employer contributions to the 401(k) Plans for all periods of

service prior to the Closing Date, including such contributions that would have been made on behalf of 401(k) Plan participants had the Merger not occurred (regardless of any service or end-of-year employment requirements) but prorated for the portion of the plan year that ends on the Closing Date, and (iii) 100% vested all participants under the 401(k) Plans, with such termination, contributions and vesting effective no later than one (1) day prior to the Closing Date. Parent shall provide the Company copies of all such corporate actions or documentation related to the same at least three (3) Business Days before their adoption or approval for the Company's reasonable review and comment.

(d) Parent Options. As of immediately prior to the First Effective Time, each Parent Option that is then outstanding but not then vested or exercisable shall become immediately vested (with all performance conditions associated with such Parent Options, if any, deemed satisfied in full) and exercisable in full. At the First Effective Time, each In the Money Parent Option that is then outstanding shall be canceled and the holder thereof shall be entitled to receive (i) an amount in cash without interest, less any applicable tax withholding, equal to the product obtained by multiplying (A) the excess of the Parent Closing Price over the exercise price per share of the Parent Common Stock underlying such Parent Option by (B) the number of shares of the Parent Common Stock underlying such Parent Option (such amount, the "**Parent Stock Option Cash Consideration**"). Parent shall cause the Surviving Entity to pay the Parent Stock Option Cash Consideration, less applicable withholdings, at or within ten (10) Business Days after the First Effective Time. At the First Effective Time, each Out of the Money Parent Option shall be cancelled for no consideration. Prior to the Closing, the Parent Board shall have adopted appropriate resolutions and taken all other actions necessary and appropriate to provide for the foregoing.

(e) Parent Restricted Stock Awards. As of immediately prior to the First Effective Time, the Parent Board shall have adopted appropriate resolutions and taken all other actions necessary and appropriate to provide that the vesting of each outstanding and unvested Parent Restricted Stock Award shall be accelerated in full effective as of immediately prior to the First Effective Time, contingent on the occurrence of the Closing. Notwithstanding anything herein to the contrary, the tax withholding obligations for each holder receiving shares of Parent Common Stock in accordance with the preceding sentence shall be satisfied by Parent withholding from issuance that number of shares of Parent Common Stock calculated by multiplying the legally-required withholding rate for such holder in connection with such issuance by the number of shares of Parent Common Stock to be issued in accordance with the preceding sentence, and rounding up to the nearest whole share and remitting such withholding in cash to the appropriate taxing authorities. Prior to the Closing, the Parent Board shall have adopted appropriate resolutions and taken all other actions necessary and appropriate to provide for the foregoing.

#### 6.7 Indemnification of Officers and Directors.

(a) From the First Effective Time through the sixth anniversary of the date on which the First Effective Time occurs, each of Parent and the Surviving Entity shall indemnify and hold harmless each person who is now, or has been at any time prior to the date hereof, or who becomes prior to the First Effective Time, a director or officer of Parent or the Company, respectively (the "**D&O Indemnified Parties**"), against all claims, losses, liabilities, damages, judgments, fines and reasonable fees, costs and expenses, including attorneys' fees and disbursements (collectively, "**Costs**"), incurred in connection with any claim, action, suit, proceeding or investigation, whether civil, criminal, administrative or investigative, arising out of or pertaining to the fact that the D&O Indemnified Party is or was a director or officer of Parent or of the Company, whether asserted or claimed prior to, at or after the First Effective Time, in each case, to the fullest extent permitted under the DGCL or the MBCA, as applicable. Each D&O Indemnified Party will be entitled to advancement of expenses incurred in the defense of any such claim, action, suit, proceeding or investigation from each of Parent and the Surviving Entity, jointly and severally, upon receipt by Parent or the Surviving Entity from the D&O Indemnified Party of a request therefor; provided that any such person to whom expenses are advanced provides an undertaking to Parent, to the

extent then required by the DGCL or the MBCA, as applicable, to repay such advances if it is ultimately determined that such person is not entitled to indemnification. Without otherwise limiting the D&O Indemnified Parties' rights with regards to counsel, following the First Effective Time, the D&O Indemnified Parties shall be entitled to continue to retain Ropes & Gray LLP or such other counsel selected by the D&O Indemnified Parties.

(b) The Organizational Documents of the Surviving Entity shall contain, and Parent shall cause the Organizational Documents of the Surviving Entity to so contain, provisions no less favorable with respect to indemnification, advancement of expenses and exculpation of present and former directors and officers as those presently set forth in the certificate of incorporation and bylaws of Parent.

(c) From and after the First Effective Time, (i) the Surviving Entity shall fulfill and honor in all respects the obligations of the Company to its D&O Indemnified Parties as of immediately prior to the Closing pursuant to any indemnification provisions under the Company's Organizational Documents and pursuant to any indemnification agreements between the Company and such D&O Indemnified Parties, with respect to claims arising out of matters occurring at or prior to the First Effective Time and (ii) Parent shall fulfill and honor in all respects the obligations of Parent to its D&O Indemnified Parties as of immediately prior to the Closing pursuant to any indemnification provisions under Parent's Organizational Documents and pursuant to any indemnification agreements between Parent and such D&O Indemnified Parties, with respect to claims arising out of matters occurring at or prior to the First Effective Time.

(d) From and after the First Effective Time, Parent shall maintain directors' and officers' liability insurance policies, with an effective date as of the Closing Date, on commercially reasonable terms and conditions and with coverage limits customary for U.S. public companies similarly situated to Parent. In addition, Parent shall purchase at its sole expense, prior to the First Effective Time, a six (6) year prepaid "D&O tail policy" for the non-cancelable extension of the directors' and officers' liability coverage of Parent's existing directors' and officers' insurance policies for a claims reporting or discovery period of at least six (6) years from and after the First Effective Time with respect to any claim related to any period of time at or prior to the First Effective Time with terms, conditions, retentions and limits of liability that are no less favorable than the coverage provided under Parent's existing policies as of the date of this Agreement, or otherwise acceptable to Parent, except that Parent will not commit or spend on such "D&O Tail policy" annual premiums in excess of 250% of the annual premiums paid by Parent in its last full fiscal year prior to the date hereof for Parent's current policies of directors' and officers' liability insurance and fiduciary liability insurance (nor, for the avoidance of doubt, shall Parent be obligated to spend any specific amount), and if such premiums for such "D&O tail policy" would exceed 250% of such annual premium, then Parent shall purchase policies that provide the maximum coverage available at an annual premium equal to 250% of such annual premium. The Company shall in good faith cooperate with Parent prior to the First Effective Time with respect to the procurement of such "D&O tail policy."

(e) From and after the First Effective Time, Parent shall pay all expenses, including reasonable attorneys' fees, that are incurred by the persons referred to in this [Section 6.7](#) in connection with their enforcement of the rights provided to such persons in this [Section 6.7](#).

(f) The provisions of this [Section 6.7](#) are intended to be in addition to the rights otherwise available to the current and former officers and directors of Parent and the Company by Law, charter, statute, bylaw or agreement, and shall operate for the benefit of, and shall be enforceable by, each of the D&O Indemnified Parties, their heirs and their Representatives.

(g) In the event Parent or the Surviving Entity or any of their respective successors or assigns (i) consolidates with or merges into any other Person and shall not be the continuing or surviving corporation or entity of such consolidation or merger or (ii) transfers all or substantially all of its properties and assets to any Person, then, and in each such case, proper provision shall be made so that the successors and assigns of Parent or the Surviving Entity, as the case may be, shall succeed to the obligations set forth in this [Section 6.7](#). Parent shall cause the Surviving Entity to perform all of the obligations of the Surviving Entity under this [Section 6.7](#).

6.8 Disclosure. The Parties shall use their commercially reasonable efforts to agree to the text of any initial press release and Parent's Form 8-K announcing the execution and delivery of this Agreement. Without limiting any Party's obligations under the Confidentiality Agreement, no Party shall, and no Party shall permit any of its Subsidiaries or any of its Representative to, issue any press release or make any public disclosure regarding the Contemplated Transactions unless: (a) the other Party shall have approved such press release or disclosure in writing, such approval not to be unreasonably conditioned, withheld or delayed; or (b) such Party shall have determined in good faith, upon the advice of outside legal counsel, that such disclosure is required by applicable Law and, to the extent practicable, before such press release or disclosure is issued or made, such Party advises the other Party of, and consults with the other Party regarding, the text of such press release or disclosure; provided, however, that each of the Company and Parent may make any public statement in response to specific questions by the press, analysts, investors or those attending industry conferences or financial analyst conference calls, so long as any such statements are consistent with previous press releases, public disclosures or public statements made by the Company or Parent in compliance with this Section 6.8. Notwithstanding the foregoing, a Party need not consult with any other Parties in connection with such portion of any press release, public statement or filing to be issued or made pursuant to Section 6.2(d), or pursuant to Section 6.3(e).

6.9 Listing. At or prior to the First Effective Time, Parent shall use its commercially reasonable efforts to (a) maintain its listing on Nasdaq until the First Effective Time and to obtain approval of the listing of the combined corporation on Nasdaq, (b) to the extent required by the rules and regulations of Nasdaq, prepare and submit to Nasdaq a notification form for the listing of the shares of Parent Common Stock to be issued in connection with the Contemplated Transactions, and to cause such shares to be approved for listing (subject to official notice of issuance); (c) prepare and timely submit to Nasdaq a notification form for the Nasdaq Reverse Split (if required) and to submit a copy of the amendment to Parent's articles of organization effecting the Nasdaq Reverse Split, certified by the Secretary of the Commonwealth of Massachusetts, to Nasdaq on the Closing Date; and (d) to the extent required by Nasdaq Marketplace Rule 5110, assist the Company in preparing and filing an initial listing application for the Parent Capital Stock on Nasdaq (including any Parent Common Stock issuable upon conversion thereof) (the "**Nasdaq Listing Application**") and to cause such Nasdaq Listing Application to be conditionally approved prior to the First Effective Time. Each Party will reasonably promptly inform the other Party of all verbal or written communications between Nasdaq and such Party or its Representatives. The Parties will use commercially reasonable efforts to coordinate with respect to compliance with Nasdaq rules and regulations. The Party not filing the Nasdaq Listing Application will cooperate with the other Party as reasonably requested by such filing Party with respect to the Nasdaq Listing Application and promptly furnish to such filing Party all information concerning itself and its members that may be required or reasonably requested in connection with any action contemplated by this Section 6.9. The Company and Parent shall each pay 50% of Nasdaq fees associated with any action contemplated by this Section 6.9, including any fees related to the engagement of a consultant (the "**Nasdaq Fees**").

6.10 Tax Matters.

(a) The Parties shall use reasonable best efforts (and each shall cause its Affiliates) to cause the Merger to qualify for the Intended Tax Treatment. No Party shall take any actions, or fail to take any action, which action or failure to act would reasonably be expected to prevent or impede the Intended Tax Treatment. The Parties shall report the Contemplated Transactions for all applicable Tax

purposes in a manner that is consistent with the Intended Tax Treatment. No Party shall take any position that is inconsistent with the Intended Tax Treatment during the course of any audit, litigation or other proceeding with respect to Taxes, in each case, unless otherwise required by a determination within the meaning of Section 1313(a) of the Code. The Parties shall comply with the recordkeeping and information reporting requirements imposed on them to support the Intended Tax Treatment, including, but not limited to, those set forth in Treasury Regulation Section 1.368-3.

(b) Parent shall promptly notify the Company if, at any time before the First Effective Time, Parent becomes aware of any fact or circumstance that could reasonably be expected to prevent, cause a failure of, or impede the Intended Tax Treatment. The Company shall promptly notify Parent if, at any time before the First Effective Time, the Company becomes aware of any fact or circumstance that could reasonably be expected to prevent, cause a failure of, or impede the Intended Tax Treatment.

(c) If the SEC requires that an opinion with respect to the Intended Tax Treatment be prepared and submitted in connection with the Registration Statement and Proxy Statement, (i) the Company shall use its reasonable best efforts to cause Gibson, Dunn and Crutcher LLP (or such other nationally recognized law or accounting firm reasonably satisfactory to the Company) to furnish an opinion (as so required and subject to customary assumptions and limitations), (ii) Parent shall use its reasonable best efforts to cause Ropes & Gray LLP (or such other nationally recognized law or accounting firm reasonably satisfactory to Parent) to furnish an opinion (as so required and subject to customary assumptions and limitations), and (iii) Parent and the Company shall each deliver to each of Gibson, Dunn and Crutcher LLP (or such other nationally recognized law or accounting firm reasonably satisfactory to the Company) and Ropes & Gray LLP (or such other nationally recognized law or accounting firm reasonably satisfactory to Parent) a Tax certificate, dated as of the date the Registration Statement and Proxy Statement shall have been declared effective by the SEC and signed by an officer of Parent or the Company, as applicable, containing customary representations and covenants reasonably acceptable to the Company and Parent, as applicable, in each case, as reasonably necessary and appropriate to enable such advisors to render such opinions (the "**Tax Certificates**"). Each of Parent and the Company shall use its reasonable best efforts not to take or cause to be taken any action that would cause to be untrue (or fail to take or cause not to be taken any action which would cause to be untrue) any of the Tax certifications, covenants or representations included in the Tax Certificates.

(d) Parent and the Company shall reasonably cooperate in the preparation, execution and filing of all Tax Returns, questionnaires, applications or other documents regarding any real property transfer, sales, use, transfer, value added, stock transfer and stamp taxes, and transfer, recording, registration and other fees and similar Taxes which become payable in connection with the Merger that are required or permitted to be filed on or before the First Effective Time. Each of Parent and the Company shall pay, without deduction from any consideration or other amounts payable or otherwise deliverable pursuant to this Agreement and without reimbursement from the other party, any such Taxes or fees imposed on it by any Governmental Authority, which becomes payable in connection with the Merger.

6.11 Legends. Parent shall be entitled to place appropriate legends on the book entries and/or certificates evidencing any shares of Parent Capital Stock to be received in the Merger by equityholders of the Company who may be considered "affiliates" of Parent for purposes of Rules 144 and 145 under the Securities Act reflecting the restrictions set forth in Rules 144 and 145 and to issue appropriate stop transfer instructions to the transfer agent for any such shares of Parent Capital Stock.

6.12 Officers and Directors. Until successors are duly elected or appointed and qualified in accordance with applicable Law, the Parties shall take all necessary action so that the Persons listed on Section 6.12 of the Company Disclosure Letter are elected or appointed, as applicable, to the positions of officers or directors of Parent and the Surviving Entity, as set forth therein, to serve in such positions effective as of the Second Effective Time. If any Person listed on Section 6.12 of the Company Disclosure Letter is unable or unwilling to serve as officer or director of Parent or the Surviving Entity, as set forth therein, the Company shall designate a successor. Notwithstanding the foregoing, at any time prior to the Second Effective Time, the Company shall have a right to amend Section 6.12 of the Company Disclosure Letter, with respect to officers and directors of Parent and Surviving Entity, in its sole discretion. The Company shall use reasonable best efforts to cause each of the Persons that will serve as directors and officers of the Parent following the Closing to execute and deliver a Lock-Up Agreement prior to Closing.

6.13 Termination of Certain Agreements and Rights. Each of Parent and the Company shall cause any stockholder agreements, voting agreements, registration rights agreements, co-sale agreements and any other similar Contracts between either Parent or the Company and any holders of Parent Common Stock or Company Capital Stock, respectively (collectively, the "**Investor Agreements**"), including any such Contract granting any Person investor rights, rights of first refusal, registration rights or director registration rights, to be terminated immediately prior to the First Effective Time, without any liability being imposed on the part of Parent or the Surviving Entity.

6.14 Section 16 Matters. Prior to the First Effective Time, Parent shall take all such steps as may be required to cause any acquisitions of Parent Common Stock and any options to purchase Parent Common Stock in connection with the Contemplated Transactions, by each individual who is reasonably expected to become subject to the reporting requirements of Section 16(a) of the Exchange Act with respect to Parent, to be exempt under Rule 16b-3 promulgated under the Exchange Act.

6.15 Allocation Information. The Company will prepare and deliver to Parent prior to the Closing a spreadsheet setting forth (as of immediately prior to the First Effective Time) (a) each holder of (i) Company Capital Stock, (ii) Company Options, (iii) Company RSUs, and (iv) Company Warrants, (b) such holder's name and address, (c) with respect to holders of Company Capital Stock, the number or percentage and type of Company Capital Stock held as of the Closing Date for each such holder and (d) the number of shares of Parent Capital Stock, Assumed Options, Assumed RSU Awards, and Assumed Warrants to be issued to such holder pursuant to this Agreement in respect of the Company Capital Stock, Company Options, Company RSUs and Company Warrants held by such holder as of immediately prior to the First Effective Time (the "**Allocation Certificate**").

6.16 Parent SEC Documents. From the date of this Agreement to the First Effective Time, Parent shall use commercially reasonable efforts to timely file with the SEC all registration statements, proxy statements, Certifications, reports, schedules, exhibits, forms and other documents required to be filed by Parent with the SEC under the Exchange Act or the Securities Act ("**SEC Documents**"). As of its filing date, or if amended after the date of this Agreement, as of the date of the last such amendment, each SEC Document filed by Parent with the SEC (a) shall comply in all material respects with the applicable requirements of the Exchange Act and the Securities Act, and (b) shall not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading.

6.17 Obligations of Merger Subs. Parent will take all action necessary to cause each Merger Sub to perform its obligations under this Agreement and to consummate the Merger on the terms and conditions set forth in this Agreement.

6.18 Parent Pre-Closing Dividend. If Parent declares the Parent Pre-Closing Dividend, then, prior to the First Effective Time, Parent shall deposit the Parent Pre-Closing Dividend Amount with Parent's transfer agent for further distribution to the holders of the shares of Parent Common Stock and to the holders of the shares of Parent Preferred Stock, in each case, outstanding as of the record date of the Parent Pre-Closing Dividend.

6.19 Company Pre-Closing Financing. In the event the structure of the Company Pre-Closing Financing either violates applicable Law or prevents or materially delays Parent from causing the Registration Statement to become effective in a timely manner, and in any event sixty (60) days prior to the End Date, then Parent and the Company shall, and shall use their reasonable best efforts to cause the investors in the Company Pre-Closing Financing, to cause the Company Pre-Closing Financing to be amended, modified and/or restructured such that such investment occurs as a direct acquisition of shares of Parent Capital Stock substantially contemporaneously with the Closing in a manner which preserves to the extent possible, the amount of funds ultimately received by Parent and its Subsidiaries, and the number of Parent shares ultimately held by the investor in respect of such amounts as though the Company Pre-Closing Financing has been consummated by its terms. In the event that all conditions in the Subscription Agreements have been satisfied, the Company shall use its reasonable best efforts to take, or to cause to be taken, all actions required, necessary or that it otherwise deems to be proper or advisable to consummate the transactions contemplated by the Subscription Agreements on the terms described therein, including using its reasonable best efforts to enforce its rights under the Subscription Agreements to cause such investors to pay to (or as directed by) the Company the applicable purchase price under each such investor's applicable Subscription Agreement in accordance with its terms.

6.20 Termination of Certain Agreements. Promptly following the date hereof, Parent will take all action necessary to terminate each of those agreements listed on Section 6.20 of the Parent Disclosure Letter.

Section 7. Conditions Precedent to Obligations of Each Party.

The Company Capitalization Representations shall have been true and correct in all respects as of the date of this Agreement and shall be true and correct on and as of the Closing Date with the same force and effect as if made on and as of such date, except, in each case, (x) for such inaccuracies which are de minimis, individually or in the aggregate, (y) for those representations and warranties which address matters only as of a particular date (which representations and warranties shall have been true and correct, subject to the qualifications as set forth in the preceding clause (x), as of such particular date). The representations and warranties of the Company contained in this Agreement (other than the Company Fundamental Representations and the Company Capitalization Representations) shall have been true and correct as of the date of this Agreement and shall be true and correct on and as of the Closing Date with the same force and effect as if made on the Closing Date except (a) in each case, or in the aggregate, where the failure to be so true and correct would not reasonably be expected to have a Company Material Adverse Effect (without giving effect to any references therein to any Company Material Adverse Effect or other materiality qualifications) or (b) for those representations and warranties which address matters only as of a particular date (which representations shall have been true and correct, subject to the qualifications as set forth in the preceding clause (a), as of such particular date) (it being understood that, for purposes of determining the accuracy of such representations and warranties, any update of or modification to the Company Disclosure Letter made or purported to have been made after the date of this Agreement shall be disregarded).

8.2 Performance of Covenants. The Company shall have performed or complied with in all material respects all agreements and covenants required to be performed or complied with by it under this Agreement at or prior to the First Effective Time.

8.3 Documents. Parent shall have received the following documents, each of which shall be in full force and effect:

8.6 Company Pre-Closing Financing. Section 9. Additional Conditions Precedent to Obligation of the Company.

The obligations of the Company to effect the Merger and otherwise consummate the transactions to be consummated at the Closing are subject to the satisfaction or the written waiver by the Company, at or prior to the Closing, of each of the following conditions:

9.1 Accuracy of Representations. The Parent Fundamental Representations shall have been true and correct in all material respects as of the date of this Agreement and shall be true and correct on and as of the Closing Date with the same force and effect as if made on and as of such date (except to the extent such representations and warranties are specifically made as of a particular date, in which case such representations and warranties shall be true and correct as of such date). The Parent Capitalization Representations shall have been true and correct in all respects as of the date of this Agreement and shall be true and correct on and as of the Closing Date with the same force and effect as if made on and as of such date, except, in each case, (x) for such inaccuracies which are de minimis, individually or in the aggregate, (y) for those representations and warranties which address matters only as of a particular date (which representations and warranties shall have been true and correct, subject to the qualifications as set forth in the preceding clause (x), as of such particular date). The representations and warranties of Parent and Merger Subs contained in this Agreement (other than the Parent Fundamental Representations and the Parent Capitalization Representations) shall have been true and correct as of the date of this Agreement and shall be true and correct on and as of the Closing Date with the same force and effect as if made on the Closing Date except (a) in each case, or in the aggregate, where the failure to be so true and correct would not reasonably be expected to have a Parent Material Adverse Effect (without giving effect to any references therein to any Parent Material Adverse Effect or other materiality qualifications) or (b) for those representations and warranties which address matters only as of a particular date (which representations shall have been true and correct, subject to the qualifications as set forth in the preceding clause (a), as of such particular date) (it being understood that, for purposes of determining the accuracy of such representations and warranties, any update of or modification to the Parent Disclosure Letter made or purported to have been made after the date of this Agreement shall be disregarded).

9.2 Performance of Covenants. Parent and Merger Subs shall have performed or complied with in all material respects all of their agreements and covenants required to be performed or complied with by each of them under this Agreement at or prior to the First Effective Time.

9.3 Documents. The Company shall have received the following documents, each of which shall be in full force and effect:

9.7 Termination of Agreements. Parent shall have terminated each of those agreements listed on Section 6.20 of the Parent Disclosure Letter.

#### Section 10. Termination.

10.1 Termination. This Agreement may be terminated prior to the First Effective Time (whether before or after adoption of this Agreement by the Company's stockholders and whether before or after approval of the Parent Shareholder Matters by Parent's shareholders, unless otherwise specified below):

(a) by mutual written consent of Parent and the Company;

(b) by either Parent or the Company if the Merger shall not have been consummated by October 1, 2026 (subject to possible extension as provided in this Section 10.1(b), the "**End Date**"; provided, however, that the right to terminate this Agreement under this Section 10.1(b) shall not be available to the Company or Parent if such Party's (or in the case of Parent, Merger Subs') action or failure to act has been a principal cause of the failure of the Merger to occur on or before the End Date and such action or failure to act constitutes a breach of this Agreement; provided further, however, that, in the event that (i) the SEC has not declared effective under the Securities Act the Registration Statement or (ii) the waiting periods (and extensions thereof) applicable to the Merger under the HSR Act have not expired or otherwise been terminated by the date which is ninety (90) days prior to the End Date, then either the Company or Parent shall be entitled to extend the End Date for an additional ninety (90) days by notice to the other Party;

(c) by either Parent or the Company if a court of competent jurisdiction or other Governmental Authority shall have issued a final and nonappealable Order having the effect of permanently restraining, enjoining or otherwise prohibiting the Contemplated Transactions;

(d) by Parent if the Required Company Stockholder Vote shall not have been obtained within two (2) Business Days of the Registration Statement becoming effective in accordance with the provisions of the Securities Act; provided, however, that if the Registration Statement becomes effective during or immediately prior to the beginning of Company Stockholder Consent Review Period, the two (2) Business Day period set forth herein shall be tolled until the end of the Company Stockholder Consent Review Period; provided further, however, that once the Required Company Stockholder Vote has been obtained (whether timely or not), Parent may not terminate this Agreement pursuant to this Section 10.1(d);

(e) by either Parent or the Company if (i) the Parent Shareholder Meeting (including any adjournments and postponements thereof) shall have been held and completed and Parent's shareholders shall have taken a final vote on the Parent Shareholder Matters and (ii) the Parent Shareholder Matters shall not have been approved at the Parent Shareholder Meeting (or at any adjournment or postponement thereof) by the Required Parent Shareholder Vote; provided, however, that the right to terminate this Agreement under this Section 10.1(e) shall not be available to Parent where the failure to obtain the Required Parent Shareholder Vote shall have been caused by the action or failure to act of Parent and such action or failure to act constitutes a material breach by Parent of this Agreement;

(f) by the Company (at any time prior to the approval of the Parent Shareholder Matters by the Required Parent Shareholder Vote) if a Parent Triggering Event shall have occurred;

(g) by Parent (at any time prior to the adoption of this Agreement and the approval of the Contemplated Transactions by the Required Company Stockholder Vote) if a Company Triggering Event shall have occurred;

(h) by the Company, if a Delisting Event occurs;

(i) by the Company, upon a breach of any representation, warranty, covenant or agreement set forth in this Agreement by Parent or Merger Subs or if any representation or warranty of Parent or Merger Subs shall have become inaccurate, in either case, such that the conditions set forth in Section 9.1 or Section 9.2 would not be satisfied as of the time of such breach or as of the time such representation or warranty shall have become inaccurate; provided that the Company is not then in material breach of any representation, warranty, covenant or agreement under this Agreement; provided, further, that if such inaccuracy in Parent's or Merger Subs' representations and warranties or breach by Parent or Merger Subs is curable by Parent or Merger Subs, then the Company shall not be permitted to terminate this Agreement pursuant to this Section 10.1(i) as a result of such particular breach or inaccuracy until the earlier of (A) the expiration of a thirty (30) day period commencing upon delivery of written notice from the Company to Parent or Merger Subs of such breach or inaccuracy and its intention to terminate pursuant to this Section 10.1(i) and (B) Parent or Merger Subs (as applicable) ceasing to exercise commercially reasonable efforts to cure such breach following delivery of written notice from the Company to Parent or Merger Subs of such breach or inaccuracy and its intention to terminate pursuant to this Section 10.1(i) (it being understood that the Company shall not be permitted to terminate this Agreement pursuant to this Section 10.1(i) as a result of such particular breach or inaccuracy if such breach by Parent or Merger Subs is cured prior to such termination becoming effective);

(j) by Parent, upon a breach of any representation, warranty, covenant or agreement set forth in this Agreement by the Company or if any representation or warranty of the Company shall have become inaccurate, in either case, such that the conditions set forth in Section 8.1 or Section 8.2 would not be satisfied as of the time of such breach or as of the time such representation or warranty shall have become inaccurate; provided that Parent is not then in material breach of any representation, warranty, covenant or agreement under this Agreement; provided, further, that if such inaccuracy in the Company's representations and warranties or breach by the Company is curable by the Company then Parent shall not be permitted to terminate this Agreement pursuant to this Section 10.1(j) as a result of such particular breach or inaccuracy until the earlier of (i) the expiration of a thirty (30) day period commencing upon delivery of

written notice from Parent to the Company of such breach or inaccuracy and its intention to terminate pursuant to this [Section 10.1\(j\)](#) and (ii) the Company ceasing to exercise commercially reasonable efforts to cure such breach following delivery of written notice from Parent to the Company of such breach or inaccuracy and its intention to terminate pursuant to this [Section 10.1\(j\)](#) (it being understood that Parent shall not be permitted to terminate this Agreement pursuant to this [Section 10.1\(j\)](#)) as a result of such particular breach or inaccuracy if such breach by the Company is cured prior to such termination becoming effective); or

(k) by Parent (at any time prior to the approval of the Parent Shareholder Matters by the Required Parent Shareholder Vote) and following compliance with all of the requirements set forth in the proviso to this [Section 10.1\(k\)](#), upon the Parent Board authorizing Parent to enter into a Permitted Alternative Agreement; provided, however, that Parent shall not enter into any Permitted Alternative Agreement unless: (i) Parent shall have complied in all material respects with its obligations under [Section 5.4](#) and [Section 6.3](#), (ii) the Parent Board shall have determined in good faith, after consultation with its outside legal counsel, that the failure to enter into such Permitted Alternative Agreement would reasonably be expected to be inconsistent with its fiduciary obligations under applicable Law and (iii) Parent shall concurrently pay to the Company the Company Termination Fee in accordance with [Section 10.3\(b\)](#).

The Party desiring to terminate this Agreement pursuant to this [Section 10.1](#) (other than pursuant to [Section 10.1\(a\)](#)) shall give a notice of such termination to the other Party specifying the provisions hereof pursuant to which such termination is made and the basis therefor described in reasonable detail.

**10.2 Effect of Termination.** In the event of the termination of this Agreement as provided in [Section 10.1](#), this Agreement shall be of no further force or effect; provided, however, that (a) this [Section 10.2](#), [Section 10.3](#) and [Section 11](#) (other than [Section 11.8](#)) and the related definitions of the defined terms in such sections shall survive the termination of this Agreement and shall remain in full force and effect and (b) the termination of this Agreement and the provisions of [Section 10.3](#) shall not relieve any Party of any liability for fraud or for any willful and material breach of any representation, warranty, covenant, obligation or other provision contained in this Agreement.

#### 10.3 Expenses; Termination Fees.

(a) Except as set forth in this [Section 10.3](#) and [Section 6.9](#), all fees and expenses incurred in connection with this Agreement and the Contemplated Transactions shall be paid by the Party incurring such expenses, whether or not the Merger is consummated; it being clarified that the Company and Parent shall each pay 50% of (i) the fees paid in connection with filing the Registration Statement and any amendments and supplements thereto, and (ii) the fees and expenses in connection with the printing, mailing and distribution of the Proxy Statement and any amendments and supplements.

(b) If (i) this Agreement is terminated by Parent or the Company pursuant to [Section 10.1\(e\)](#) or by the Company pursuant to [Section 10.1\(f\)](#), (ii) at any time after the date of this Agreement and prior to the Parent Shareholder Meeting, a bona fide third party Acquisition Proposal for a change of control transaction with respect to Parent shall have been publicly announced, disclosed or otherwise communicated to the Parent Board (and shall not have been publicly withdrawn) and (iii) within twelve (12) months after the date of such termination, Parent enters into a definitive agreement with respect to a Subsequent Transaction or consummates a Subsequent Transaction (excluding in each case any transactions occurring in connection with the liquidation, dissolution and winding up of Parent), then Parent shall pay to the Company, within ten (10) Business Days after termination (or, if applicable, upon such entry into a definitive agreement or consummation of a Subsequent Transaction), a nonrefundable fee in an amount equal to \$235,000 (the "**Company Termination Fee**").

(c) If (i) this Agreement is terminated by Parent pursuant to Section 10.1(d) or to Section 10.1(g), (ii) at any time after the date of this Agreement and before obtaining the Required Company Stockholder Vote, an Acquisition Proposal with respect to the Company shall have been publicly announced, disclosed or otherwise communicated to the Company Board (and shall not have been publicly withdrawn) and (iii) within twelve (12) months after the date of such termination, the Company enters into a definitive agreement with respect to a Subsequent Transaction or consummates a Subsequent Transaction, then the Company shall pay to Parent, within ten (10) Business Days after termination (or, if applicable, upon such entry into a definitive agreement or consummation of a Subsequent Transaction, a nonrefundable fee in an amount equal to \$10,736,000 (the "**Parent Termination Fee**").

(d) If either Party fails to pay when due any amount payable by it under this Section 10.3, then (i) such Party shall reimburse the other Party for reasonable costs and expenses (including reasonable fees and disbursements of counsel) incurred in connection with the collection of such overdue amount and the enforcement by the other Party of its rights under this Section 10.3 and (ii) such Party shall pay to the other Party interest on such overdue amount (for the period commencing as of the date such overdue amount was originally required to be paid and ending on the date such overdue amount is actually paid to the other Party in full) at a rate per annum equal to the "prime rate" (as announced by Bank of America or any successor thereto) in effect on the date such overdue amount was originally required to be paid plus three percent.

(e) The Parties agree that, subject to Section 10.2, the payment of the fees and expenses set forth in this Section 10.3 shall be the sole and exclusive remedy of each Party following a termination of this Agreement under the circumstances described in this Section 10.3, it being understood that in no event shall either Parent or the Company be required to pay the individual fees or damages payable pursuant to this Section 10.3 on more than one occasion. Subject to Section 10.2, following the payment of the fees and expenses set forth in this Section 10.3 by a Party, (i) such Party shall have no further liability to the other Party in connection with or arising out of this Agreement or the termination thereof, any breach of this Agreement by the other Party giving rise to such termination, or the failure of the Contemplated Transactions to be consummated, (ii) no other Party or their respective Affiliates shall be entitled to bring or maintain any other claim, action or proceeding against such Party or seek to obtain any recovery, judgment or damages of any kind against such Party (or any partner, member, stockholder, director, officer, employee, Subsidiary, Affiliate, agent or other Representative of such Party) in connection with or arising out of this Agreement or the termination thereof, any breach by such Party giving rise to such termination or the failure of the Contemplated Transactions to be consummated and (iii) all other Parties and their respective Affiliates shall be precluded from any other remedy against such Party and its Affiliates, at law or in equity or otherwise, in connection with or arising out of this Agreement or the termination thereof, any breach by such Party giving rise to such termination or the failure of the Contemplated Transactions to be consummated. Each of the Parties acknowledges that (x) the agreements contained in this Section 10.3 are an integral part of the Contemplated Transactions, (y) without these agreements, the Parties would not enter into this Agreement and (z) any amount payable pursuant to this Section 10.3 is not a penalty, but rather is liquidated damages in a reasonable amount that will compensate the Parties in the circumstances in which such amount is payable; provided, however, that nothing in this Section 10.3(g) shall limit the rights of the Parties under Section 11.10.

#### Section 11. Miscellaneous Provisions.

11.1 Non-Survival of Representations and Warranties. The representations and warranties of the Company, Parent and Merger Subs contained in this Agreement or any certificate or instrument delivered pursuant to this Agreement shall terminate at the First Effective Time, and only the covenants that by their terms survive the First Effective Time and this Section 11 shall survive the First Effective Time.

11.2 Amendment. This Agreement may be amended with the approval of the respective boards of directors of the Company, Merger Subs and Parent at any time (whether before or after the adoption and approval of this Agreement by the Company's stockholders or before or after obtaining the Required Parent Shareholder Vote); provided, however, that after any such approval of this Agreement by a Party's stockholders, no amendment shall be made which by Law requires further approval of such stockholders without the further approval of such stockholders. This Agreement may not be amended except by an instrument in writing signed on behalf of each of the Company, Merger Subs and Parent.

11.3 Waiver.

(a) Any provision hereof may be waived by the waiving Party solely on such Party's own behalf, without the consent of any other Party. No failure on the part of any Party to exercise any power, right, privilege or remedy under this Agreement, and no delay on the part of any Party in exercising any power, right, privilege or remedy under this Agreement, shall operate as a waiver of such power, right, privilege or remedy; and no single or partial exercise of any such power, right, privilege or remedy shall preclude any other or further exercise thereof or of any other power, right, privilege or remedy.

(b) No Party shall be deemed to have waived any claim arising out of this Agreement, or any power, right, privilege or remedy under this Agreement, unless the waiver of such claim, power, right, privilege or remedy is expressly set forth in a written instrument duly executed and delivered on behalf of such Party and any such waiver shall not be applicable or have any effect except in the specific instance in which it is given.

11.4 Entire Agreement; Counterparts; Exchanges by Electronic Transmission. This Agreement and the other schedules, exhibits, certificates, instruments and agreements referred to in this Agreement constitute the entire agreement and supersede all prior agreements and understandings, both written and oral, among or between any of the Parties with respect to the subject matter hereof and thereof; provided, however, that the Confidentiality Agreement shall not be superseded and shall remain in full force and effect in accordance with its terms; provided, further, that only Exhibit D-1 (including Exhibit A to such Exhibit) and Exhibit D-2 are incorporated by reference and made a part hereof for purposes of Section 251 of the DGCL. This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same instrument. The exchange of a fully executed Agreement (in counterparts or otherwise) by all Parties by electronic transmission in PDF format shall be sufficient to bind the Parties to the terms and conditions of this Agreement.

11.5 Applicable Law; Jurisdiction; WAIVER OF RIGHT TO TRIAL BY JURY. This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, regardless of the laws that might otherwise govern under applicable principles of conflicts of laws, except to the extent the provisions of the Laws of the Commonwealth of Massachusetts are mandatorily applicable to the fiduciary duties of the board of directors or officers of Parent; provided, that the provisions of this Agreement related to the filing of the Parent Articles of Amendment with the office of the Secretary of the Commonwealth of Massachusetts which by their nature are governed by the Laws of the Commonwealth of Massachusetts shall be governed and construed in accordance with the Laws of the Commonwealth of Massachusetts. In any action or proceeding between any of the Parties arising out of or relating to this Agreement or any of the Contemplated Transactions, each of the Parties: (a) irrevocably and unconditionally consents and submits to the exclusive jurisdiction and venue of the Court of Chancery of the State of Delaware or, to the extent such court does not have subject matter jurisdiction, the Superior Court of the State of Delaware or the United States District Court for the District of Delaware, (b) agrees that all claims in respect of such action or proceeding shall be heard and determined exclusively in accordance with clause (a) of this Section 11.5, (c) waives any objection to laying venue in any such action or proceeding in such courts, (d) waives any objection that such courts are an inconvenient forum or do not have jurisdiction over any Party, (e) agrees that service of process upon such Party in any such action or proceeding shall be effective if notice is given in accordance with Section 11.7 of this Agreement and (f) irrevocably and unconditionally waives the right to trial by jury.

11.6 Assignability. This Agreement shall be binding upon, and shall be enforceable by and inure solely to the benefit of, the Parties and their respective successors and permitted assigns; provided, however, that neither this Agreement nor any of a Party's rights or obligations hereunder may be assigned or delegated by such Party without the prior written consent of the other Party, and any attempted assignment or delegation of this Agreement or any of such rights or obligations by such Party without the other Party's prior written consent shall be void and of no effect.

11.7 Notices. All notices and other communications hereunder shall be in writing and shall be deemed to have been duly delivered and received hereunder (a) one (1) Business Day after being sent for next Business Day delivery, fees prepaid, via a reputable international overnight courier service, (b) upon delivery in the case of delivery by hand or (c) on the date delivered in the place of delivery if sent by email (with a written or electronic confirmation of delivery) prior to 6:00 p.m. (New York City time), otherwise on the next succeeding Business Day, in each case to the intended recipient as set forth below:

11.8 Cooperation. Each Party agrees to cooperate fully with the other Party and to execute and deliver such further documents, certificates, agreements and instruments and to take such other actions as may be reasonably requested by the other Party to evidence or reflect the Contemplated Transactions and to carry out the intent and purposes of this Agreement.

11.9 Severability. Any term or provision of this Agreement that is invalid or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions of this Agreement or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction. If a final judgment of a court of competent jurisdiction declares that any term or provision of this Agreement is invalid or unenforceable, the Parties agree that the court making such determination shall have the power to limit such term or provision, to delete specific words or phrases or to replace such term or provision with a term or provision that is valid and enforceable and that comes closest to expressing the intention of the invalid or unenforceable term or provision, and this Agreement shall be valid and enforceable as so modified. In the event such court does not exercise the power granted to it in the prior sentence, the Parties agree to replace such invalid or unenforceable term or provision with a valid and enforceable term or provision that will achieve, to the extent possible, the economic, business and other purposes of such invalid or unenforceable term or provision.

11.10 Other Remedies: Specific Performance. Except as otherwise provided herein, any and all remedies herein expressly conferred upon a Party will be deemed cumulative with and not exclusive of any other remedy conferred hereby, or by law or equity upon such Party, and the exercise by a Party of any one remedy will not preclude the exercise of any other remedy. The Parties agree that irreparable damage for which monetary damages, even if available, would not be an adequate remedy, would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms (including failing to take such actions as are required of it hereunder to consummate this Agreement) or were otherwise breached. It is accordingly agreed that the Parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof in the Court of Chancery of the State of Delaware or, to the extent such court does not have subject matter jurisdiction, the Superior Court of the State of Delaware or the United States District Court for the District of Delaware, this being in addition to any other remedy to which they are entitled at law or in equity, and each of the Parties waives any bond, surety or other security that might be required of any other Party with respect thereto. Each of the Parties further agrees that it will not oppose the granting of an injunction, specific performance or other equitable relief on the basis that any other Party has an adequate remedy at law or that any award of specific performance is not an appropriate remedy for any reason at law or in equity.

11.11 No Third-Party Beneficiaries. Nothing in this Agreement, express or implied, is intended to or shall confer upon any Person (other than the Parties and the D&O Indemnified Parties to the extent of their respective rights pursuant to [Section 6.7](#)) any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

ATTACHMENT IV  
DESCRIPTION OF SERIES B CONVERTIBLE PREFERRED STOCK

E. Designation and Amount of Series B Preferred Stock.

This series of Preferred Stock shall be designated as “Series B Non-Voting Convertible Preferred Stock” and the number of shares constituting the Corporation’s Series B Non-Voting Convertible Preferred Stock (the “*Series B Non-Voting Preferred Stock*”) shall be [ ] shares, which are being issued pursuant to the terms of the Agreement and Plan of Merger, dated as of the date hereof, by and among the Corporation, Cariboos Merger Sub Corp., a Delaware corporation and wholly owned subsidiary of the Corporation, Cariboos Merger Sub II, LLC, a Delaware limited liability company and Korsana Biosciences, Inc., a Delaware corporation (the “*Merger Agreement*”). The Series B Non-Voting Preferred Stock shall have the designations, powers, preferences and relative, participating, optional or other special rights, and the qualifications, limitations or restrictions thereof, of such shares of Preferred Stock, in addition to any provisions set forth in these Restated Articles of Organization that are applicable to the Preferred Stock of all classes and series, set forth below:

1. Definitions. For the purposes of this section, the following terms shall have the following meanings:

If the Closing Sale Price cannot be calculated for a security on a particular date on any of the foregoing bases, the Closing Sale Price of such security on such date shall be the fair market value as determined in good faith by the Board of Directors of the Corporation.

“*Common Stock*” means the Corporation’s common stock, no par value, and stock of any other class of securities into which such securities may hereafter be reclassified or changed.

2. **Designation, Amount and Par Value.** The series of Preferred Stock shall be designated as the Corporation’s Series B Non-Voting Convertible Preferred Stock (the “**Series B Non-Voting Preferred Stock**”) and the number of shares so designated shall be [ ]. Each share of Series B Non-Voting Preferred Stock shall have no par value.

3. **Dividends.** Holders shall be entitled to receive, and the Corporation shall pay, dividends on shares of the Series B Non-Voting Preferred Stock (on an as-if-converted-to-Common-Stock basis, without regard to the Beneficial Ownership Limitation (as defined below)) equal to and in the same form, and in the same manner, as dividends (other than dividends on shares of the Common Stock payable in the form of Common Stock) actually paid on shares of the Common Stock when, as and if such dividends (other than dividends payable in the form of Common Stock) are paid on shares of the Common Stock. Other than as set forth in the previous sentence, no other dividends shall be paid on shares of Series B Non-Voting Preferred Stock, and the Corporation shall pay no dividends (other than dividends payable in the form of Common Stock) on shares of the Common Stock unless it simultaneously complies with the previous sentence.

#### 4. **Voting Rights.**

4.1 Except as otherwise provided herein or as otherwise required by the the Massachusetts Business Corporation Act (M.G.L. c. 156D) (“**Mass Law**”), the Series B Non-Voting Preferred Stock shall have no voting rights. However, as long as any shares of Series B Non-Voting Preferred Stock are outstanding, the Corporation shall not, without the affirmative vote of the holders of a majority of the then outstanding shares of the Series B Non-Voting Preferred Stock: (i) alter or change adversely the powers, preferences or rights given to the Series B Non-Voting Preferred Stock or alter or amend the rights, powers, preferences and other terms of the Preferred Stock set forth herein (this “**Description of Rights**”), amend or repeal any provision of, or add any provision to, the Articles of Incorporation (including this Description of Rights) or Amended and Restated Bylaws of the Corporation, or file any articles of amendment, descriptions of rights, preferences, limitations and relative rights of any series of Preferred Stock, if such action would adversely alter or change the preferences, rights, privileges or powers of, or restrictions provided for the benefit of the Series B Non-Voting Preferred Stock, regardless of whether any of the foregoing actions shall be by means of amendment to the Articles of Incorporation or by merger, consolidation, recapitalization, reclassification, conversion or otherwise, (ii) issue further shares of Series B Non-Voting Preferred Stock or increase or decrease (other than by conversion) the number of authorized shares of Series B Non-Voting Preferred Stock, (iii) at any time while at least 30% of the originally issued Series B Non-Voting Preferred Stock remains issued and outstanding, (A) consummate (I) any Fundamental Transaction (as defined below) or (II) any merger or consolidation of the Corporation with or into another entity or any stock sale to, or other business combination in which the stockholders of the Corporation immediately before such transaction

do not hold at least a majority of the capital stock of the Corporation immediately after such transaction, (B) increase the size of the Board of Directors of the Corporation, (C) adopt, amend or repeal any written delegation of authority policy, corporate authority matrix or similar document, framework or schedule unless such adoption, amendment or repeal has been approved by the unanimous vote of the Board of Directors of the Corporation or (D) retain or replace the Corporation's registered independent public accounting firm, independent compensation consultant or corporate counsel or (iv) enter into any agreement with respect to any of the foregoing. Holders of shares of Common Stock acquired upon the conversion of shares of Series B Non-Voting Preferred Stock shall be entitled to the same voting rights as each other holder of Common Stock.

4.2 Any vote required or permitted under Section 4.1 may be taken at a meeting of the Holders or through the execution of an action by written consent in lieu of such meeting, provided that the consent is executed by Holders representing a majority of the outstanding shares of Series B Non-Voting Preferred Stock.

#### 4.3 Election of Directors.

4.3.1 At all times when at least 30% of the originally issued Series B Non-Voting Preferred Stock remains issued and outstanding, (i) the holders of record of the shares of Series B Non-Voting Preferred Stock, exclusively and voting together as a separate class on an as-converted to Common Stock basis, shall be entitled to elect four directors of the Corporation (the "**Preferred Directors**"); and (ii) the holders of record of the shares of Common Stock and of any other class or series of voting stock (including the Series B Non-Voting Preferred Stock), exclusively and voting together as a single class on an as-converted to Common Stock basis, shall be entitled to elect the balance of the total number of directors of the Corporation (the "**At-Large Directors**"); provided, however, for administrative convenience, the initial Preferred Directors may also be appointed by the Board of Directors in connection with the approval of the initial issuance of Series B Non-Voting Preferred Stock without a separate action by the holders of Series B Non-Voting Preferred Stock.

4.3.2 Any Preferred Director elected as provided in Section 4.3.1 may be removed without cause by, and only by, the affirmative vote of the holders of a majority of the shares of the Series B Non-Voting Preferred Stock, given either at a special meeting of such stockholders duly called for that purpose or pursuant to a written consent of stockholders.

4.3.3 If the holders of shares of the Series B Non-Voting Preferred Stock fail to elect a sufficient number of directors to fill all directorships for which they are entitled to elect directors pursuant to Section 4.3.1 (and to the extent any of such directorships is not otherwise filled by a director appointed in accordance with the proviso in Section 4.3.1), then any directorship not so filled shall remain vacant until such time as the holders of the Series B Non-Voting Preferred Stock fill such directorship in accordance with Section 4.3.1.

4.3.4 At any meeting held for the purpose of electing a Preferred Director, the presence in person or by proxy of the holders of a majority of the outstanding shares of the Series B Non-Voting Preferred Stock shall constitute a quorum for the purpose of electing such Preferred Director.

4.3.5 Each Preferred Director shall be entitled to [three] votes on each matter presented to the Board of Directors.

#### 5. Rank; Liquidation.

5.1 The Series B Non-Voting Preferred Stock shall rank on parity with the Common Stock, the Corporation's Series A Convertible Preferred Stock as to distributions of assets upon liquidation, dissolution or winding up of the Corporation, whether voluntarily or involuntarily.

5.2 Upon any liquidation, dissolution or winding-up of the Corporation, whether voluntary or involuntary (a "**Liquidation**"), each Holder shall be entitled to receive out of the assets, whether capital or surplus, of the Corporation the same amount that a holder of Common Stock would receive if the Series B Non-Voting Preferred Stock were fully converted (disregarding for such purpose any Beneficial Ownership Limitations) to Common Stock which amounts shall be paid *pari passu* with all holders of Common Stock, plus an additional amount equal to any dividends declared on but unpaid to such shares. If, upon any such Liquidation, the assets of the Corporation shall be insufficient to pay the Holders of shares of the Series B Non-Voting Preferred Stock the amount required under the preceding sentence, then all remaining assets of the Corporation shall be distributed ratably to the Holders and the holders of Common Stock in accordance with the respective amounts that would be payable on all such securities if all amounts payable thereon were paid in full. For the avoidance of any doubt, a Fundamental Transaction shall not be deemed a Liquidation unless the Corporation expressly declares that such Fundamental Transaction shall be treated as if it were a Liquidation.

## 6. Conversion

### 6.1 Reserved

6.2 Conversion at Option of Holder. Subject to Section 6.4 and Section 6.5.3, each share of Series B Non-Voting Preferred Stock then outstanding shall be convertible, at any time and from time to time, at the option of the Holder thereof, into a number of shares of Common Stock equal to the Conversion Ratio, subject to the Beneficial Ownership Limitation (each, an "**Optional Conversion**"). Holders shall effect conversions by providing the Corporation with the form of conversion notice attached hereto as **Annex A** (a "**Notice of Conversion**"), duly completed and executed. Provided the Corporation's transfer agent is participating in the Depository Trust Company ("**DTC**") Fast Automated Securities Transfer program, the Notice of Conversion may specify, at the Holder's election, whether the applicable Conversion Shares shall be credited to the account of the Holder's prime broker with DTC through its Deposit Withdrawal Agent Commission system (a "**DWAC Delivery**"). The date on which an Optional Conversion shall be deemed effective (the "**Conversion Date**") shall be the Trading Day that the Notice of Conversion, completed and executed, is sent via email to, and received during regular business hours by, the Corporation; provided, that the original certificate(s) (if any) representing such shares of Series B Non-Voting Preferred Stock being converted, duly endorsed, and the accompanying Notice of Conversion, are received by the Corporation within two (2) Trading Days thereafter. In all other cases, the Conversion Date shall be defined as the Trading Day on which the original certificate(s) (if any) representing such shares of Series B Non-Voting Preferred Stock being converted, duly endorsed, and the accompanying Notice of Conversion, are received by the Corporation. The calculations set forth in the Notice of Conversion shall control in the absence of manifest or mathematical error.

6.3 Conversion Ratio. The "**Conversion Ratio**" for each share of Series B Non-Voting Preferred Stock shall be 1,000 shares of Common Stock issuable upon the conversion (the "**Conversion**") of each share of Series B Non-Voting Preferred Stock (corresponding to a ratio of 1,000:1), subject to adjustment as provided herein.

6.4 Beneficial Ownership Limitation. Notwithstanding anything herein to the contrary, the Corporation shall not effect any conversion of any share of Series B Non-Voting Preferred Stock, and a Holder shall not have the right to convert any portion of the Series B Non-Voting Preferred Stock pursuant to Section 6.2, to the extent that, after giving effect to such attempted conversion set forth on an applicable Notice of Conversion (as defined in this Description of Rights) with respect to the Series B Preferred Stock, such Holder (or any of such Holder's Affiliates or any other Person who would be a beneficial owner of Common Stock beneficially owned by the Holder for purposes of Section 13(d) or Section 16 of the Exchange Act and the applicable rules and regulations of the Commission, including any "group" of which the Holder is a member (the foregoing, "**Attribution Parties**")) would beneficially own a number of shares of Common Stock in excess of the Beneficial Ownership Limitation. For purposes of the foregoing sentence, the aggregate number of shares of Common Stock beneficially owned by

such Holder and its Attribution Parties shall include the number of shares of Common Stock issuable upon conversion of the Series B Non-Voting Preferred Stock subject to the Notice of Conversion, with respect to which such determination is being made, but shall exclude the number of shares of Common Stock which are issuable upon (A) conversion of the remaining, unconverted Series B Non-Voting Preferred Stock beneficially owned by such Holder or any of its Attribution Parties, and (B) exercise or conversion of the unexercised or unconverted portion of any other securities of the Corporation (including any warrants) beneficially owned by such Holder or any of its Attribution Parties that are subject to and would exceed a limitation on conversion or exercise similar to the limitation contained herein. Except as set forth in the preceding sentence, for purposes of this Section 6.4, beneficial ownership shall be calculated in accordance with Section 13(d) of the Exchange Act and the applicable rules and regulations of the Commission, and the terms “beneficial ownership” and “beneficially own” have the meanings ascribed to such terms therein. In addition, for purposes hereof, “group” has the meaning set forth in Section 13(d) of the Exchange Act and the applicable rules and regulations of the Commission. For purposes of this Section 6.4, in determining the number of outstanding shares of Common Stock, a Holder may rely on the number of outstanding shares of Common Stock as stated in the most recent of the following: (A) the Corporation’s most recent periodic or annual filing with the Commission, as the case may be, (B) a more recent public announcement by the Corporation that is filed with the Commission, or (C) a more recent notice by the Corporation or the Corporation’s transfer agent to the Holder setting forth the number of shares of Common Stock then outstanding. Upon the written request of a Holder (which may be by email), the Corporation shall, within two (2) Trading Days thereof, confirm in writing to such Holder (which may be via email) the number of shares of Common Stock then outstanding. In any case, the number of outstanding shares of Common Stock shall be determined after giving effect to any actual conversion or exercise of securities of the Corporation, including shares of Series B Non-Voting Preferred Stock, by such Holder or its Attribution Parties since the date as of which such number of outstanding shares of Common Stock was last publicly reported or confirmed to the Holder. The “**Beneficial Ownership Limitation**” shall initially be set at the discretion of each Holder to a percentage designated by such Holder on its signature page to the Purchase Agreement or otherwise between 0% and 19.99% of the number of shares of the Common Stock outstanding or deemed to be outstanding as of the applicable measurement date, and such percentage shall be set at 19.99% for any Holder that does not make such designation in the Purchase Agreement or otherwise. The Corporation shall be entitled to rely on representations made to it by the Holder in any Notice of Conversion regarding its Beneficial Ownership Limitation. Notwithstanding the foregoing, by written notice to the Corporation (email being sufficient), (i) the Holder may reset the Beneficial Ownership Limitation percentage to a higher percentage, not to exceed 19.99%, which increase will not be effective until the sixty-first (61st) day after such written notice is delivered to the Corporation, and (ii) the Holder may reset the Beneficial Ownership Limitation percentage to a lower percentage. Upon such a change by a Holder of the Beneficial Ownership Limitation, not to exceed 19.99%, the Beneficial Ownership Limitation may not be further amended by such Holder without first providing the minimum notice required by this Section 6.4. Notwithstanding the foregoing, (x) at any time following notice of a Fundamental Transaction, the Holder may waive and/or change the Beneficial Ownership Limitation effective immediately upon written notice to the Corporation and may reinstitute a Beneficial Ownership Limitation at any time thereafter effective immediately upon written notice to the Corporation and (y) at any time that the beneficial ownership of shares of Common Stock of a Holder (together with any of such Holder’s Attribution Parties) is equal to or less than 9.00% of the number of shares of Common Stock outstanding as of any given date, then such Holder’s Beneficial Ownership Limitation shall automatically be set to 9.99%. The provisions of this Section 6.4 shall be construed, corrected and implemented in a manner so as to effectuate the intended Beneficial Ownership Limitation herein contained and the shares of Common Stock underlying the Securities in excess of the Beneficial Ownership Limitation shall not be deemed to be beneficially owned by the Purchaser for any purpose including for purposes of Section 13(d) or Rule 16a-1(a)(1) of the Exchange Act.

6.5.1 Delivery of Certificate or Electronic Issuance. Upon Conversion not later than two (2) Trading Days after the applicable Conversion Date, or if the Holder requests the issuance of physical certificate(s), two (2) Trading Days after receipt by the Corporation of the original certificate(s) representing such shares of Series B Non-Voting Preferred Stock being converted, duly endorsed, and the accompanying Notice of Conversion (the “Share Delivery Date”), the Corporation shall either: (a) deliver, or cause to be delivered, to the converting Holder a physical certificate or certificates representing the number of Conversion Shares being acquired upon the conversion of shares of Series B Non-Voting Preferred Stock, or (b) in the case of a DWAC Delivery (if so requested by the Holder), electronically transfer such Conversion Shares by crediting the account of the Holder’s prime broker with DTC through its DWAC system. If in the case of any Notice of Conversion such certificate or certificates for the Conversion Shares are not delivered to or as directed by or, in the case of a DWAC Delivery, such shares are not electronically delivered to or as directed by, the applicable Holder by the Share Delivery Date, the applicable Holder shall be entitled to elect to rescind such Notice of Conversion by written notice to the Corporation at any time on or before its receipt of such certificate or certificates for Conversion Shares or electronic receipt of such shares, as applicable, in which event the Corporation shall promptly return to such Holder any original Series B Non-Voting Preferred Stock certificate delivered to the Corporation and such Holder shall promptly return to the Corporation any Common Stock certificates or otherwise direct the return of any shares of Common Stock delivered to the Holder through the DWAC system, representing the shares of Series B Non-Voting Preferred Stock unsuccessfully tendered for conversion to the Corporation.

6.5.2 Obligation Absolute. Subject to Section 6.4 and subject to Holder’s right to rescind a Notice of Conversion pursuant to Section 6.5.1, the Corporation’s obligation to issue and deliver the Conversion Shares upon conversion of Series B Non-Voting Preferred Stock in accordance with the terms hereof are absolute and unconditional, irrespective of any action or inaction by a Holder to enforce the same, any waiver or consent with respect to any provision hereof, the recovery of any judgment against any Person or any action to enforce the same, or any setoff, counterclaim, recoupment, limitation or termination, or any breach or alleged breach by such Holder or any other Person of any obligation to the Corporation or any violation or alleged violation of law by such Holder or any other Person, and irrespective of any other circumstance which might otherwise limit such obligation of the Corporation to such Holder in connection with the issuance of such Conversion Shares. Subject to Section 6.4 and subject to Holder’s right to rescind a Notice of Conversion pursuant to Section 6.5.1, in the event a Holder shall elect to convert any or all of its Series B Non-Voting Preferred Stock, the Corporation may not refuse conversion based on any claim that such Holder or anyone associated or affiliated with such Holder has been engaged in any violation of law, agreement or for any other reason, unless an injunction from a court, on notice to Holder, restraining and/or enjoining conversion of all or part of the Series B Non-Voting Preferred Stock of such Holder shall have been sought and obtained by the Corporation, and the Corporation posts a surety bond for the benefit of such Holder in the amount of 150% of the value of the Conversion Shares into which would be converted the Series B Non-Voting Preferred Stock which is subject to such injunction, which bond shall remain in effect until the completion of arbitration/litigation of the underlying dispute and the proceeds of which shall be payable to such Holder to the extent it obtains judgment. In the absence of such injunction, the Corporation shall, subject to Section 6.4 and subject to Holder’s right to rescind a Notice of Conversion pursuant to Section 6.5.1, issue Conversion Shares upon a properly noticed conversion.

6.5.3 Cash Settlement. If, at any time after the the initial issuance of the Series B Non-Voting Preferred Stock, the Corporation fails to deliver to a Holder such certificate or certificates, or electronically deliver (or instruct its transfer agent to electronically deliver) such shares in the case of a DWAC Delivery, pursuant to Section 6.5.1 on or prior to the third (3rd) Trading Day after the Share Delivery Date applicable to such conversion (other than a failure caused by (i) materially incorrect or incomplete information provided by Holder to the Corporation or (ii) the application of the Beneficial Ownership Limitation, then, unless the Holder has rescinded the applicable Notice of Conversion pursuant to Section 6.5.1, the Corporation shall, at the request of the Holder, pay an amount equal to the Fair Value (as defined below) of such undelivered shares, with such payment to be made within two Business Days from the date of request by the Holder, whereupon the Corporation’s obligations to deliver such shares underlying the Notice of Conversion shall be extinguished upon payment in full of the Fair Value of such undelivered shares. For purposes of this Section 6.5.3, the “Fair Value” of shares shall be fixed with reference to the last reported Closing Sale Price on the principal Trading Market on which the Common Stock is listed as of the Trading Day immediately prior to the date on which the Notice of Conversion is delivered

to the Corporation. For the avoidance of doubt, the cash settlement provisions set forth in this [Section 6.5.3](#) shall be available irrespective of the reason for the Corporation's failure to timely deliver Conversion Shares (other than a failure caused by (i) materially incorrect or incomplete information provided by Holder to the Corporation or (ii) the application of the Beneficial Ownership Limitation, including due to limitations set forth in [Section 6.5.6](#), due to applicable Trading Market rules.

[6.5.4 Buy-In on Failure to Timely Deliver Certificates](#). If the Corporation fails to deliver to a Holder the applicable certificate or certificates or to effect a DWAC Delivery, as applicable, by the Share Delivery Date pursuant to [Section 6.5.1](#) (other than a failure caused by materially incorrect or incomplete information provided by Holder to the Corporation or the application of the Beneficial Ownership Limitation), and if after such Share Delivery Date such Holder is required by its brokerage firm to purchase (in an open market transaction or otherwise), or the Holder's brokerage firm otherwise purchases, shares of Common Stock to deliver in satisfaction of a sale by such Holder of the Conversion Shares which such Holder was entitled to receive upon the conversion relating to such Share Delivery Date (a "*Buy-In*"), then the Corporation shall (A) pay in cash to such Holder (in addition to any other remedies available to or elected by such Holder) the amount by which (x) such Holder's total purchase price (including any brokerage commissions) for the shares of Common Stock so purchased exceeds (y) the product of (1) the aggregate number of shares of Common Stock that such Holder was entitled to receive from the conversion at issue multiplied by (2) the actual sale price at which the sell order giving rise to such purchase obligation was executed (including any brokerage commissions) and (B) at the option of such Holder, either reissue (if surrendered) the shares of Series B Non-Voting Preferred Stock equal to the number of shares of Series B Non-Voting Preferred Stock submitted for conversion or deliver to such Holder the number of shares of Common Stock that would have been issued if the Corporation had timely complied with its delivery requirements under [Section 6.5.1](#). For example, if a Holder purchases shares of Common Stock having a total purchase price of \$11,000 to cover a Buy-In with respect to an attempted conversion of shares of Series B Non-Voting Preferred Stock with respect to which the actual sale price (including any brokerage commissions) giving rise to such purchase obligation was a total of \$10,000 under clause (A) of the immediately preceding sentence, the Corporation shall be required to pay such Holder \$1,000. The Holder shall provide the Corporation written notice, within three (3) Trading Days after the occurrence of a Buy-In, indicating the amounts payable to such Holder in respect of such Buy-In together with applicable confirmations and other evidence reasonably requested by the Corporation. Nothing herein shall limit a Holder's right to pursue any other remedies available to it hereunder, at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Corporation's failure to timely deliver certificates representing shares of Common Stock upon conversion of the shares of Series B Non-Voting Preferred Stock as required pursuant to the terms hereof or the cash settlement remedy set forth in [Section 6.5.3](#); provided, however, that the Holder shall not be entitled to both (i) require the reissuance of the shares of Series B Non-Voting Preferred Stock submitted for conversion for which such conversion was not timely honored and (ii) receive the number of shares of Common Stock that would have been issued if the Corporation had timely complied with its delivery requirements under [Section 6.5.1](#).

[6.5.5 Reservation of Shares Issuable Upon Conversion](#). The Corporation covenants that at all times it will reserve and keep available out of its authorized and unissued shares of Common Stock for the sole purpose of issuance upon conversion of the Series B Non-Voting Preferred Stock, free from preemptive rights or any other actual contingent purchase rights of Persons other than the Holders of the Series B Non-Voting Preferred Stock, not less than such aggregate number of shares of the Common Stock as shall be issuable (taking into account the adjustments of [Section 7](#)) upon the conversion of all outstanding shares of Series B Non-Voting Preferred Stock. The Corporation covenants that all shares of Common Stock that shall be so issuable shall, upon issue, be duly authorized, validly issued, fully paid and non-assessable.

[6.5.6 Fractional Shares](#). No fractional shares of Common Stock shall be issued upon conversion of the Series B Non-Voting Preferred Stock, no certificates or scrip for any such fractional shares shall be issued and no cash shall be paid for any such fractional shares. Any fractional shares of Common Stock that a Holder of Series B Non-Voting Preferred Stock would otherwise be entitled to receive shall be aggregated

with all fractional shares of Common Stock issuable to such Holder and any remaining fractional shares shall be rounded up to the nearest whole share. Whether or not fractional shares would be issuable upon such conversion shall be determined on the basis of the total number of shares of Series B Non-Voting Preferred Stock the Holder seeks to convert into Common Stock and the aggregate number of shares of Common Stock issuable upon such conversion.

6.5.7 Transfer Taxes. The issuance of certificates for shares of the Common Stock upon conversion of the Series B Non-Voting Preferred Stock shall be made without charge to any Holder for any documentary stamp or similar taxes that may be payable in respect of the issue or delivery of such certificates, provided that the Corporation shall not be required to pay any tax that may be payable in respect of any transfer involved in the issuance and delivery of any such certificate upon conversion in a name other than that of the registered Holder(s) of such shares of Series B Non-Voting Preferred Stock and the Corporation shall not be required to issue or deliver such certificates unless or until the Person or Persons requesting the issuance thereof shall have paid to the Corporation the amount of such tax or shall have established to the satisfaction of the Corporation that such tax has been paid.

6.6 Status as Stockholder. Upon each Conversion Date, (i) the shares of Series B Non-Voting Preferred Stock being converted shall be deemed converted into shares of Common Stock and (ii) the Holder's rights as a holder of such converted shares of Series B Non-Voting Preferred Stock shall cease and terminate, excepting only the right to receive certificates for such shares of Common Stock and to any remedies provided herein or otherwise available at law or in equity to such Holder because of a failure by the Corporation to comply with the terms of this Description of Rights. In all cases, the Holder shall retain all of its rights and remedies for the Corporation's failure to convert Series B Non-Voting Preferred Stock.

## 7. Certain Adjustments.

7.1 Stock Dividends and Stock Splits. If the Corporation, at any time while this Series B Non-Voting Preferred Stock is outstanding: (A) pays a stock dividend or otherwise makes a distribution or distributions payable in shares of Common Stock (which, for avoidance of doubt, shall not include any shares of Common Stock issued by the Corporation upon conversion of this Series B Non-Voting Preferred Stock) with respect to the then outstanding shares of Common Stock; (B) subdivides outstanding shares of Common Stock into a larger number of shares; or (C) combines (including by way of a reverse stock split) outstanding shares of Common Stock into a smaller number of shares, then the Conversion Ratio shall be multiplied by a fraction of which the numerator shall be the number of shares of Common Stock (excluding any treasury shares of the Corporation) outstanding immediately after such event and of which the denominator shall be the number of shares of Common Stock outstanding immediately before such event (excluding any treasury shares of the Corporation). Any adjustment made pursuant to this Section 7.1 shall become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution and shall become effective immediately after the effective date in the case of a subdivision or combination.

7.2 Fundamental Transaction. If, at any time while this Series B Non-Voting Preferred Stock is outstanding, (A) the Corporation effects any merger or consolidation of the Corporation with or into another Person or any stock sale to, or other business combination (including, without limitation, a reorganization, recapitalization, spin-off, share exchange or scheme of arrangement) with or into another Person (other than such a transaction in which the Corporation is the surviving or continuing entity and its Common Stock is not exchanged for or converted into other securities, cash or property), (B) the Corporation effects any sale, lease, transfer or exclusive license of all or substantially all of its assets in one transaction or a series of related transactions, (C) any tender offer or exchange offer by the Corporation is completed pursuant to which more than 50% of the Common Stock not held by the Corporation is exchanged for or converted into other securities, cash or property, or (D) the Corporation effects any reclassification of the Common Stock or any compulsory share exchange pursuant (other than as a result of a dividend, subdivision or combination covered by Section 7.1) to which the Common Stock is

effectively converted into or exchanged for other securities, cash or property (in any such case, a "**Fundamental Transaction**"), then, upon any subsequent conversion of this Series B Non-Voting Preferred Stock the Holders shall have the right to receive, in lieu of the right to receive Conversion Shares, for each Conversion Share that would have been issuable upon such conversion immediately prior to the occurrence of such Fundamental Transaction, the same kind and amount of securities, cash or property as it would have been entitled to receive upon the occurrence of such Fundamental Transaction if it had been, immediately prior to such Fundamental Transaction, the holder of one share of Common Stock (the "**Alternate Consideration**"). For purposes of any such subsequent conversion, the determination of the Conversion Ratio shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one share of Common Stock in such Fundamental Transaction, and the Corporation shall adjust the Conversion Ratio in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holders shall be given the same choice as to the Alternate Consideration it receives upon any conversion of this Series B Non-Voting Preferred Stock following such Fundamental Transaction. To the extent necessary to effectuate the foregoing provisions, any successor to the Corporation or surviving entity in such Fundamental Transaction shall file a new description of terms, certificate of designations or similar with the same terms and conditions and issue to the Holders new preferred stock consistent with the foregoing provisions and evidencing the Holders' right to convert such preferred stock into Alternate Consideration. The terms of any agreement to which the Corporation is a party and pursuant to which a Fundamental Transaction is effected shall include terms requiring any such successor or surviving entity to comply with the provisions of this Section 7.2 and ensuring that this Series B Non-Voting Preferred Stock (or any such replacement security) will be similarly adjusted upon any subsequent transaction analogous to a Fundamental Transaction. The Corporation shall cause to be delivered to each Holder, at its last address as it shall appear upon the stock books of the Corporation, written notice of any Fundamental Transaction at least 20 calendar days prior to the date on which such Fundamental Transaction is expected to become effective or close.

7.3 Calculations. All calculations under this Section 7 shall be made to the nearest cent or the nearest 1/100th of a share, as the case may be. For purposes of this Section 7, the number of shares of Common Stock deemed to be issued and outstanding as of a given date shall be the sum of the number of shares of Common Stock (excluding any treasury shares of the Corporation) issued and outstanding.

8. Redemption. The shares of Series B Non-Voting Preferred Stock shall not be redeemable; provided, however, that the foregoing shall not limit the ability of the Corporation to purchase or otherwise deal in such shares to the extent otherwise permitted hereby and by law, nor shall the foregoing limit the Holder's rights under Section 6.5.3.

9. Transfer. A Holder may transfer any shares of Series B Non-Voting Preferred Stock together with the accompanying rights set forth herein, held by such Holder without the consent of the Corporation; provided that such transfer is in compliance with applicable securities laws. The Corporation shall in good faith (i) do and perform, or cause to be done and performed, all such further acts and things, and (ii) execute and deliver all such other agreements, certificates, instruments and documents, in each case, as any holder of Series B Non-Voting Preferred Stock may reasonably request in order to carry out the intent and accomplish the purposes of this Section 9. The transferee of any shares of Series B Non-Voting Preferred Stock shall be subject to the Beneficial Ownership Limitation applicable to the transferor as of the time of such transfer.

10. Series B Non-Voting Preferred Stock Register. The Corporation shall maintain at its principal executive offices (or such other office or agency of the Corporation as it may designate by notice to the Holders in accordance with Section 11), a register for the Series B Non-Voting Preferred Stock, in which the Corporation shall record (i) the name, address, and electronic mail address of each holder in whose name the shares of Series B Non-Voting Preferred Stock have been issued and (ii) the name, address, and electronic mail address of each transferee of any shares of Series B Non-Voting Preferred Stock. The Corporation may deem and treat the registered Holder of shares of Series B Non-Voting Preferred Stock as the absolute owner thereof for the purpose of any conversion thereof and for all other purposes. The Corporation shall keep the register open and available at all times during business hours for inspection by any holder of Series B Non-Voting Preferred Stock or his, her or its legal representatives.

11. Notices. Any notice required or permitted by the provisions of this Description of Rights to be given to a Holder of shares of Series B Non-Voting Preferred Stock shall be mailed, postage prepaid, to the post office address last shown on the records of the Corporation, or given by electronic communication in compliance with the provisions of the Mass Law, and shall be deemed sent upon such mailing or electronic transmission.

12. Book-Entry; Certificates. The Series B Non-Voting Preferred Stock will be issued in book-entry form; provided that, if a Holder requests that such Holder's shares of Series B Non-Voting Preferred Stock be issued in certificated form, the Corporation will instead issue a stock certificate to such Holder representing such Holder's shares of Series B Non-Voting Preferred Stock. To the extent that any shares of Series B Non-Voting Preferred Stock are issued in book-entry form, references herein to "certificates" shall instead refer to the book-entry notation relating to such shares.

13. Lost or Mutilated Series B Non-Voting Preferred Stock Certificate. If a Holder's Series B Non-Voting Preferred Stock certificate shall be mutilated, lost, stolen or destroyed, the Corporation shall execute and deliver, in exchange and substitution for and upon cancellation of a mutilated certificate, or in lieu of or in substitution for a lost, stolen or destroyed certificate, a new certificate for the shares of Series B Non-Voting Preferred Stock so mutilated, lost, stolen or destroyed, but only upon receipt of evidence of such loss, theft or destruction of such certificate, and of the ownership hereof reasonably satisfactory to the Corporation.

14. Waiver. Any waiver by the Corporation or a Holder of a breach of any provision of this Description of Rights shall not operate as or be construed to be a waiver of any other breach of such provision or of any breach of any other provision of this Description of Rights or a waiver by any other Holders. The failure of the Corporation or a Holder to insist upon strict adherence to any term of this Description of Rights on one or more occasions shall not be considered a waiver or deprive that party (or any other Holder) of the right thereafter to insist upon strict adherence to that term or any other term of this Description of Rights. Any waiver by the Corporation or a Holder must be in writing. Notwithstanding any provision in this Description of Rights to the contrary, any provision contained herein and any right of the Holders of Series B Non-Voting Preferred Stock granted hereunder may be waived as to all shares of Series B Non-Voting Preferred Stock (and the Holders thereof) upon the written consent of the Holders of not less than a majority of the shares of Series B Non-Voting Preferred Stock then outstanding, provided, however, that the Beneficial Ownership Limitation applicable to a Holder, and any provisions contained herein that are related to such Beneficial Ownership Limitation, cannot be modified, waived or terminated without the consent of such Holder, provided further, that any proposed waiver that would, by its terms, have a disproportionate and materially adverse effect on any Holder shall require the consent of such Holder(s).

15. Severability. Whenever possible, each provision hereof shall be interpreted in a manner as to be effective and valid under applicable law, but if any provision hereof is held to be prohibited by or invalid under applicable law, then such provision shall be ineffective only to the extent of such prohibition or invalidity, without invalidating or otherwise adversely affecting the remaining provisions hereof.

16. Status of Converted Series B Non-Voting Preferred Stock. If any shares of Series B Non-Voting Preferred Stock shall be converted or redeemed by the Corporation, such shares shall, to the fullest extent permitted by applicable law, be retired and cancelled upon such acquisition, and shall not be reissued as a share of Series B Non-Voting Preferred Stock. Any share of Series B Non-Voting Preferred Stock so acquired shall, upon its retirement and cancellation, and upon the taking of any action required by applicable law, resume the status of authorized but unissued shares of preferred stock and shall no longer be designated as Series B Non-Voting Preferred Stock.

WHEREAS, as a condition and inducement to the willingness of Parent to enter into the Merger Agreement, Parent has required that Stockholder enter into this Agreement.

NOW, THEREFORE, intending to be legally bound, the Parties hereby agree as follows:

1. Certain Definitions. For all purposes of this Agreement, the following terms shall have the following respective meanings:

(c) "Transfer" or "Transferred" means, with respect to any security, the direct or indirect assignment, sale, transfer, tender, exchange, pledge or hypothecation, or the grant, creation or suffrage of an Encumbrance, lien, security interest or encumbrance in or upon, or the gift, grant or placement in trust, or the Constructive Sale or other disposition of such security (including transfers by testamentary or intestate succession, by domestic relations order or other court order, or otherwise by operation of law) or any right, title or interest therein (including any right or power to vote to which the holder thereof may be entitled, whether such right or power is granted by proxy or otherwise), or the record or beneficial ownership thereof, the offer to make such a sale, transfer, Constructive Sale or other disposition, and each agreement, arrangement or understanding, whether or not in writing, to effect any of the foregoing.

2. Transfer and Voting Restrictions. The Stockholder covenants to Parent and the Company as follows:

(a) Except as otherwise permitted by Section 2(c), during the period commencing with the execution and delivery of this Agreement and expiring on the Expiration Date (as defined below), the Stockholder shall not Transfer any of the Stockholder's Shares, publicly announce its intention to Transfer any of its Shares.

(b) Except as otherwise permitted by this Agreement or otherwise permitted or required by order of a court of competent jurisdiction or a Governmental Authority, the Stockholder will not commit any act that would restrict the Stockholder's legal power, authority and right to vote all of the Shares held by the Stockholder or otherwise prevent or disable the Stockholder from performing any of his, her or its obligations under this Agreement. Without limiting the generality of the foregoing, except for this Agreement and as otherwise permitted by this Agreement, the Stockholder shall not enter into any voting agreement with any person or entity with respect to any of the Stockholder's Shares, grant any person or entity any proxy (revocable or irrevocable) or power of attorney with respect to any of the Shares, deposit any Shares in a voting trust or otherwise enter into any agreement or arrangement with any person or entity in each case which has the effect of limiting or affecting the Stockholder's legal power, authority or right to execute and deliver the Company Stockholder Written Consents.

(d) Notwithstanding anything else herein to the contrary, the Stockholder may, at any time, Transfer Shares (i) by will or other testamentary document or by intestacy to the legal representative, heir, beneficiary or a member of the immediate family of the Stockholder or, if the Stockholder is a corporation, partnership or other entity, to an immediate family member of a beneficial owner of the Shares held by the Stockholder, (ii) to such Stockholder's Affiliates (in each case, directly or indirectly), (iii) to any trust or other entity for the direct or indirect benefit of the Stockholder or the immediate family of the Stockholder (or, if the Stockholder is a corporation, partnership or other entity, for the direct or indirect benefit of an immediate family member of a beneficial owner of the Shares held by the Stockholder) or otherwise for estate tax or estate planning purposes, (iv) in the case of a Stockholder who is not a natural person, by pro rata distributions from the Stockholder to its members, partners, or shareholders pursuant to

the Stockholder's organizational documents, (v) purchased from the Company pursuant to the Company Pre-Closing Financing on or about the Closing Date (including any shares of the Company issued upon conversion of any pre-funded warrants of Parent), (vi) pursuant to applicable Law or by operation of law pursuant to a qualified domestic relations order or in connection with a divorce settlement and (vii) pursuant to the exercise of any option to purchase any Company Capital Stock or settlement of any restricted stock units, including in order to pay the exercise price of such option or otherwise satisfy taxes applicable thereto; provided, that in the cases of clauses (i)-(vi), (x) such Transferred Shares shall continue to be bound by this Agreement and (y) the applicable direct transferee (if any) of such Transferred Shares shall have executed and delivered to Parent and the Company a support agreement substantially identical to this Agreement upon consummation of the Transfer if not already a party thereto. Any action taken in violation of Section 2(a), through Section 2(d) shall be null and void ab initio.

(e) Notwithstanding anything to the contrary herein, nothing in this Agreement shall obligate the Stockholder to exercise any option or any other right to acquire any shares of Company Capital Stock.

3. Agreement to Vote Shares. The Stockholder covenants to Parent and the Company as follows:

(a) Until the Expiration Date, at every meeting of the stockholders of the Company, however called, and at every adjournment or postponement thereof, and on every action or approval by written consent of the stockholders of the Company, the Stockholder shall be present (in person or by proxy) and vote, or exercise its right to consent with respect to, all Shares held by the Stockholder (A) in favor of the adoption and approval of the Merger Agreement, (B) in favor of approval of the Contemplated Transactions, (C) against approval of any proposal made in opposition to, or in competition with, the Merger Agreement or the consummation of the Contemplated Transactions and (D) against any Acquisition Proposal.

(b) If the Stockholder is the beneficial owner, but not the record holder, of Shares, the Stockholder agrees to take all actions necessary to cause the record holder and any nominees to be present (in person or by proxy) and vote all the Stockholder's Shares in accordance with this Section 3.

(c) In the event of a stock split, stock dividend or distribution, or any change in the capital stock of the Company by reason of any split-up, reverse stock split, recapitalization, combination, reclassification, reincorporation, exchange of shares or the like, the term "Shares" shall be deemed to refer to and include such shares as well as all such stock dividends and distributions and any securities into which or for which any or all of such shares may be changed or exchanged or which are received in such transaction.

4. Action in Stockholder Capacity Only. The Stockholder is entering into this Agreement solely in the Stockholder's capacity as a record holder and/or beneficial owner, as applicable, of its Shares and not in the Stockholder's capacity as a director or officer of the Company. Nothing herein shall limit or affect the Stockholder's ability to exercise the Stockholder's fiduciary duties as an officer or director of the Company.

5. Irrevocable Proxy. The Stockholder hereby revokes (or agrees to cause to be revoked) any proxies that the Stockholder has heretofore granted with respect to its Shares. In the event and to the extent that the Stockholder fails to vote the Shares in accordance with Section 3 at any applicable meeting of the stockholders of the Company or pursuant to any applicable written consent of the stockholders of the Company, the Stockholder shall be deemed to have irrevocably granted to, and appointed, Parent, as his, her or its proxy and attorney-in-fact (with full power of substitution), for and in its name, place and stead,

to (a) attend any all meetings of the Company stockholders with respect to any of the matters specified in [Section 3](#) and (b) vote, express consent, dissent or grant, withhold or issue instructions to the record holder to vote his, her or its Shares in any action by written consent of Company stockholders or at any meeting of the Company's stockholders called with respect to any of the matters specified in, and in accordance and consistent with, [Section 3](#) of this Agreement. Parent agrees not to exercise the proxy granted herein for any purpose other than the purposes described in this Agreement. Except as otherwise provided for herein (including the next sentence), the Stockholder hereby affirms that the irrevocable proxy is coupled with an interest and may under no circumstances be revoked and that such irrevocable proxy is executed and intended to be irrevocable (and as such shall survive and not be affected by the death, incapacity, mental illness or insanity of the Stockholder, as applicable) and shall not be terminated by operation of law or upon the occurrence of any other event other than the termination of this Agreement pursuant to [Section 9](#). Notwithstanding any other provisions of this Agreement, the irrevocable proxy granted hereunder shall automatically terminate on the Expiration Date. The Stockholder authorizes such attorney and proxy to substitute any other Person to act hereunder, to revoke any substitution and to file this proxy and any substitution or revocation with the Secretary of Company. The Stockholder hereby affirms that the proxy set forth in this [Section 5](#) is given in connection with and granted in consideration of and as an inducement to Parent and the Merger Subs to enter into the Merger Agreement and that such proxy is given to secure the obligations of the Stockholder under [Section 3](#). With respect to any Shares that are owned beneficially by the Stockholder but are not held of record by the Stockholder (other than shares beneficially owned by the Stockholder that are held in the name of a bank, broker or nominee), the Stockholder shall take all action necessary to cause the record holder of such Shares to grant the irrevocable proxy and take all other actions provided for in this [Section 5](#) with respect to such Shares.

6. No Solicitation. The Stockholder agrees not to directly or indirectly, including through any of its officers, directors or agents, take any action that the Company is prohibited from taking pursuant to Section 5.4 of the Merger Agreement and Section 5.4 of the Merger Agreement is hereby incorporated by reference *mutatis mutandis*. The Stockholder hereby represents and warrants that the Stockholder has read Section 5.4 of the Merger Agreement.

7. Documentation and Information. The Stockholder shall permit and hereby authorizes Parent and the Company to publish and disclose in all documents and schedules filed with the SEC, and any press release or other disclosure document that Parent or the Company reasonably determines to be necessary in connection with the Merger and any of the Contemplated Transactions, a copy of this Agreement, the Stockholder's identity and ownership of the Shares and the nature of the Stockholder's commitments and obligations under this Agreement.

8. No Exercise of Appraisal Rights; Waivers. The Stockholder hereby irrevocably and unconditionally (a) waives, and agrees to cause to be waived and to prevent the exercise of, any rights of appraisal, any dissenters' rights and any similar rights (including any notice requirements related thereto) relating to the Contemplated Transactions that Stockholder may have by virtue of, or with respect to, any Shares under any applicable Law (including all rights under Section 262 of the DGCL, a copy of which is attached hereto as [Appendix B](#)) and (b) agrees that the Stockholder will not bring, commence, institute, maintain, prosecute or voluntarily aid or participate in any action, claim, suit or cause of action, in law or in equity, in any court or before any Governmental Authority, which (i) challenges the validity of or seeks to enjoin the operation of any provision of this Agreement or (ii) alleges that (A) the execution and delivery of this Agreement by the Stockholder breaches any duty that such Stockholder has (or may be alleged to have) to the Company or to the other Company stockholders, (B) the approval of the Merger Agreement by the Company Board breaches any fiduciary duty of the Company Board or any member thereof, or (C) the Contemplated Transactions constitute a breach of any fiduciary duty of the Company Board or any member thereof, provided, that (x) the Stockholder may defend against, contest or settle any such action, claim, suit or cause of action brought against the Stockholder that relates solely to the Stockholder's capacity as a

director, officer or securityholder of the Company and (y) the foregoing shall not limit or restrict in any manner the Stockholder from enforcing the Stockholder's rights under this Agreement and the other agreements entered into by the Stockholder in connection herewith, or otherwise in connection with the Merger, including the Stockholder's right to receive the Merger Consideration pursuant to the terms of the Merger Agreement.

9. Representations and Warranties of the Stockholder. The Stockholder hereby represents and warrants to Parent and the Company as follows:

(a) (i) The Stockholder is the beneficial owner of the shares of Company Capital Stock indicated in Appendix A (each of which shall be deemed to be "held" by the Stockholder for purposes of Section 3 unless otherwise expressly stated with respect to any shares in Appendix A), free and clear of any and all Encumbrances (except for any Encumbrance that may be imposed pursuant to this Agreement, any lock-up agreement entered into by and between the Stockholder, the Company and Parent, and Encumbrances arising under applicable securities or community property laws); and (ii) the Stockholder does not beneficially own any securities of the Company other than the shares of Company Capital Stock and rights to purchase shares of Company Capital Stock set forth in Appendix A.

(b) Except as otherwise provided in this Agreement, the Stockholder has full power and authority to (i) make, enter into and carry out the terms of this Agreement and (ii) vote all of its Shares in the manner set forth in this Agreement without the consent or approval of, or any other action on the part of, any other person or entity (including any Governmental Authority). Without limiting the generality of the foregoing, the Stockholder has not entered into any voting agreement (other than this Agreement) with any person with respect to any of the Stockholder's Shares, granted any person any proxy (revocable or irrevocable) or power of attorney with respect to any of the Stockholder's Shares, deposited any of the Stockholder's Shares in a voting trust or entered into any arrangement or agreement with any person limiting or affecting the Stockholder's legal power, authority or right to vote the Stockholder's Shares on any matter.

(c) This Agreement has been duly and validly executed and delivered by the Stockholder and (assuming the due authorization, execution and delivery by the other Parties) constitutes a valid and binding agreement of the Stockholder enforceable against the Stockholder in accordance with its terms, subject to the Enforceability Exceptions. The execution and delivery of this Agreement by the Stockholder and the performance by the Stockholder of the agreements and obligations hereunder will not result in any breach or violation of or be in conflict with or constitute a default under any term of any Contract or, if applicable, any provision of an organizational document (including a certificate of incorporation) to or by which the Stockholder is a party or bound, or any applicable law to which the Stockholder (or any of the Stockholder's assets) is subject or bound, except for any such breach, violation, conflict or default which, individually or in the aggregate, would not reasonably be expected to materially impair or adversely affect the Stockholder's ability to perform its obligations under this Agreement.

(d) The execution, delivery and performance of this Agreement by the Stockholder do not and will not require any consent, approval, authorization or permit of, action by, filing with or notification to, any Governmental Authority, except for any such consent, approval, authorization, permit, action, filing or notification the failure of which to make or obtain, individually or in the aggregate, has not and would not materially impair the Stockholder's ability to perform its obligations under this Agreement.

(e) The Stockholder has had the opportunity to review the Merger Agreement and this Agreement with counsel of the Stockholder's own choosing. The Stockholder has had an opportunity to review with its own tax advisors the tax consequences of the Merger and the Contemplated Transactions. The Stockholder understands that it must rely solely on its advisors and not on any statements or

representations made by Parent, the Company or any of their respective agents or representatives with respect to the tax consequences of the Merger and the Contemplated Transactions. The Stockholder understands that such Stockholder (and not Parent, the Company or the Surviving Entity) shall be responsible for such Stockholder's tax liability that may arise as a result of the Merger or the Contemplated Transactions. The Stockholder understands and acknowledges that the Company, Parent and the Merger Subs are entering into the Merger Agreement in reliance upon the Stockholder's execution, delivery and performance of this Agreement.

(f) With respect to the Stockholder, as of the date hereof, there is no action, suit, investigation or proceeding pending against, or, to the knowledge of the Stockholder, threatened against, the Stockholder or any of the Stockholder's properties or assets (including the Shares) that would reasonably be expected to prevent or materially delay or impair the ability of the Stockholder to perform its obligations hereunder or to consummate the transactions contemplated hereby.

10. Certain Agreements. Each Stockholder, by this Agreement, and with respect to such Stockholder's Shares, severally and not jointly, hereby agrees to terminate, subject to the occurrence of, and effective immediately prior to, the First Effective Time any stockholder agreements, voting agreements, registration rights agreements, co-sale agreements and any other similar Contracts between the Company and holders of Company Capital Stock, including rights under any letter agreement providing for redemption rights, put rights, purchase rights, information rights, rights to consult with and advise management, inspection rights, preemptive rights, board of directors observer rights or rights to receive information delivered to the board of directors or other similar rights not generally available to stockholders of the Company between the Stockholder and the Company, including Investor Agreements, but excluding, for the avoidance of doubt, any rights the Stockholder may have that relate to any indemnification, commercial, development or employment agreements or arrangements between such Stockholder and the Company or any subsidiary of the Company, which shall survive in accordance with their terms. Each Stockholder hereby terminates and waives all rights of first refusal, redemption rights and rights of notice of the Merger and the other transactions contemplated by the Merger Agreement, effective as of immediately prior to, and contingent upon, the First Effective Time.

11. Termination. This Agreement shall terminate and shall cease to be of any further force or effect as of the earliest of (a) such date and time as the Merger Agreement shall have been terminated pursuant to the terms thereof, (b) the First Effective Time and (c) the time this Agreement is terminated upon the written agreement of the Stockholder, the Company and Parent (the "Expiration Date"); provided, however, that (i) Section 12 shall survive the termination of this Agreement and (ii) the termination of this Agreement shall not relieve any Party from any liability for any material and willful breach of this Agreement prior to the First Effective Time.

## 12. Miscellaneous Provisions

(a) Amendments. No amendment of this Agreement shall be effective against any Party unless it shall be in writing and signed by each of the Parties.

(b) Entire Agreement; Counterparts; Exchanges by Electronic Transmission or Facsimile. This Agreement constitutes the entire agreement between the Parties and supersedes all other prior agreements, arrangements and understandings, both written and oral, among the Parties with respect to the subject matter hereof. This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same instrument. The exchange of a fully executed Agreement (in counterparts or otherwise) by all Parties by facsimile or electronic transmission in PDF format shall be sufficient to bind the Parties to the terms and conditions of this Agreement.

(c) Applicable Law; Jurisdiction. This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, regardless of the laws that might otherwise govern under applicable principles of conflicts of laws. In any action or proceeding between any of the Parties arising out of or relating to this Agreement, each of the Parties: (i) irrevocably and unconditionally consents and submits to the exclusive jurisdiction and venue of the Court of Chancery of the State of Delaware or, to the extent such court does not have subject matter jurisdiction, the Superior Court of the State of Delaware or the United States District Court for the District of Delaware, (ii) agrees that all claims in respect of such action or proceeding shall be heard and determined exclusively in accordance with clause (i) of this Section 12(c), (iii) waives any objection to laying venue in any such action or proceeding in such courts, (iv) waives any objection that such courts are an inconvenient forum or do not have jurisdiction over any Party, (v) agrees that service of process upon such Party in any such action or proceeding shall be effective if notice is given in accordance with Section 12(h) of this Agreement and (vi) irrevocably and unconditionally waives the right to trial by jury.

(d) Assignment. This Agreement shall be binding upon, and shall be enforceable by and inure solely to the benefit of, the Parties and their respective successors and permitted assigns; provided, however, that neither this Agreement nor any of a Party's rights or obligations hereunder may be assigned or delegated (except pursuant to the Merger) by such Party without the prior written consent of the other Parties, and any attempted assignment or delegation of this Agreement or any of such rights or obligations by such Party without the other Parties' prior written consent shall be void and of no effect.

(e) No Third-Party Rights. Nothing in this Agreement, express or implied, is intended to or shall confer upon any Person any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

(f) Severability. Any term or provision of this Agreement that is invalid or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions of this Agreement or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction. If a final judgment of a court of competent jurisdiction declares that any term or provision of this Agreement is invalid or unenforceable, the Parties agree that the court making such determination shall have the power to limit such term or provision, to delete specific words or phrases or to replace such term or provision with a term or provision that is valid and enforceable and that comes closest to expressing the intention of the invalid or unenforceable term or provision, and this Agreement shall be valid and enforceable as so modified. In the event such court does not exercise the power granted to it in the prior sentence, the Parties agree to replace such invalid or unenforceable term or provision with a valid and enforceable term or provision that will achieve, to the extent possible, the economic, business and other purposes of such invalid or unenforceable term or provision.

(g) Specific Performance. Except as otherwise provided herein, any and all remedies herein expressly conferred upon a Party will be deemed cumulative with and not exclusive of any other remedy conferred hereby, or by law or equity upon such Party, and the exercise by a Party of any one remedy will not preclude the exercise of any other remedy. The Parties agree that irreparable damage for which monetary damages, even if available, would not be an adequate remedy, would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms (including failing to take such actions as are required of it hereunder to consummate this Agreement) or were otherwise breached. It is accordingly agreed that the Parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof of the Court of Chancery of the State of Delaware or, to the extent such court does not have subject matter jurisdiction, the Superior Court of the State of Delaware or the United States District Court for the District of Delaware, this being in addition to any other remedy to which they are entitled at law or in

equity, and each of the Parties waives any bond, surety or other security that might be required of any other Party with respect thereto. Each of the Parties further agrees that it will not oppose the granting of an injunction, specific performance or other equitable relief on the basis that any other Party has an adequate remedy at law or that any award of specific performance is not an appropriate remedy for any reason at law or in equity.

(h) Notices. All notices and other communications hereunder shall be in writing and shall be deemed duly delivered (i) one (1) Business Day after being sent for next Business Day delivery, fees prepaid, via a reputable international overnight courier service, (ii) upon delivery in the case of delivery by hand or (iii) on the date delivered in the place of delivery if sent by email or facsimile (with a written or electronic confirmation of delivery) prior to 6:00 p.m. (New York City time), otherwise on the next succeeding Business Day, (A) if to the Company or Parent, to the address, electronic mail address or facsimile provided in Section 11.7 of the Merger Agreement, including to the persons designated therein to receive copies; and/or (B) if to the Stockholder, to the Stockholder's address, electronic mail address or facsimile shown below Stockholder's signature to this Agreement.

(i) Confidentiality. Except to the extent required by applicable Law or regulation, the Stockholder shall hold any non-public information regarding the Company, this Agreement, the Merger Agreement and the Contemplated Transactions in strict confidence and shall not divulge any such information to any third person, except to the extent such information has been publicly disclosed by the Company or Parent in connection with their entry into the Merger Agreement and this Agreement; provided, however, that the Stockholder may disclose such information to its Affiliates, attorneys, accountants, consultants, and other advisors (provided that such Persons are subject to confidentiality obligations at least as restrictive as those contained herein). Neither the Stockholder nor any of its Affiliates (other than the Company, whose actions shall be governed by the Merger Agreement), shall issue or cause the publication of any press release or other public announcement with respect to the Company, Parent, the Merger Subs, this Agreement, the Contemplated Transactions, the Merger Agreement or the other transactions contemplated hereby or thereby without the prior written consent of the Company and Parent, except as may be required by applicable Law in which circumstance such announcing Party shall make reasonable efforts to consult with the Company and Parent to the extent practicable.

(j) Interpretation. The words "hereof," "herein" and "hereunder" and words of like import used in this Agreement shall refer to this Agreement as a whole and not to any particular provision of this Agreement. The captions herein are included for convenience of reference only and shall be ignored in the construction or interpretation hereof. References to Sections and Appendixes are to Sections and Appendixes of this Agreement unless otherwise specified. Any capitalized terms used in any Appendix but not otherwise defined therein shall have the meaning as defined in this Agreement. PARENT SUPPORT AGREEMENT

This Support Agreement (this "Agreement") is made and entered into as of April 1, 2026, by and among Korsana Biosciences, Inc., a Delaware corporation (the "Company"), Cycleron Therapeutics, Inc., a Massachusetts corporation ("Parent"), and the undersigned shareholder of Parent (the "Shareholder") and each of the Shareholder, Company, and Parent a "Party," and, collectively, the "Parties"). Capitalized terms used herein but not otherwise defined shall have the respective meanings ascribed to such terms in the Merger Agreement (as defined below).

RECITALS

WHEREAS, concurrently with the execution and delivery hereof, Parent, the Company and Cariboo Merger Sub Corp., a Delaware corporation and a wholly owned subsidiary of Parent (the "First Merger Sub") and Cariboo Merger Sub II, LLC a Delaware limited liability company (the "Second Merger Sub"), have entered into an Agreement and Plan of Merger and Reorganization (as such agreement may be amended or supplemented from time to time pursuant to the terms thereof, the "Merger Agreement"), pursuant to which (i) the First Merger Sub will merge with and into the Company, with the Company surviving the merger as the surviving corporation and a wholly owned subsidiary of Parent and (ii) the Company will merge with and into the Second Merger Sub, with Second Merger Sub being the surviving entity of the Second Merger, upon the terms and subject to the conditions set forth in the Merger Agreement (together, the "Merger").

WHEREAS, as of the date hereof, the Shareholder is the beneficial owner (as defined in Rule 13d-3 under the Exchange Act) of such number of shares of Parent Capital Stock as indicated in Appendix A.

WHEREAS, as a condition and inducement to the willingness of the Company to enter into the Merger Agreement, Parent has required that Shareholder enter into this Agreement.

NOW, THEREFORE, intending to be legally bound, the Parties hereby agree as follows:

1. Certain Definitions. For all purposes of this Agreement, the following terms shall have the following respective meanings:

(a) "Constructive Sale" means, with respect to any security, (i) a short sale with respect to such security, (ii) entering into or acquiring a derivative contract with respect to such security, (iii) entering into or acquiring a futures or forward contract to deliver such security or (iv) entering into any other hedging or other derivative transaction that has the effect of either directly or indirectly changing the economic benefits or risks of ownership of such security.

(b) "Shares" means (i) all shares of Parent Capital Stock and any other equity securities of Parent beneficially owned by the Shareholder as of the date hereof, including such securities indicated in Appendix A, (ii) all additional shares of Parent Capital Stock acquired, whether beneficially owned or of record, by the Stockholder during the period commencing with the execution and delivery of this Agreement and expiring on the Expiration Date, and (iii) any shares of capital stock or other equity securities of Parent that such Shareholder acquires or with respect to which such Shareholder otherwise acquires sole or shared voting power (including any proxy), whether beneficial or of record, or otherwise owned by such Shareholder after the execution and delivery of this Agreement and expiring on the Expiration Date, whether by exercise of any Parent Options or otherwise, including, without limitation, by gift, succession, in the event of a stock split or as a dividend or distribution of any Shares.

(c) "Transfer" or "Transferred" means, with respect to any security, the direct or indirect assignment, sale, transfer, tender, exchange, pledge or hypothecation, or the grant, creation or suffrage of an Encumbrance, lien, security interest or encumbrance in or upon, or the gift, grant or placement in trust, or the Constructive Sale or other disposition of such security (including transfers by testamentary or intestate succession, by domestic relations order or other court order, or otherwise by operation of law) or any right, title or interest therein (including any right or power to vote to which the holder thereof may be entitled, whether such right or power is granted by proxy or otherwise), or the record or beneficial ownership thereof, the offer to make such a sale, transfer, Constructive Sale or other disposition, and each agreement, arrangement or understanding, whether or not in writing, to effect any of the foregoing.

2. Transfer and Voting Restrictions. The Shareholder covenants to Parent and the Company as follows:

(a) Except as otherwise permitted by Section 2(d), during the period commencing with the execution and delivery of this Agreement and expiring on the Expiration Date (as defined below), the Shareholder shall not Transfer any of the Shareholder's Shares, publicly announce its intention to Transfer any of its Shares.

(b) Except as otherwise permitted by this Agreement or otherwise permitted or required by order of a court of competent jurisdiction or a Governmental Authority, the Shareholder will not commit any act that would restrict the Shareholder's legal power, authority and right to vote all of the Shares held by the Shareholder or otherwise prevent or disable the Shareholder from performing any of his, her or its obligations under this Agreement. Without limiting the generality of the foregoing, except for this Agreement, and as otherwise permitted by this Agreement, the Shareholder shall not enter into any voting agreement with any person or entity with respect to any of the Shareholder's Shares, grant any person or entity any proxy (revocable or irrevocable) or power of attorney with respect to any of the Shares, deposit any Shares in a voting trust or otherwise enter into any agreement or arrangement with any person or entity in each case which has the effect of limiting or affecting the Shareholder's legal power, authority or right to vote the Shareholder's Shares in favor of the Parent Shareholder Matters.

(c) Except as otherwise permitted by this Agreement or otherwise permitted or required by order of a court of competent jurisdiction or a Governmental Entity, the Stockholder will not enter into any Contract, option, commitment or other arrangement or understanding with respect to the direct or indirect Transfer of any right, title or interest (including any right or power to vote to which the holder thereof may be entitled whether such right or power is granted by proxy or otherwise) to any Shares or take any action that would reasonably be expected to make any representation or warranty of such Stockholder contained herein untrue or incorrect or have the effect of restricting the Stockholder's legal power, authority and right to vote all of the Shares or would otherwise prevent or disable such Stockholder from performing any of such Stockholder's obligations under this Agreement.

(d) Notwithstanding anything else herein to the contrary, the Shareholder may, at any time, Transfer Shares (i) by will or other testamentary document or by intestacy to the legal representative, heir, beneficiary or a member of the immediate family of the Shareholder or, if the Shareholder is a corporation, partnership or other entity, to an immediate family member of a beneficial owner of the Shares held by the Shareholder, (ii) to such Shareholder's Affiliates (in each case, directly or indirectly), (iii) to any trust or other entity for the direct or indirect benefit of the Shareholder or the immediate family of the Shareholder (or, if the Shareholder is a corporation, partnership or other entity, for the direct or indirect benefit of an immediate family member of a beneficial owner of the Shares held by the Shareholder) or otherwise for estate tax or estate planning purposes, (iv) in the case of a Shareholder who is not a natural person, by pro rata distributions from the Shareholder to its members, partners, or shareholders pursuant to

the Shareholder's organizational documents, (v) pursuant to applicable Law or by operation of law pursuant to a qualified domestic relations order or in connection with a divorce settlement and (vi) pursuant to the exercise of any option to purchase any Parent Capital Stock, including in order to pay the exercise price of such option or otherwise satisfy taxes applicable thereto; provided, that in the cases of clauses (i)-(v), (x) such Transferred Shares shall continue to be bound by this Agreement and (y) the applicable direct transferee (if any) of such Transferred Shares shall have executed and delivered to Parent and the Company a support agreement substantially identical to this Agreement upon consummation of the Transfer if not already a party thereto. Any action taken in violation of Section 2(a) through Section 2(d) shall be null and void ab initio.

(d) Notwithstanding anything to the contrary herein, nothing in this Agreement shall obligate the Shareholder to exercise any option or any other right to acquire any shares of Parent Capital Stock.

3. Agreement to Vote Shares. The Shareholder covenants to Parent and the Company as follows:

(a) Until the Expiration Date, at every meeting of the Shareholders of Parent called to vote upon the Parent Shareholder Matters, however called, and at every adjournment or postponement thereof, and on every action or approval by written consent of the shareholders of Parent, the Shareholder shall be present (in person or by proxy) and vote, or exercise its right to consent with respect to, all Shares held by the Shareholder (A) in favor of the Parent Shareholder Matters, and (B) against any Acquisition Proposal.

(b) If the Shareholder is the beneficial owner, but not the record holder, of Shares, the Shareholder agrees to take all actions necessary to cause the record holder and any nominees to be present (in person or by proxy) and vote all the Shareholder's Shares in accordance with this Section 3.

(c) In the event of a stock split, stock dividend or distribution, or any change in the capital stock of Parent by reason of any split-up, reverse stock split, recapitalization, combination, reclassification, reincorporation, exchange of shares or the like, the term "Shares" shall be deemed to refer to and include such shares as well as all such stock dividends and distributions and any securities into which or for which any or all of such shares may be changed or exchanged or which are received in such transaction.

4. Action in Shareholder Capacity Only. The Shareholder is entering into this Agreement solely in the Shareholder's capacity as a record holder and beneficial owner, as applicable, of its Shares and not in the Shareholder's capacity as a director or officer of Parent. Nothing herein shall limit or affect the Shareholder's ability to exercise the Shareholder's fiduciary duties as an officer or director of Parent.

5. Irrevocable Proxy. The Shareholder hereby revokes (or agrees to cause to be revoked) any proxies that the Shareholder has heretofore granted with respect to its Shares. In the event and to the extent that the Shareholder fails to vote the Shares in accordance with Section 3 at any applicable meeting of the shareholders of Parent or pursuant to any applicable written consent of the shareholders of Parent, the Shareholder shall be deemed to have irrevocably granted to, and appointed, the Company as his, her or its proxy and attorney-in-fact (with full power of substitution), for and in its name, place and stead, to (a) attend any all meetings of the Parent shareholders with respect to any of the matters specified in Section 3 and (b) vote, express consent, dissent or grant, withhold or issue instructions to the record holder to vote his, her or its Shares in any action by written consent of Parent shareholders or at any meeting of Parent shareholders called with respect to any of the matters specified in, and in accordance and consistent with, Section 3 of this Agreement. The Company agrees not to exercise the proxy granted herein for any purpose

other than the purposes described in this Agreement. Except as otherwise provided for herein (including the next sentence), the Shareholder hereby affirms that the irrevocable proxy is coupled with an interest and may under no circumstances be revoked and that such irrevocable proxy is executed and intended to be irrevocable (and as such shall survive and not be affected by the death, incapacity, mental illness or insanity of the Shareholder, as applicable) and shall not be terminated by operation of law or upon the occurrence of any other event other than the termination of this Agreement pursuant to [Section 9](#). Notwithstanding any other provisions of this Agreement, the irrevocable proxy granted hereunder shall automatically terminate on the Expiration Date. The Shareholder authorizes such attorney and proxy to substitute any other Person to act hereunder, to revoke any substitution and to file this proxy and any substitution or revocation with the Secretary of Parent. The Shareholder hereby affirms that the proxy set forth in this [Section 5](#) is given in connection with and granted in consideration of and as an inducement to the Company to enter into the Merger Agreement and that such proxy is given to secure the obligations of the Shareholder under [Section 3](#). With respect to any Shares that are owned beneficially by the Shareholder but are not held of record by the Shareholder (other than shares beneficially owned by the Shareholder that are held in the name of a bank, broker or nominee), the Shareholder shall take all action necessary to cause the record holder of such Shares to grant the irrevocable proxy and take all other actions provided for in this [Section 5](#) with respect to such Shares.

6. [No Solicitation](#). The Shareholder agrees not to directly or indirectly, including through any of its officers, directors or agents, take any action that Parent is prohibited from taking pursuant to Section 5.4 of the Merger Agreement and Section 5.4 of the Merger Agreement is hereby incorporated by reference *mutatis mutandis*. The Stockholder hereby represents and warrants that the Stockholder has read Section 5.4 of the Merger Agreement.

7. [Documentation and Information](#). The Shareholder shall permit and hereby authorizes Parent and the Company to publish and disclose in all documents and schedules filed with the SEC, and any press release or other disclosure document that Parent or the Company reasonably determines to be necessary in connection with the Merger and any of the Contemplated Transactions, a copy of this Agreement, the Shareholder's identity and ownership of the Shares and the nature of the Shareholder's commitments and obligations under this Agreement.

8. [Representations and Warranties of the Shareholder](#). The Shareholder hereby represents and warrants to Parent and the Company as follows:

(a) (i) The Shareholder is the beneficial or record owner of the shares of Parent Capital Stock indicated in [Appendix A](#) (each of which shall be deemed to be "held" by the Shareholder for purposes of [Section 3](#) unless otherwise expressly stated with respect to any shares in [Appendix A](#)), free and clear of any and all Encumbrances (except for any Encumbrance that may be imposed pursuant to this Agreement and Encumbrances arising under applicable securities or community property laws); and (ii) the Shareholder does not beneficially own any securities of Parent other than the shares of Parent Capital Stock and rights to purchase shares of Parent Capital Stock set forth in [Appendix A](#).

(b) Except as otherwise provided in this Agreement, the Shareholder has full power and authority to (i) make, enter into and carry out the terms of this Agreement and (ii) vote all of its Shares in the manner set forth in this Agreement without the consent or approval of, or any other action on the part of, any other person or entity (including any Governmental Authority). Without limiting the generality of the foregoing, the Shareholder has not entered into any voting agreement (other than this Agreement) with any person with respect to any of the Shareholder's Shares, granted any person any proxy (revocable or irrevocable) or power of attorney with respect to any of the Shareholder's Shares, deposited any of the Shareholder's Shares in a voting trust or entered into any arrangement or agreement with any person limiting or affecting the Shareholder's legal power, authority or right to vote the Shareholder's Shares on any matter.

(c) This Agreement has been duly and validly executed and delivered by the Shareholder and (assuming the due authorization, execution and delivery by the other Parties) constitutes a valid and binding agreement of the Shareholder enforceable against the Shareholder in accordance with its terms, subject to the Enforceability Exceptions. The execution and delivery of this Agreement by the Shareholder and the performance by the Shareholder of the agreements and obligations hereunder will not result in any breach or violation of or be in conflict with or constitute a default under any term of any Contract or, if applicable, any provision of an organizational document (including a certificate of incorporation) to or by which the Shareholder is a party or bound, or any applicable law to which the Shareholder (or any of the Shareholder's assets) is subject or bound, except for any such breach, violation, conflict or default which, individually or in the aggregate, would not reasonably be expected to materially impair or adversely affect the Shareholder's ability to perform its obligations under this Agreement.

(d) The execution, delivery and performance of this Agreement by the Shareholder do not and will not require any consent, approval, authorization or permit of, action by, filing with or notification to, any Governmental Authority, except for any such consent, approval, authorization, permit, action, filing or notification the failure of which to make or obtain, individually or in the aggregate, has not and would not materially impair the Shareholder's ability to perform its obligations under this Agreement.

(e) The Shareholder has had the opportunity to review the Merger Agreement and this Agreement with counsel of the Shareholder's own choosing. The Shareholder has had an opportunity to review with its own tax advisors the tax consequences of the Merger and the Contemplated Transactions. The Shareholder understands that it must rely solely on its advisors and not on any statements or representations made by Parent, the Company or any of their respective agents or representatives with respect to the tax consequences of the Merger and the Contemplated Transactions. The Shareholder understands that such Shareholder (and not Parent, the Company or the Surviving Corporation) shall be responsible for such Shareholder's tax liability that may arise as a result of the Merger or the Contemplated Transactions. The Shareholder understands and acknowledges that the Company, Parent and the Merger Subs are entering into the Merger Agreement in reliance upon the Shareholder's execution, delivery and performance of this Agreement.

(f) With respect to the Shareholder, as of the date hereof, there is no action, suit, investigation or proceeding pending against, or, to the knowledge of the Shareholder, threatened against, the Shareholder or any of the Shareholder's properties or assets (including the Shares) that would reasonably be expected to prevent or materially delay or impair the ability of the Shareholder to perform its obligations hereunder or to consummate the transactions contemplated hereby.

9. Termination. This Agreement shall terminate and shall cease to be of any further force or effect as of the earliest of (a) such date and time as the Merger Agreement shall have been terminated pursuant to the terms thereof, (b) the First Effective Time, (c) the amendment of the Merger Agreement, without the prior written consent of the Shareholder, in a manner that affects the economics or material terms of the Merger Agreement in a manner that is adverse to the Shareholder and (d) the time this Agreement is terminated upon the written agreement of the Shareholder, the Company and Parent (the "Expiration Date"); provided, however, that (i) Section 10 shall survive the termination of this Agreement, and (ii) the termination of this Agreement shall not relieve any Party from any liability for any material and willful breach of this Agreement prior to the First Effective Time.

10. Miscellaneous Provisions.

(a) Amendments. No amendment of this Agreement shall be effective against any Party unless it shall be in writing and signed by each of the Parties.

(b) Entire Agreement; Counterparts; Exchanges by Electronic Transmission or Facsimile. This Agreement constitutes the entire agreement between the Parties and supersedes all other prior agreements, arrangements and understandings, both written and oral, among the Parties with respect to the subject matter hereof. This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same instrument. The exchange of a fully executed Agreement (in counterparts or otherwise) by all Parties by facsimile or electronic transmission in PDF format shall be sufficient to bind the Parties to the terms and conditions of this Agreement.

(c) Applicable Law; Jurisdiction. This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, regardless of the laws that might otherwise govern under applicable principles of conflicts of laws, except to the extent the provisions of the laws of the Commonwealth of Massachusetts are mandatorily applicable to the Merger or the fiduciary duties of the board of directors or officers of Parent and provided, that the provisions of this Agreement which by their terms are governed by the laws of the Commonwealth of Massachusetts shall be governed and construed in accordance with the laws of the Commonwealth of Massachusetts. In any action or proceeding between any of the Parties arising out of or relating to this Agreement, each of the Parties: (i) irrevocably and unconditionally consents and submits to the exclusive jurisdiction and venue of the Court of Chancery of the State of Delaware or, to the extent such court does not have subject matter jurisdiction, the Superior Court of the State of Delaware or the United States District Court for the District of Delaware, (ii) agrees that all claims in respect of such action or proceeding shall be heard and determined exclusively in accordance with clause (i) of this Section 10(c), (iii) waives any objection to laying venue in any such action or proceeding in such courts, (iv) waives any objection that such courts are an inconvenient forum or do not have jurisdiction over any Party, (v) agrees that service of process upon such Party in any such action or proceeding shall be effective if notice is given in accordance with Section 10(h) of this Agreement and (vi) irrevocably and unconditionally waives the right to trial by jury.

(d) Assignment. This Agreement shall be binding upon, and shall be enforceable by and inure solely to the benefit of, the Parties and their respective successors and permitted assigns; provided, however, that neither this Agreement nor any of a Party's rights or obligations hereunder may be assigned or delegated (except pursuant to the Merger) by such Party without the prior written consent of the other Parties, and any attempted assignment or delegation of this Agreement or any of such rights or obligations by such Party without the other Parties' prior written consent shall be void and of no effect.

(e) No Third-Party Rights. Nothing in this Agreement, express or implied, is intended to or shall confer upon any Person any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

(f) Severability. Any term or provision of this Agreement that is invalid or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions of this Agreement or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction. If a final judgment of a court of competent jurisdiction declares that any term or provision of this Agreement is invalid or unenforceable, the Parties agree that the court making such determination shall have the power to limit such term or provision, to delete specific words or phrases or to replace such term or provision with a term or provision that is valid and enforceable and that comes closest to expressing the intention of the invalid or unenforceable term or provision, and this Agreement shall be valid and enforceable as so modified. In the event such court does not exercise the power granted to it in the prior sentence, the Parties agree to replace such invalid or unenforceable term or provision with a valid and enforceable term or provision that will achieve, to the extent possible, the economic, business and other purposes of such invalid or unenforceable term or provision.

(g) Specific Performance. Except as otherwise provided herein, any and all remedies herein expressly conferred upon a Party will be deemed cumulative with and not exclusive of any other remedy conferred hereby, or by law or equity upon such Party, and the exercise by a Party of any one remedy will not preclude the exercise of any other remedy. The Parties agree that irreparable damage for which monetary damages, even if available, would not be an adequate remedy, would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms (including failing to take such actions as are required of it hereunder to consummate this Agreement) or were otherwise breached. It is accordingly agreed that the Parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof the Court of Chancery of the State of Delaware or, to the extent such court does not have subject matter jurisdiction, the Superior Court of the State of Delaware or the United States District Court for the District of Delaware, this being in addition to any other remedy to which they are entitled at law or in equity, and each of the Parties waives any bond, surety or other security that might be required of any other Party with respect thereto. Each of the Parties further agrees that it will not oppose the granting of an injunction, specific performance or other equitable relief on the basis that any other Party has an adequate remedy at law or that any award of specific performance is not an appropriate remedy for any reason at law or in equity.

(h) Notices. All notices and other communications hereunder shall be in writing and shall be deemed duly delivered (i) one (1) Business Day after being sent for next Business Day delivery, fees prepaid, via a reputable international overnight courier service, (ii) upon delivery in the case of delivery by hand or (iii) on the date delivered in the place of delivery if sent by email or facsimile (with a written or electronic confirmation of delivery) prior to 6:00 p.m. (New York City time), otherwise on the next succeeding Business Day, (A) if to the Company or Parent, to the address, electronic mail address or facsimile provided in Section 11.7 of the Merger Agreement, including to the persons designated therein to receive copies; and/or (B) if to the Shareholder, to the Shareholder's address, electronic mail address or facsimile shown below Shareholder's signature to this Agreement.

Neither the Shareholder nor any of its Affiliates (other than Parent, whose actions shall be governed by the Merger Agreement), shall issue or cause the publication of any press release or other public announcement with respect to Parent, this Agreement, the Contemplated Transactions, the Merger Agreement or the other transactions contemplated hereby or thereby without the prior written consent of the Company and Parent, except as may be required by applicable Law in which circumstance such announcing Party shall make reasonable efforts to consult with the Company and Parent to the extent practicable.

## 2. Purchase and Sale of Securities

**2.1 Purchase and Sale.** On the Closing Date, upon the terms and subject to the conditions set forth herein, the Company agrees to sell, and the Investors, severally and not jointly, agree to purchase, the number of Initial Shares equal to (rounded down to the nearest whole Initial Share) (i) the aggregate commitment amount set forth under the heading “Commitment Amount” and opposite such Investor’s name on [Exhibit A](#) (the “**Commitment Amount**”) divided by (ii) the Share Price; provided, however, for any Investor that has provided notice to the Company at least ten (10) Business Days prior to the Closing that such Investor would beneficially own (when aggregated with all Securities then beneficially owned by the Investor and its affiliates (as calculated pursuant to Section 13(d) of the Exchange Act and Rule 13d-3 promulgated thereunder)) in excess of the Beneficial Ownership Limitation, or as such Investor may otherwise choose, in lieu of purchasing Initial Shares such Investor may elect to purchase Pre-Funded Warrants to purchase a number of shares of Common Stock issuable upon exercise of the Pre-Funded Warrants (the “**Pre-Funded Warrant Shares**”) equal to (rounded down to the nearest whole Pre-Funded Warrant Share) (i) the Commitment Amount (or any remainder thereof) divided by (ii) the Pre-Funded Warrant Price in lieu of Initial Shares in such manner to result in the same Aggregate Purchase Amount being paid by such Investor in the aggregate (including upon exercise of such Pre-Funded Warrants). The “**Beneficial Ownership Limitation**” shall initially be set at the discretion of each Investor to a percentage designated by such Investor on its signature page hereto between 0% and 14.99% of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of the Initial Shares and Pre-Funded Warrants on the Closing Date (collectively, the “**Securities**”); provided that such percentage shall be set at 9.99% for any Investor that does not make such designation on its signature page hereto. Notwithstanding the foregoing, by written notice to the Company, any Investor may reset the Beneficial Ownership Limitation percentage to a higher or lower percentage, not to exceed 19.99%;

provided that any increase prior to the Closing will not be effective until the sixty-first (61st) day after such written notice is delivered to the Company. Upon such a change by an Investor of the Beneficial Ownership Limitation, the Beneficial Ownership Limitation may not be further amended by such Investor without first providing the minimum notice required by this [Section 2.1](#). Notwithstanding anything to the contrary set forth in this Agreement, for any Investor that has provided notice to the Company that this sentence shall apply to it, (i) the Investor shall not be required to purchase Pre-Funded Warrants and (ii) the Company shall not issue or sell, and the Investor shall not purchase or acquire, any Initial Shares which, when aggregated with all shares of Common Stock then beneficially owned by the Investor and its affiliates (as calculated pursuant to Section 13(d) of the Exchange Act and Rule 13d-3 promulgated thereunder), would result in the beneficial ownership by the Investor of more than 14.99% of the outstanding shares of Common Stock immediately after giving effect to the Closing and the consummation of the transactions contemplated hereby, and the number of Initial Shares and the Aggregate Purchase Amount for such Investor shall be reduced accordingly.

2.2 **Closing.** Subject to the satisfaction or waiver of the conditions set forth in [Section 6](#), the closing of the purchase and sale of the Securities (the "**Closing**" and the date on which the Closing occurs, the "**Closing Date**") shall occur remotely via the exchange of documents and signatures immediately prior to the First Effective Time (as defined in the Merger Agreement), or at such other time as agreed to by the Company and the Investor Majority. Not less than three (3) Business Days prior to the anticipated Closing Date, the Company shall provide written notice to the Investors (the "**Closing Notice**") of the anticipated Closing Date and the wire instructions for delivery of the Aggregate Purchase Amount. At the Closing, the Securities shall be issued and registered in the name of such Investor, or in such nominee name(s) as designated by such Investor, representing the number and type of Securities to be purchased by such Investor at such Closing as set forth in [Exhibit A](#), in each case against payment to the Company of the purchase price therefor (the "**Aggregate Purchase Amount**") in full, either by (x) wire transfer to the Company of immediately available funds (a "**Wire**"), at or prior to the Closing, in accordance with wire instructions provided by the Company to the Investors in the Closing Notice; (y) the cancellation of Convertible Securities or other debt of the Company or its Subsidiaries (including any outstanding principal, interest or any other amounts due thereon) set forth under the heading "Convertible Securities Amount" and opposite such Investor's name in [Exhibit A](#) (any such cancellation, a "**Contribution**"); or (z) a combination of such methods. On the Closing Date, the Company will (A) cause the Transfer Agent to issue the Initial Shares in book-entry form, free and clear of all restrictive and other legends (except as expressly provided in [Section 4.10](#) hereof) and the Company shall provide evidence of such issuance from the Company's Transfer Agent as soon as reasonably practical following the Closing Date to each Investor and (B) deliver to such Investor (or such Investor's designated custodian per its delivery instructions), or in such nominee name(s) as designated by such Investor, a Pre-Funded Warrant exercisable for a number of shares of Common Stock as set forth in [Exhibit A](#) with respect to such Investor. If the Closing has not occurred within two (2) Business Days after the expected Closing Date, unless otherwise agreed by the Company and such Investor, the Company shall promptly (but no later than one (1) Business Day thereafter) return the previously wired Aggregate Purchase Amount to each respective Investor by wire transfer of United States dollars in immediately available funds to the account specified by each Investor, and any book entries for the Securities shall be deemed cancelled; provided that, unless this Agreement has been terminated pursuant to [Section 7](#), such return of funds shall not terminate this Agreement or relieve such Investor of its obligation to purchase, or the Company of its obligation to issue and sell, the Securities at the Closing. Notwithstanding the foregoing and anything in this Agreement to the contrary, (i) the Company may amend [Exhibit A](#) up to three (3) Business Days prior to the Closing, without the consent of the other parties hereto, to reflect the number of Securities purchased, the Aggregate Purchase Amount to be paid and the Convertible Securities Amount to be Contributed, in each case, by each applicable Investor (provided that, except as contemplated herein, no Investor's aggregate commitment amount set forth under the heading "Commitment Amount" as set forth on [Exhibit A](#) may be reduced without such Investor's prior written consent (not to be unreasonably withheld, conditioned or delayed), and shall provide such updated

Exhibit A to an Investor upon request, and (ii), as may be agreed to among the Company and one or more Investors, if an Investor is (a) an investment company registered under the Investment Company Act of 1940, as amended, (b) advised by an investment adviser subject to regulation under the Investment Advisers Act of 1940, as amended, or (c) otherwise subject to internal policies and/or procedures relating to the timing of funding and issuance of securities, such Investor shall not be required to wire its Aggregate Purchase Amount until it confirms receipt of evidence of the issuance of such Investor's Initial Shares from the Transfer Agent in form and substance reasonably acceptable to the Investor (and the Company shall use reasonable best efforts to cause the Transfer Agent to deliver such evidence) and, if applicable, copies of such Investor's Pre-Funded Warrants.

**2.3 Conversion and Termination of Convertible Securities.** Notwithstanding anything in this Agreement to the contrary, by executing and delivering this Agreement, each Investor holding one or more Convertible Securities prior to the Closing hereby irrevocably agrees that:

(a) the aggregate amount of all such Convertible Securities (including any outstanding principal, interest or any other amounts) held by such Investor is set forth under the heading "Convertible Securities Amount" and opposite such Investor's name in Exhibit A;

(b) such Investor is the sole owner of all right, title and interest in and to the Convertible Securities corresponding to the amounts set forth under the heading "Convertible Securities Amount" and opposite such Investor's name in Exhibit A;

(c) at the Closing, (i) all of such Investor's Convertible Securities will automatically and without any action on the part of such Investor convert into that number of Securities as is calculated in accordance with Section 2.1 based on such Investor's Aggregate Purchase Amount (whether paid via Wire or Contribution), regardless of whether any such Convertible Securities or an affidavit of loss therefor is actually delivered in original or other form to the Company, and (ii) any original Convertible Securities held by (or delivered, electronically or otherwise, to) the Company or any Subsidiary, as applicable, shall be cancelled (and marked cancelled) by the Company or any Subsidiary, as applicable, upon or following the Closing;

Prior to withholding any amounts pursuant to this [Section 2.3\(c\)](#), the Company (and its Subsidiaries, affiliates, and agents) shall use commercially reasonable efforts to notify such Investor, and the Company and such Investor shall cooperate in good faith to reduce or eliminate any such withholding.

3. [Representations and Warranties of the Company](#). The Company hereby represents and warrants to each of the Investors and the Placement Agents that the statements contained in this [Section 3](#) are true and correct as of the date hereof and as of the Closing Date (except for the representations and warranties that speak as of a specific date, which shall be made as of such date):

3.1 [Organization and Power](#). The Company is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware, has the requisite power and authority to own, lease and operate its properties and to carry on its business as now conducted and is qualified to do business in each jurisdiction in which the character of its properties or the nature of its business requires such qualification, except where such failure to be in good standing or to have such power and authority or to so qualify would not reasonably be expected to have a Material Adverse Effect. Each of the Company's subsidiaries (collectively, the "[Subsidiaries](#)") is wholly owned by the Company. Each of the Subsidiaries is duly incorporated and validly existing and in good standing under the laws of the jurisdiction of its incorporation and has the requisite power and authority to carry on its business as now conducted and to own or lease its properties. Each of the Subsidiaries is duly qualified to do business as a foreign corporation and is in good standing in each jurisdiction in which such qualification is required unless the failure to so qualify has not had and would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

3.2 [Capitalization](#). The authorized capital stock of the Company consists of 122,363,552 shares of Common Stock and 95,000,000 shares of preferred stock, par value \$0.0001 per share. All of the issued and outstanding shares of Common Stock have been duly authorized and validly issued and are fully paid and non-assessable. None of the outstanding shares of capital stock of the Company were issued in violation of any preemptive or other similar rights of any securityholder of the Company which have not been waived, and such shares were issued in compliance in all material respects with applicable state and federal securities law and any rights of third parties. Except for any employment agreement entered into in the ordinary course of business, there are no securities or instruments issued by or to which the Company is a party containing anti-dilution or similar provisions that will be triggered (which, for the avoidance of doubt, excludes any such anti-dilution or similar provision that will be waived in connection with the transactions contemplated by this Agreement and the Merger Agreement) by the issuance of the Securities pursuant to this Agreement.

3.3 [Registration Rights](#). Except as set forth in the Transaction Agreements, the Company is presently not under any obligation, and has not granted any rights, to register under the Securities Act any of the Company's presently outstanding securities or any of its securities that may hereafter be issued that have not expired or been satisfied or waived.

3.4 [Authorization](#). The Company has all requisite corporate power and authority to enter into the Transaction Agreements and to carry out and perform its obligations under the terms of the Transaction Agreements, including the issuance and sale of the Securities and the issuance of the Pre-Funded Warrant Shares. Except for the Required Company Stockholder Vote (as defined in the Merger Agreement), all corporate action on the part of the Company, its officers, directors and stockholders necessary for the authorization of the Securities and the Pre-Funded Warrant Shares, the authorization, execution, delivery and performance of the Transaction Agreements and the consummation of the transactions contemplated herein, including the issuance and sale of the Securities and the Pre-Funded Warrant Shares and the reservation of the Pre-Funded Warrant Shares, has been taken, including, without

limitation, the approval of the Board of Directors (or a committee thereof) in accordance with Sections 144(a)(1) and 144(b)(1) of the General Corporation Law of the State of Delaware to the extent applicable. This Agreement has been duly executed and delivered by the Company and assuming the due authorization, execution and delivery by each Investor and that this Agreement constitutes the legal, valid and binding agreement of each Investor, this Agreement and each of the Pre-Funded Warrants constitutes a legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium and similar laws relating to or affecting creditors generally or by general equity principles (regardless of whether such enforceability is considered in a proceeding in equity or at law). Upon its execution by the Company and the other parties thereto and assuming that it constitutes legal, valid and binding agreements of the other parties thereto, the Registration Rights Agreement will constitute a legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium and similar laws relating to or affecting creditors generally or by general equity principles (regardless of whether such enforceability is considered in a proceeding in equity or at law).

3.5 Valid Issuance. The Initial Shares being purchased by the Investors hereunder have been duly and validly authorized and, upon issuance pursuant to the terms hereof, against full payment therefor in accordance with the terms of this Agreement, will be duly and validly issued, fully paid and non-assessable and will be issued free and clear of any liens or other restrictions (other than those as provided in the Transaction Agreements or restrictions on transfer under applicable state and federal securities laws) and the holder of the Initial Shares shall be entitled to all rights accorded to a holder of Common Stock. The Pre-Funded Warrant Shares have been duly and validly authorized and reserved for issuance and, upon issuance pursuant to the terms of the Pre-Funded Warrants, against full payment therefor in accordance with the terms of the Pre-Funded Warrants, will be duly and validly issued, fully paid and non-assessable and will be issued free and clear of any liens or other restrictions (other than those as provided in the Transaction Agreements or restrictions on transfer under applicable state and federal securities laws) and the holder of the Pre-Funded Warrant Shares shall be entitled to all rights accorded to a holder of Common Stock. Subject to the accuracy of the representations and warranties made by the Investors in Section 4 hereof, the offer and sale of the Securities to the Investors is and will be in compliance with applicable exemptions from (i) the registration and prospectus delivery requirements of the Securities Act and (ii) the registration and qualification requirements of applicable securities laws of the states of the United States.

3.6 No Conflict. The execution, delivery and performance of the Transaction Agreements by the Company, the issuance and sale of the Securities and the consummation of the other transactions contemplated by the Transaction Agreements will not (i) violate any provision of the Amended and Restated Certificate of Incorporation or Amended and Restated Bylaws, (ii) conflict with or result in a violation of or default (with or without notice or lapse of time, or both) under, or give rise to a right of termination, cancellation or acceleration of any obligation, a change of control right or to a loss of a benefit under any agreement or instrument, credit facility, franchise, license, judgment, order, statute, law, ordinance, rule or regulations, applicable to the Company or any Subsidiary or their respective properties or assets, or (iii) result in a violation of any law, rule, regulation, order, judgment, injunction, decree or other restriction of any court or governmental authority to which the Company or any Subsidiary is subject (including federal and state securities laws and regulations) and the rules and regulations of any self-regulatory organization to which the Company or its securities are subject, or by which any property or asset of the Company or any Subsidiary is bound or affected, except, in the case of clauses (ii) and (iii), as would not, individually or in the aggregate, be reasonably expected to have a Material Adverse Effect.

3.7 Consents. Assuming the accuracy of the representations and warranties of the Investors in Section 4, no consent, approval, authorization, filing with or order of or registration with, any court or governmental agency or body is required in connection with the authorization, execution or delivery by the Company of the Transaction Agreements, the issuance and sale of the Securities and the performance by the Company of its other obligations under the Transaction Agreements, except such as (a) have been or will be obtained or made under the Securities Act or the Exchange Act, (b) the filing of any requisite notices and/or application(s) to the National Exchange for the issuance and sale of the Securities and the Pre-Funded Warrant Shares and the listing of the Shares and Pre-Funded Warrant Shares for trading or quotation, as the case may be, thereon in the time and manner required thereby, (c) customary post-closing filings with the SEC or pursuant to state securities laws in connection with the offer and sale of the Securities and the Pre-Funded Warrant Shares by the Company in the manner contemplated herein, which will be filed on a timely basis, (d) the filing of the registration statement required to be filed by the Registration Rights Agreement, or (e) such that the failure of which to obtain would not have a Material Adverse Effect. All notices, consents, authorizations, orders, filings and registrations which the Company is required to deliver or obtain prior to the Closing pursuant to the preceding sentence have been obtained or made or will be delivered or obtained or effected, and shall remain in full force and effect, on or prior to the Closing.

Each Investor, severally for itself and not jointly with any other Investor, represents and warrants to the Company and the Placement Agents that the statements contained in this Section 4 are true and correct as of the date hereof and the Closing Date (except for the representations and warranties that speak as of a specific date, which shall be made as of such date):

4.1 Organization. Such Investor is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization and has the requisite power and authority to own, lease and operate its properties and to carry on its business as now conducted.

4.2 Authorization. Such Investor has all requisite corporate or similar power and authority to enter into this Agreement and the other Transaction Agreements to which it will be a party and to carry out and perform its obligations hereunder and thereunder. All corporate, member or partnership action on the part of such Investor or its stockholders, members or partners necessary for the authorization, execution, delivery and performance of this Agreement and the other Transaction Agreements to which it will be a party and the consummation of the other transactions contemplated herein has been taken. The signature of the Investor on this Agreement is genuine and the signatory to this Agreement, if the Investor is an individual, has the legal competence and capacity to execute the same or, if the Investor is not an individual, the signatory has been duly authorized to execute the same on behalf of the Investor. Assuming this Agreement constitutes the legal and binding agreement of the Company, this Agreement constitutes a legal, valid and binding obligation of such Investor, enforceable against such Investor in accordance with

its respective terms, except as such enforceability may be limited or otherwise affected by bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and/or similar laws relating to or affecting the rights of creditors generally or by general equity principles (regardless of whether such enforceability is considered in a proceeding in equity or at law).

4.3 No Conflicts. The execution, delivery and performance of the applicable Transaction Agreements by such Investor, the purchase of the Securities in accordance with their terms and the consummation by such Investor of the other transactions contemplated hereby will not conflict with or result in any violation of, breach or default by such Investor (with or without notice or lapse of time, or both) under, conflict with, or give rise to a right of termination, cancellation or acceleration of any obligation, a change of control right or to a loss of a material benefit under (i) any provision of the organizational documents of such Investor, including, without limitation, its incorporation or formation papers, bylaws, indenture of trust or partnership or operating agreement, as may be applicable or (ii) any agreement or instrument, undertaking, credit facility, franchise, license, judgment, order, ruling, statute, law, ordinance, rule or regulations, applicable to such Investor or its respective properties or assets, except, in the case of clause (ii), as would not, individually or in the aggregate, be reasonably expected to materially delay or materially hinder the ability of such Investor to perform its obligations under the Transaction Agreements.

4.4 Residency. Such Investor's residence (if an individual) or offices in which its investment decision with respect to the Securities was made (if an entity) are located at the address immediately below such Investor's name on Exhibit A, except as otherwise communicated by such Investor to the Company.

4.5 Brokers and Finders. Such Investor has not retained, utilized or been represented by any broker or finder in connection with the transactions contemplated by this Agreement whose fees the Company would be required to pay.

4.6 Investment Representations and Warranties. Such Investor hereby represents and warrants that, it (i) as of the date hereof is, if an entity, a "qualified institutional buyer" (as defined in Rule 144A under the Securities Act) or an "accredited investor" as that term is defined in Rule 501(a) under Regulation D promulgated pursuant to the Securities Act; or (ii) if an individual, is an "accredited investor" as that term is defined in Rule 501(a) of Regulation D of the Securities Act and has such knowledge and experience in financial and business matters as to be able to protect its own interests in connection with an investment in the Securities. Such Investor further represents and warrants that (x) it is capable of evaluating the merits and risk of such investment, and (y) that it has not been organized for the purpose of acquiring the Securities and is an "institutional account" as defined by FINRA Rule 4512(c). Such Investor understands and agrees that the offering and sale of the Securities has not been registered under the Securities Act or any applicable state securities laws and is being made in reliance upon federal and state exemptions for transactions not involving a public offering which depend upon, among other things, the bona fide nature of the investment intent and the accuracy of such Investor's representations as expressed herein.

4.7 Intent. Such Investor is purchasing the Securities solely for investment purposes, for such Investor's own account and not for the account of others, and not with a view to the resale or distribution of any part thereof in violation of the Securities Act, and such Investor has no present intention of selling, granting any participation in, or otherwise distributing the same in violation of the Securities Act without prejudice, however, to the Investor's right at all times to sell or otherwise dispose of all or any part of such Securities in compliance with applicable federal and state securities laws. Notwithstanding the foregoing, if such Investor is purchasing the Securities as a fiduciary or agent for one or more investor accounts, such Investor has full investment discretion with respect to each such account, and the full power

and authority to make the acknowledgements, representations and agreements herein on behalf of each owner of each such account. Such Investor has no present arrangement to sell the Securities to or through any person or entity. Such Investor understands that the Securities must be held indefinitely unless such Securities are resold pursuant to a registration statement under the Securities Act or an exemption from registration is available. Nothing contained herein shall be deemed a representation or warranty by such Investor to hold the Securities for any period of time.

4.8 Investment Experience; Ability to Protect Its Own Interests and Bear Economic Risks. Such Investor acknowledges that it can bear the economic risk and complete loss of its investment in the Securities and has knowledge and experience in finance, securities, taxation, investments and other business matters as to be capable of evaluating the merits and risks of investments of the kind described in this Agreement and contemplated hereby, and the Investor has had an opportunity to seek, and has sought, such accounting, legal, business and tax advice as such Investor has considered necessary to make an informed investment decision.

Such Investor acknowledges that such Investor (i) is a sophisticated investor, experienced in investing in private placements of equity securities and capable of evaluating investment risks independently, both in general and with regard to all transactions and investment strategies involving a security or securities and (ii) has exercised independent judgment in evaluating its participation in the purchase of the Securities. Such Investor acknowledges that such Investor is aware that there are substantial risks incident to the purchase and ownership of the Securities, including those set forth in Parent's filings with the SEC. Alone, or together with any professional advisor(s), such Investor has adequately analyzed and fully considered the risks of an investment in the Securities and determined that the Securities are a suitable investment for the Investor. Such Investor is, at this time and in the foreseeable future, able to afford the loss of such Investor's entire investment in the Securities and such Investor acknowledges specifically that a possibility of total loss exists.

4.9 Independent Investment Decision. Such Investor understands that nothing in the Transaction Agreements or any other materials presented by or on behalf of the Company to such Investor in connection with the purchase of the Securities constitutes legal, tax or investment advice. Such Investor has consulted such legal, tax and investment advisors as it, in their sole discretion, has deemed necessary or appropriate in connection with its purchase of the Securities.

4.10 Securities Not Registered; Legends. Such Investor acknowledges and agrees that the Securities are being offered in a transaction not involving any public offering within the meaning of the Securities Act, and such Investor understands that the Securities have not been registered under the Securities Act, by reason of their issuance by the Company in a transaction exempt from the registration requirements of the Securities Act, and that the Securities must continue to be held and may not be offered, resold, transferred, pledged or otherwise disposed of by such Investor unless a subsequent disposition thereof is registered under the Securities Act or is exempt from such registration and in each case in accordance with any applicable securities laws of any state of the United States. Such Investor understands that the exemptions from registration afforded by Rule 144 (the provisions of which are known to it) promulgated under the Securities Act depend on the satisfaction of various conditions including, but not limited to, the time and manner of sale, the holding period and on requirements relating to the Company which are outside of such Investor's control and which the Company may not be able to satisfy, and that, if applicable, Rule 144 may afford the basis for sales only in limited amounts. Such Investor acknowledges and agrees that it has been advised to consult legal counsel prior to making any offer, resale, transfer, pledge or disposition of any of the Securities. Such Investor acknowledges that no federal or state agency has passed upon or endorsed the merits of the offering of the Securities or made any findings or determination as to the fairness of this investment.

Such Investor understands that any certificates or book entry notations evidencing the Securities may bear one or more legends in substantially the following form and substance:

“THE SECURITIES REPRESENTED HEREBY HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE “SECURITIES ACT”), OR THE SECURITIES LAWS OF ANY STATE OF THE UNITED STATES. THE SECURITIES HAVE BEEN ACQUIRED FOR INVESTMENT AND MAY NOT BE SOLD, TRANSFERRED OR ASSIGNED UNLESS (I) SUCH SECURITIES HAVE BEEN REGISTERED FOR SALE PURSUANT TO THE SECURITIES ACT, (II) SUCH SECURITIES MAY BE SOLD PURSUANT TO RULE 144 UNDER THE SECURITIES ACT, (III) THE COMPANY HAS RECEIVED AN OPINION OF COUNSEL REASONABLY SATISFACTORY TO IT THAT SUCH TRANSFER MAY LAWFULLY BE MADE WITHOUT REGISTRATION UNDER THE SECURITIES ACT, OR (IV) THE SECURITIES ARE TRANSFERRED WITHOUT CONSIDERATION TO AN AFFILIATE OF SUCH HOLDER OR A CUSTODIAL NOMINEE (WHICH FOR THE AVOIDANCE OF DOUBT SHALL REQUIRE NEITHER CONSENT NOR THE DELIVERY OF AN OPINION). NOTWITHSTANDING THE FOREGOING, THE SECURITIES MAY BE PLEDGED IN CONNECTION WITH A BONA FIDE MARGIN ACCOUNT OR OTHER LOAN OR FINANCING ARRANGEMENT SECURED BY THE SECURITIES.”

In addition, the Securities may contain a legend regarding affiliate status of the Investor, if applicable, provided that the Company will notify the Investor in advance of Closing if such a legend is to be placed on its Securities.

4.11 Placement Agents. Such Investor hereby acknowledges and agrees that (a) each Placement Agent is acting solely as placement agent in connection with the execution, delivery and performance of the Transaction Agreements and the issuance of the Securities to the Investor and neither any Placement Agent nor any of their respective affiliates have acted as an underwriter or in any other capacity and is not and shall not be construed as a fiduciary or financial advisor for such Investor, the Company or any other person or entity in connection with the execution, delivery and performance of the Transaction Agreements and the issuance and purchase of the Securities, (b) no Placement Agent has made and no Placement Agent makes any representation or warranty, whether express or implied, of any kind or character, and no Placement Agent has provided any advice or recommendation in connection with the execution, delivery and performance of the Transaction Agreements or with respect to the Securities, nor is such information or advice necessary or desired, (c) no Placement Agent will have any responsibility with respect to (i) any representations, warranties or agreements made by any person or entity under or in connection with the execution, delivery and performance of the Transaction Agreements, or the execution, legality, validity or enforceability (with respect to any person) thereof, or (ii) the business, affairs, financial condition, operations, properties or prospects of, or any other matter concerning the Company, and (d) no Placement Agent will have any liability or obligation (including without limitation, for or with respect to any losses, claims, damages, obligations, penalties, judgments, awards, liabilities, costs, expenses or disbursements incurred by such Investor, the Company or any other person or entity), whether in contract, tort or otherwise, to such Investor, or to any person claiming through it, in respect of the execution, delivery and performance of the Transaction Agreements, except in each case for such party's own gross negligence, willful misconduct or bad faith. No disclosure or offering document has been prepared by any Placement Agent or any of their respective affiliates in connection with the offer and sale of the Securities. Neither any of the Placement Agents nor any of their respective affiliates have made or make any representation as to the quality or value of the Securities and the Placement Agents and their respective affiliates may have acquired non-public information with respect to the Company which the Investor agrees need not be provided to it.

4.12 No General Solicitation. Such Investor acknowledges and agrees that such Investor is purchasing the Securities directly from the Company. Such Investor became aware of this offering of the Securities solely by means of direct contact from the Placement Agents or directly from the Company as a result of a pre-existing, substantive relationship with the Company or the Placement Agents, and/or their respective advisors (including, without limitation, attorneys, accountants, bankers, consultants and financial advisors), agents, control persons, representatives, affiliates, directors, officers, managers, members, and/or employees, and/or the representatives of such persons. The Securities were offered to such Investor solely by direct contact between such Investor and the Company, the Placement Agents and/or their respective representatives. Such Investor did not become aware of this offering of the Securities, nor were the Securities offered to such Investor, by any other means, and none of the Company, any of the Placement Agents and/or their respective representatives acted as investment advisor, broker or dealer to such Investor. Such Investor is not purchasing the Securities as a result of any general or public solicitation or general advertising, or publicly disseminated advertisement, article, notice or other communication regarding the Securities published in any newspaper, magazine or similar media or broadcast over television, radio or the internet or presented at any seminar or any other general solicitation or general advertisement, including any of the methods described in Section 502(c) of Regulation D under the Securities Act.

4.13 Access to Information. In making its decision to purchase the Securities, such Investor has relied solely upon independent investigation made by such Investor, upon the Company Presentation and upon the representations, warranties and covenants set forth herein. Such Investor acknowledges and agrees that such Investor has received such information as such Investor deems necessary in order to make an investment decision with respect to the Securities, including, with respect to the Company. Without limiting the generality of the foregoing, each Investor acknowledges that copies of the 2025 SEC Reports are available on EDGAR at [www.sec.gov](http://www.sec.gov). Such Investor acknowledges and agrees that such Investor and such Investor's professional advisor(s), if any, have had the opportunity to ask such questions, receive such answers and obtain such information from the Company regarding the Company, its business and the terms and conditions of the offering of the Securities as such Investor and such Investor's professional advisor(s), if any, have deemed necessary to make an investment decision with respect to the Securities and that such Investor has independently made its own analysis and decision to invest in the Company. Neither such inquiries nor any other due diligence investigation conducted by such Investor shall modify, limit or otherwise affect such Investor's right to rely on the Company's representations and warranties contained in this Agreement.

4.14 Certain Trading Activities. Other than consummating the transaction contemplated hereby, the Investor has not, nor has any Person acting on behalf of or pursuant to any understanding with such Investor, directly or indirectly executed any purchases or sales, including Short Sales, of the securities of the Company during the period commencing as of the time that such Investor was first contacted by the Company or any other Person regarding the transaction contemplated hereby and ending immediately prior to the date hereof. Notwithstanding the foregoing, (i) in the case of an Investor that is a multi-managed investment vehicle whereby separate portfolio managers manage separate portions of such Investor's assets and the portfolio managers have no direct knowledge of the investment decisions made by the portfolio managers managing other portions of such Investor's assets, the representation set forth above shall only apply with respect to the portion of the assets managed by the portfolio manager that made the investment decision to purchase the Securities covered by this Agreement and (ii) in the case of an Investor whose investment adviser utilized an information barrier with respect to the information regarding the transactions contemplated hereunder after first being contacted by the Company or such other Person representing the Company, the representation set forth above shall only apply after the point in time when the portfolio manager who manages such Investor's assets was informed of the information regarding the transactions contemplated hereunder and, with respect to the Investor's investment adviser, the representation set forth above shall only apply with respect to any purchases or sales, including Short Sales, of the securities of the Company on behalf of other funds or investment vehicles for which the Investor's investment adviser is

also an investment adviser or subadviser after the point in time when the portfolio manager who manages the assets of such other funds or investment vehicles for which the Investor's investment adviser is also an investment adviser or sub-adviser was informed of the information regarding the transactions contemplated hereunder. Other than to other Persons party to this Agreement and to its advisors and agents who had a need to know such information, such Investor has maintained the confidentiality of all disclosures made to it in connection with this transaction (including the existence and terms of this transaction). Notwithstanding the foregoing, for avoidance of doubt, nothing contained herein shall constitute a representation or warranty, or preclude any actions, with respect to the identification of the availability of, or securing of, available shares to borrow in order to effect Short Sales or similar transactions in the future.

#### 4.15 Acknowledgements Regarding Placement Agents.

(a) Such Investor acknowledges that each of the Placement Agents is acting as a placement agent on a "best efforts" basis for the Shares being offered hereby and will be compensated by the Company for acting in such capacity. Such Investor represents that such Investor was contacted regarding the sale of the Shares by a Placement Agent or the Company (or an authorized agent or representative thereof) with whom the Investor entered into a verbal or written confidentiality agreement.

(b) Such Investor represents that it is making this investment based on the results of its own due diligence investigation of the Company, and has not relied on any information or advice furnished by or on behalf of either of the Placement Agents in connection with the transactions contemplated hereby. Such Investor acknowledges that neither of the Placement Agents has made, and will not make, any representations and warranties with respect to the Company or the transactions contemplated hereby, and the Investor will not rely on any statements made by either of the Placement Agents, orally or in writing, to the contrary.

Each Investor acknowledges that the Company and the Placement Agents will rely on the acknowledgments, understandings, agreements, representations and warranties contained in this Agreement. Prior to the Closing, the Investor agrees to promptly notify the Company if any of the acknowledgments, understandings, agreements, representations and warranties of such Investor set forth in Section 4 are no longer accurate and the Company agrees to promptly notify each Investor and the Placement Agents if any of the acknowledgments, understandings, agreements, representations and warranties set forth in Section 3 are no longer accurate.

Following the Disclosure Time, no Investor shall be in possession of any material non-public information received from the Company, its subsidiaries or any of their respective officers, directors, employees or agents (including the Placement Agents). Notwithstanding anything in this Agreement, the Company shall not provide any of the Investors or their respective affiliates, attorneys, agents or representatives with any material non-public information regarding the Company or Parent or their respective securities from and after the Disclosure Time except as otherwise agreed by such Investor. The Company understands and confirms that the Investors will rely on the foregoing representations, covenants and agreements in effecting securities transactions. Notwithstanding anything in this Agreement to the contrary, the Company shall not disclose the name of any Investor or any of its affiliates or advisers, or include the name of any Investor or any of its affiliates or advisers in any marketing materials (whether or not made publicly available), press release, public announcement or filing with the SEC (other than any registration statement contemplated by the Registration Rights Agreement, which shall be subject to review of the Investors in accordance with the terms of the Registration Rights Agreement) or any regulatory agency, without the prior written consent of such Investor, except (i) as required by the federal securities law in connection with (A) any registration statement contemplated by the Registration Rights Agreement and (B) the filing of final Transaction Agreements with the SEC or pursuant to other routine proceedings of regulatory authorities, or (ii) to the extent such disclosure is required by law, at the request of the staff of the SEC or regulatory agency or under the regulations of Nasdaq, provided that the Company shall use commercially reasonable efforts to provide the Investors with prior written notice of and a reasonable opportunity to review such disclosure permitted under foregoing clauses (i) and (ii).

5.4 Integration. The Company shall not, and shall use its commercially reasonable efforts to ensure that no Affiliate of the Company shall, sell, offer for sale or solicit offers to buy or otherwise negotiate in respect of any security (as defined in Section 2 of the Securities Act) that will be integrated with the offer or sale of the Securities in a manner that would require the registration under the Securities Act of the sale of the Securities to the Investors, or that will be integrated with the offer or sale of the Securities for purposes of the rules and regulations of any National Exchange such that it would require stockholder approval prior to the closing of such other transaction unless stockholder approval is obtained before the closing of such subsequent transaction.

#### 5.5 Removal of Legends

(a) In connection with any sale, assignment, transfer or other disposition of Shares by an Investor pursuant to Rule 144 or pursuant to any other exemption under the Securities Act such that the purchaser acquires freely tradable shares and upon compliance by the Investor with the requirements of this Agreement, if requested by the Investor by notice to the Company, the Company shall instruct the Transfer Agent to remove any restrictive legends related to the book entry account holding such Shares and make a new, unlegended entry for such book entry Shares sold or disposed of without restrictive legends as soon as reasonably practicable (expected to be within three (3) Business Days) following any such request therefor from such Investor, provided that the Company has timely received from the Investor a completed Investor representation letter in substantially the form attached hereto as Exhibit D and such other customary representations as may be reasonably required in accordance with applicable law in connection therewith. The Company shall be responsible for the fees of its Transfer Agent, DTC and its legal counsel associated with such legend removal.

(b) In addition, without limiting Section 5.5(a), and subject to receipt from the Investor by the Company and the Transfer Agent of customary representations and other documentation reasonably acceptable to the Company and the Transfer Agent in connection therewith, upon the earliest of such time as the Initial Shares or any other Shares (i) have been registered under the Securities Act pursuant to an effective registration statement, (ii) have been sold pursuant to Rule 144 (in which case the provisions of Section 5.5(a) shall apply), or (iii) are eligible for resale under Rule 144(b)(1) without the requirement for the Company to be in compliance with the current public information requirements under Rule 144(c)(1) (or any successor provision), the Company shall, in accordance with the provisions of this Section 5.5(b) (A) upon effectiveness of the registration statement registering the resale of such Initial Shares or other Shares as set forth in clause (i), provide a "blanket" opinion to the Transfer Agent for the removal of legends in connection with any sale pursuant to the effective registration statement, and (B) with respect to clauses (i), (ii) and (iii), as soon as reasonably practicable and no later than three (3) Business Days following any request therefor from an Investor accompanied by a completed Investor representation letter in substantially the form attached hereto as Exhibit E deliver to the Transfer Agent irrevocable instructions that the Transfer Agent shall make a new, unlegended entry for such book entry shares. If, as a condition to the removal of any legends of any of the Securities, the Transfer Agent requires that the request for removal be accompanied by a certificate and/or an opinion of counsel reasonably satisfactory to the Transfer Agent, to the effect that the proposed transfer does not result in a violation of the Securities Act, the Company and/or its legal counsel shall provide such certificate or opinion with respect to any such transfer. Any shares subject to legend removal under this Section 5.5 may be transmitted by the Transfer Agent to the Investor by crediting the account of the Investor's prime broker with the DTC System as directed by such Investor. The Company shall be responsible for the fees of its Transfer Agent, DTC and its legal counsel associated with such legend removal.

5.8 No Conflicting Agreements. The Company will not take any action, enter into any agreement or make any commitment that would conflict or interfere in any material respect with the Company's obligations to the Investors under the Transaction Agreements.

It is understood that the indemnifying party shall not, in connection with any proceeding in the same jurisdiction, be liable for fees or expenses of more than one separate firm of attorneys at any time for all such indemnified parties. Each Investor further represents and warrants to the Placement Agents that it, including any fund or funds that it manages or advises that participates in the offer and sale of the Securities, is permitted under its constitutive documents (including, without limitation, all limited partnership agreements, charters, bylaws, limited liability company agreements, all applicable side letters with investors, and similar documents) to make investments of the type contemplated by this Agreement. This Section 8.10 shall survive any termination of this Agreement.

(b) The Company agrees and acknowledges that the Placement Agents may rely on its representations, warranties, agreements and covenants contained in this Agreement and each Investor agrees that the Placement Agents may rely on such Investor's representations and warranties contained in this Agreement as if such representations and warranties, as applicable, were made directly to the Placement Agents.

(d) The Company agrees that the Placement Agents and their respective affiliates and representatives shall be entitled to (1) rely on, and shall be protected in acting upon, any certificate, instrument, notice, letter or any other document or security delivered to any of them by or on behalf of the Company, and (2) be indemnified by the Company for acting as the Placement Agents hereunder pursuant to the indemnification provisions set forth in the applicable engagement letters between the Company and the Placement Agents.

8.11 Third Parties. Nothing in this Agreement, express or implied, is intended to confer on any Person other than the parties to this Agreement any rights, remedies, claims, benefits, obligations or liabilities under or by reason of this Agreement, and no Person that is not a party to this Agreement (including, without limitation, any partner, member, shareholder, director, officer, employee or other beneficial owner of any party to this Agreement, in its own capacity as such or in bringing a derivative action on behalf of a party to this Agreement) shall have any standing as a third party beneficiary with respect to this Agreement or the transactions contemplated hereby, except as expressly set forth in this Agreement. Notwithstanding the foregoing, each Placement Agent is an intended third-party beneficiary of the representations and warranties of the Company set forth in Section 3, the representations and warranties of each Investor set forth in Section 4, Section 6.1(g) and Section 8.10 of this Agreement.

8.12 Independent Nature of Investors' Obligations and Right. The obligations of each Investor under this Agreement are several and not joint with the obligations of any other Investor, and no Investor shall be responsible in any way for the performance obligations of any other Investor under this Agreement. Nothing contained herein, and no action taken by any Investor pursuant hereto, shall be deemed to constitute the Investors as, and the Company acknowledges that the Investors do not so constitute, a partnership, an association, a joint venture or any other kind of entity, or create a presumption that the Investors are in any way acting in concert or as a group (including a "group" within the meaning of Section 13(d)(3) of the Exchange Act), and the Company will not assert any such claim with respect to such obligations or the transactions contemplated by this Agreement and the Company acknowledges that the Investors are not acting in concert or as a group with respect to such obligations or the transactions contemplated by this Agreement. It is expressly understood that each provision contained in this Agreement is between the Company and an Investor, solely, and not between the Company and the Investors collectively and not between and among the Investors. The Company acknowledges and each Investor confirms that it has independently participated in the negotiation of the transaction contemplated hereby with the advice of its own counsel and advisors. Each Investor also acknowledges that neither Gibson, Dunn & Crutcher LLP nor Cooley LLP has rendered legal advice to such Investor. Each Investor shall be entitled to independently protect and enforce its rights, including, without limitation, the rights arising out of this Agreement, and it shall not be necessary for any other Investor to be joined as an additional party in any proceeding for such purpose. The Company has elected to provide all Investors with the same terms and Transaction Agreements for the convenience of the Company and not because it was required or requested to do so by any Investor.

8.13 Headings. The titles, subtitles and headings in this Agreement are for convenience of reference and shall not form part of, or affect the interpretation of, this Agreement.

8.14 Counterparts. This Agreement may be executed in two (2) or more identical counterparts, all of which shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to the other party; provided that a facsimile or pdf signature including any electronic signatures complying with the U.S. federal E-SIGN Act of 2000, e.g., www.docuSign.com shall be considered due execution and shall be binding upon the signatory thereto with the same force and effect as if the signature were an original, not a facsimile or pdf (or other electronic reproduction of a) signature.

8.15 Entire Agreement: Amendments. This Agreement and the other Transaction Agreements (including all schedules and exhibits hereto and thereto) constitute the entire agreement between the parties hereto respecting the subject matter hereof and thereof and supersede all prior agreements, negotiations, understandings, representations and statements respecting the subject matter hereof and thereof, whether written or oral. No amendment, modification, alteration, waiver or change in any of the terms of this Agreement shall be valid or binding upon the parties hereto unless made in writing and duly executed by the Company and the Investor Majority. Notwithstanding the foregoing, (i) this Agreement may not be amended or waived with respect to any Investor without the written consent of such Investor unless such amendment or waiver applies to all Investors in the same fashion and (ii) any amendment to the definition of "Share Price" (or of any of the other terms included in such definition), any change in the type of security to be issued to the Investors, and any amendment to or waiver of Section 5.5, Section 5.10, Section 6.1, Section 7.1 or this Section 8.15 shall require the consent of each Investor. The Company, on the one hand, and each Investor, on the other hand, may by an instrument signed in writing by such parties waive the performance, compliance or satisfaction by such Investor or the Company, respectively, with any term or provision hereof or any condition hereto to be performed, complied with or satisfied by such Investor or the Company, respectively. Notwithstanding the foregoing or anything else to the contrary, no amendment, modification, alteration, change or waiver of this Section 8.15 that is material and adverse to the Placement Agents shall be valid without the prior written consent of the Placement Agents, which consent may be granted or withheld in the sole discretion of the Placement Agents. In addition, no consideration shall be offered or paid to any Person to amend or consent to a waiver or modification of any provision of any of this Agreement unless the same consideration (other than the reimbursement of legal fees) also is offered to all Investors. For the avoidance of doubt, an amendment to this Agreement after the date hereof allowing for the sale of additional Securities ("**Additional Securities**") to one or more Persons (whether or not an existing Investor) shall only require the approval of the Company and the Investor Majority; provided that the price paid for such Additional Securities is at least 15% greater than the Share Price and Pre-Funded Warrant Price, as applicable.

8.16 Survival. The covenants, representations and warranties made by each party hereto contained in this Agreement shall survive the Closing and the delivery of the Securities in accordance with their respective terms. Each Investor shall be responsible only for its own representations, warranties, agreements and covenants hereunder.

8.17 Mutual Drafting. This Agreement is the joint product of each Investor and the Company and each provision hereof has been subject to the mutual consultation, negotiation and agreement of such parties and shall not be construed for or against any party hereto.

8.18 Arm's Length Negotiations. For the avoidance of doubt, the parties acknowledge and confirm that the terms and conditions of the Securities were determined as a result of arm's-length negotiations.

8.19 Further Assurances. Each party shall do and perform, or cause to be done and performed, all such further acts and things, and shall execute and deliver all such other agreements, certificates, instruments and documents as the other party may reasonably request in order to carry out the intent and accomplish the purposes of this Agreement and the consummation of the transactions contemplated hereby.

## 2. REGISTRATION.

(a) **Mandatory Registration.** The Company shall, as promptly as reasonably practicable and in any event no later than the Filing Deadline, prepare and file with the SEC an initial Registration Statement (the “**Initial Registration Statement**”) covering the resale of all Registrable Securities. Before filing the Registration Statement, the Company shall furnish to the Investors a copy of the Registration Statement. The Investors and their respective counsel shall have at least three (3) Business Days prior to the anticipated filing date of a Registration Statement to review and comment upon such Registration Statement and any amendment or supplement to such Registration Statement and any related prospectus (including any documents incorporated by reference therein), prior to its filing with the SEC. Subject to any SEC comments, such Registration Statement shall include the plan of distribution substantially in the form attached hereto as **Exhibit B**. Such Registration Statement also shall cover, to the extent allowable under the Securities Act and the rules promulgated thereunder (including Rule 416), such indeterminate number of additional shares of Common Stock resulting from stock splits, stock dividends or similar transactions with respect to the Registrable Securities. The Company shall (a) consider in good faith any comments as the Investor or its counsel reasonably proposed by the Investor to such document prior to being so filed with the SEC, and (b) not file any Registration Statement or related prospectus or any amendment or supplement thereto containing information regarding the Investor to which Investor reasonably believes contains untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, unless such information is required (in the opinion of the Company) to comply with any applicable law or regulation or SEC Guidance. Each Investor shall furnish all information reasonably requested by the Company with respect to such Investor as shall be reasonably required in connection with any registration referred to in this Agreement.

(b) **Effectiveness.** The Company shall use its commercially reasonable efforts to have the Initial Registration Statement and any amendment declared effective by the SEC at the earliest possible date but no later than the earlier of the ninetieth (90th) calendar day following the initial filing date of the Initial Registration Statement if the SEC notifies the Company that it will “review” the Initial Registration Statement and (b) the fifth (5th) Business Day after the date the Company is notified (orally or in writing, whichever is earlier) by the SEC that the Initial Registration Statement will not be “reviewed” or will not be subject to further review (the “**Effectiveness Deadline**”). The Company shall notify the Investor by e-mail as promptly as practicable, and in any event, within twenty-four (24) hours, after the Initial Registration Statement is declared effective or is supplemented and shall provide the Investor with copies of any related prospectus to be used in connection with the sale or other disposition of the securities covered thereby. The Company shall use commercially reasonable efforts to keep the Initial Registration Statement continuously effective pursuant to Rule 415 promulgated under the Securities Act and available for the resale by the Investors of all of the Registrable Securities covered thereby at all times until the earlier to occur of the following events: (i) the date on which the Investors shall have resold all the Registrable Securities covered thereby; (ii) the date on which the Registrable Securities may be resold by the Investors without registration and without regard to any volume or manner-of-sale limitations by reason of Rule 144, and without the requirement for the Company to be in compliance with the current public information

requirement under Rule 144 under the Securities Act or any other rule of similar effect and (iii) five (5) years after the date of this Agreement (the “**Registration Period**”). The Initial Registration Statement (including any amendments or supplements thereto and prospectuses contained therein) shall not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein, or necessary to make the statements therein, in light of the circumstances in which they were made, not misleading.

(c) Sufficient Number of Shares Registered. In the event the number of shares available under the Initial Registration Statement at any time is insufficient to cover the Registrable Securities, the Company shall, to the extent necessary and permissible, amend the Initial Registration Statement or file a new registration statement (together with any prospectuses or prospectus supplements thereunder, a “**New Registration Statement**”), so as to cover all of such Registrable Securities as soon as reasonably practicable, but in any event not later than the Filing Deadline. The Company shall use its commercially reasonable efforts to have such amendment and/or New Registration Statement become effective as soon as reasonably practicable following the filing thereof but no later than the earlier of (a) the seventy-fifth (75th) calendar day following the initial filing date of the New Registration Statement if the SEC notifies the Company that it will “review” the New Registration Statement and (b) the fifth (5th) Business Day after the date the Company is notified (orally or in writing, whichever is earlier) by the SEC that the New Registration Statement will not be “reviewed” or will not be subject to further review. The provisions of Sections 2(a) and 2(b) shall apply to the New Registration Statement, except as modified hereby.

(d) Allowable Delays. On no more than two (2) occasions in any twelve (12)-month period and for not more than thirty (30) consecutive days or for a total of not more than sixty (60) days, the Company may delay the effectiveness of the Initial Registration Statement or any other Registration Statement, or suspend the use of any prospectus included in any Registration Statement, in the event that the Board of Directors reasonably determines, in good faith and upon advice of legal counsel, that such delay or suspension is necessary to (A) delay the disclosure of material non-public information concerning the Company, including in connection with the negotiation or consummation of a material transaction by the Company that is pending, that would require additional disclosure by the Company in the Registration Statement of material non-public information that the Company has a bona fide business purpose for preserving as confidential and the non-disclosure of which would be expected, in the reasonable determination of the Board of Directors, upon advice of legal counsel, to cause the Registration Statement to fail to comply with applicable disclosure requirements, or (B) amend or supplement the affected Registration Statement or the related prospectus so that such Registration Statement or prospectus shall not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the case of the prospectus in light of the circumstances under which they were made, not misleading (an “**Allowed Delay**”); provided, that the Company shall promptly (a) notify each Investor in writing of the commencement of an Allowed Delay, but shall not (without the prior written consent of an Investor) disclose to such Investor any material non-public information giving rise to an Allowed Delay, (b) advise the Investors in writing to cease all sales under the applicable Registration Statement until the end of the Allowed Delay and (c) use commercially reasonable efforts to terminate an Allowed Delay as promptly as practicable. Each Investor may deliver written notice (an “**Opt-Out Notice**”) to the Company requesting that such Investor not receive notices from the Company otherwise required by this Section 2; provided, however, that such Investor may later revoke any such Opt-Out Notice in writing, which shall be effective five (5) Business Days after the receipt thereof. Following receipt of an Opt-Out Notice from an Investor (unless subsequently revoked), the Company shall not deliver any notices pursuant to this Section 2(d) to such Investor and such Investor shall no longer be entitled to the rights associated with any such notice.

(e) Rule 415: Cutback. If at any time the SEC takes the position that the offering of some or all of the Registrable Securities in any Registration Statement is not eligible to be made on a delayed or continuous basis under the provisions of Rule 415 under the Securities Act (provided, however, the Company shall be obligated to use commercially reasonable efforts to advocate with the SEC for the registration of all of the Registrable Securities) or requires any Investor to be named as an “underwriter,” the Company shall (i) promptly notify each holder of Registrable Securities thereof and (ii) make commercially reasonable efforts to persuade the SEC that the offering contemplated by such Registration Statement is a valid secondary offering and not an offering “by or on behalf of the issuer” as defined in Rule 415 and that none of the Investors is an “underwriter.” Each Investor shall have the right to have its legal counsel, at such Investor’s expense, to review and oversee any registration or matters pursuant to this Section 2(e), including to comment on any written submission made to the SEC with respect thereto. In the event that, despite the Company’s commercially reasonable efforts and compliance with the terms of this Section 2(e), the SEC refuses to alter its position, the Company shall (i) remove from such Registration Statement such portion of the Registrable Securities and/or (ii) agree to such restrictions and limitations on the registration and resale of the Registrable Securities as the SEC may require to assure the Company’s compliance with the requirements of Rule 415 (collectively, the “**SEC Restrictions**”); provided, however, that the Company shall not name any Investor as an “underwriter” in such Registration Statement without the prior written consent of such Investor (provided that, in the event an Investor withholds such consent, the Company shall have no obligation hereunder to include any Registrable Securities of such Investor in any Registration Statement covering the resale thereof until such time as the SEC no longer requires such Investor to be named as an “underwriter” in such Registration Statement or such Investor otherwise consents in writing to being so named). Any cut-back imposed on the Investors pursuant to this Section 2(e) shall be allocated among the Investors on a pro rata basis and shall be applied first to any of the Registrable Securities of an Investor that the SEC has indicated cannot be included or must be limited in the number of Registrable Securities that can be included, and thereafter to all other Investors, unless the SEC Restrictions otherwise require or provides otherwise, or an Investor otherwise agrees.

(f) Each Registration Statement filed hereunder shall be on Form S-3 (except if the Company is not then eligible to register for resale the Registrable Securities on Form S-3, in which case such registration shall be on another form in accordance with the provisions of this Section 2(f)). If Form S-3 is not available for the registration of the resale of Registrable Securities hereunder, the Company shall (i) register the resale of the Registrable Securities on another appropriate form and (ii) undertake to register the Registrable Securities on Form S-3 as soon as such form is available, provided that the Company shall maintain the effectiveness of the Registration Statement then in effect until such time as a Registration Statement on Form S-3 covering the Registrable Securities has been declared effective by the SEC.

### 3. RELATED COMPANY OBLIGATIONS.

With respect to the Registration Statement and whenever any Registrable Securities are to be Registered pursuant to Section 2, including on the Initial Registration Statement or on any New Registration Statement, the Company shall use its commercially reasonable efforts to effect the registration of the Registrable Securities in accordance with the intended method of disposition thereof and, pursuant thereto, the Company shall have the following obligations:

(a) Notifications. The Company will promptly notify the Investors of the time when any subsequent amendment to the Initial Registration Statement or any New Registration Statement, other than documents incorporated by reference, has been filed with the SEC and/or has become effective or where a receipt has been issued therefor or any subsequent supplement to a prospectus has been filed and of any request by the SEC for any amendment or supplement to the Registration Statement, any New Registration Statement or any prospectus or for additional information regarding the Investor.

(b) Amendments. The Company will prepare and file with the SEC any amendments, post-effective amendments or supplements to the Initial Registration Statement, any New Registration Statement or any related prospectus, as applicable, that, (a) as may be necessary to keep such Registration Statement effective for the Registration Period and to comply with the provisions of the Securities Act and the Exchange Act with respect to the distribution of all of the Registrable Securities covered thereby, or (b) in the reasonable opinion of the Investors and the Company, as may be necessary or advisable in connection with any acquisition or sale of Registrable Securities by the Investors.

(c) Investor Review. The Company will not file any amendment or supplement to the Registration Statement, any New Registration Statement or any prospectus, other than documents incorporated by reference, relating to any Investor, the Registrable Securities or the transactions contemplated hereby unless (A) such Investor and its counsel shall have been advised and afforded the opportunity to review and comment thereon at least three (3) Business Days prior to filing with the SEC and (B) the Company shall have given reasonable due consideration to any comments thereon received from such Investor or its counsel.

(d) Copies Available. The Company will furnish to any Investor whose Registrable Securities are included in any Registration Statement and its counsel copies of the Initial Registration Statement, any prospectus thereunder (including all documents incorporated by reference therein), any prospectus supplement thereunder, any New Registration Statement and all amendments to the Initial Registration Statement or any New Registration Statement that are filed with the SEC during the Registration Period (including all documents filed with or furnished to the SEC during such period that are deemed to be incorporated by reference therein), each letter written by or on behalf of the Company to the SEC or the staff of the SEC, and each item of correspondence from the SEC or the staff of the SEC, in each case relating to such Registration Statement (other than any portion thereof which contains information for which the Company has sought confidential treatment) and such other documents as such Investor may reasonably request in order to facilitate the disposition of the Registrable Securities owned by such Investor that are covered by such Registration Statement, in each case as soon as reasonably practicable upon such Investor's request and in such quantities as such Investor may from time to time reasonably request; provided, however, that the Company shall not be required to furnish any document to such Investor to the extent such document is available on EDGAR.

(e) Notification of Stop Orders; Material Changes. The Company shall use commercially reasonable efforts to (i) prevent the issuance of any stop order or other suspension of effectiveness and, (ii) if such order is issued, obtain the withdrawal of any such order as soon as practicable. The Company shall advise the Investors promptly (but in no event later than 24 hours) and shall confirm such advice in writing, in each case: (i) of the Company's receipt of notice of any request by the SEC or any other federal or state governmental authority for amendment of or a supplement to the Registration Statement or any prospectus or for any additional information; (ii) of the Company's receipt of notice of the issuance by the SEC or any other federal or state governmental authority of any stop order suspending the effectiveness of the Initial Registration Statement or prohibiting or suspending the use of any prospectus or prospectus supplement, or any New Registration Statement, or of the Company's receipt of any notification of the suspension of qualification of the Registrable Securities for offering or sale in any jurisdiction or the initiation or contemplated initiation of any proceeding for such purpose; and (iii) of the Company becoming aware of the happening of any event, which makes any statement of a material fact made in any Registration Statement or any prospectus untrue or which requires the making of any additions to or changes to the statements then made in any Registration Statement or any prospectus in order to state a material fact required by the Securities Act to be stated therein or necessary in order to make the statements then made therein (in the case of any prospectus, in light of the circumstances under which they were made) not misleading, or of the necessity to amend any Registration Statement or any prospectus to comply with the Securities Act or any other law. The Company shall not be required to disclose to the Investors the

substance of specific reasons of any of the events set forth in clauses (i) through (iii) of the immediately preceding sentence (each, a “**Suspension Event**”), but rather, shall only be required to disclose that the event has occurred; provided that the Company shall not provide any material non-public information to the Investors in such notice. If at any time the SEC, or any other federal or state governmental authority shall issue any stop order suspending the effectiveness of any Registration Statement or prohibiting or suspending the use of any prospectus or prospectus supplement, the Company shall use its commercially reasonable efforts to obtain the withdrawal of such order at the earliest practicable time. The Company shall furnish to any Investor upon request, without charge, a copy of any correspondence from the SEC or the staff of the SEC, or any other federal or state governmental authority to the Company or its representatives relating to the Initial Registration Statement, any New Registration Statement or any prospectus, or prospectus supplement as the case may be. In the event of a Suspension Event set forth in clause (iii) of the second sentence of this [Section 3\(e\)](#), the Company will use its commercially reasonable efforts to publicly disclose such event as soon as reasonably practicable, or otherwise resolve the matter such that sales under Registration Statements may resume.

(f) Confirmation of Effectiveness. If requested by an Investor at any time in respect of any Registration Statement, the Company shall deliver to such Investor a written confirmation (email being sufficient) from Company’s counsel of whether or not the effectiveness of such Registration Statement has lapsed at any time for any reason (including, without limitation, the issuance of a stop order) and whether or not such Registration Statement is currently effective and available to the Company for sale of Registrable Securities.

(g) Listing. The Company shall use commercially reasonable efforts to cause all Registrable Securities covered by a Registration Statement to be listed on the Nasdaq Capital Market and/or any other National Exchange upon which the Common Stock is listed.

(h) Compliance. The Company shall otherwise use commercially reasonable efforts to comply with all applicable rules and regulations of the SEC under the Securities Act and the Exchange Act, including, without limitation, Rule 172 under the Securities Act, file any final prospectus, including any supplement or amendment thereof, with the SEC pursuant to Rule 424 under the Securities Act by 9:30 a.m. New York time on the Business Day following the date of the event requiring disclosure, promptly inform the Investor in writing if, at any time during the Registration Period, the Company does not satisfy the conditions specified in Rule 172 and, as a result thereof, the Investor is required to deliver a prospectus in connection with any disposition of Registrable Securities and take such other actions as may be reasonably necessary to facilitate the registration of the Registrable Securities hereunder, and make available to its security holders, as soon as reasonably practicable, but not later than the Availability Date (as defined below), an earnings statement covering a period of at least twelve (12) months, beginning after the effective date of each Registration Statement, which earnings statement shall satisfy the provisions of Section 11(a) of the Securities Act, including Rule 158 promulgated thereunder (for the purpose of this [Section 3\(h\)](#)), “**Availability Date**” means the forty-fifth (45<sup>th</sup>) day following the end of the fourth (4<sup>th</sup>) fiscal quarter that includes the effective date of such Registration Statement, except that, if such fourth (4<sup>th</sup>) fiscal quarter is the last quarter of the Company’s fiscal year, “Availability Date” means the ninetieth (90<sup>th</sup>) day after the end of such fourth (4<sup>th</sup>) fiscal quarter).

(i) Blue-Sky. The Company shall use commercially reasonable efforts to register or qualify or cooperate with any Investor and its counsel in connection with the registration or qualification of such Registrable Securities for the offer and sale under the securities or blue sky laws of such jurisdictions reasonably requested by such Investor; provided, however, that the Company shall not be required in connection therewith or as a condition thereto to (i) qualify to do business in any jurisdiction where it would not otherwise be required to qualify but for this [Section 3\(i\)](#), (ii) subject itself to general taxation in any jurisdiction where it would not otherwise be so subject but for this [Section 3\(i\)](#), or (iii) file a general consent to service of process in any such jurisdiction.

(j) Rule 144. With a view to making available to the Investors the benefits of Rule 144 (or its successor rule) and any other rule or regulation of the SEC that may at any time permit the Investors to sell shares of TopCo Common Stock to the public without registration, the Company covenants and agrees to use commercially reasonable efforts to make and keep adequate current public information available, as those terms are understood and defined in Rule 144, until the date as all of the Initial Shares may be sold without restriction by the holders thereof pursuant to Rule 144 or any other rule of similar effect (without the requirement for the Company to be in compliance with any current public information requirements). In addition for so long as any Registrable Securities are outstanding, the Company covenants and agrees to use commercially reasonable efforts to (i) file with the SEC in a timely manner all reports and other documents required of the Company under the Exchange Act; and (ii) furnish electronically to each Investor upon request, as long as such Investor owns any Registrable Securities, (A) a written statement by the Company that it has complied with the reporting requirements of the Exchange Act, (B) a copy of or electronic access to the Company's most recent Annual Report on Form 10-K or Quarterly Report on Form 10-Q, and (C) such other information as may be reasonably requested in order to avail such Investor of any rule or regulation of the SEC that permits the selling of any such Registrable Securities without registration.

(k) Cooperation. The Company shall cooperate with the holders of the Registrable Securities to facilitate the timely preparation and delivery of certificates or uncertificated shares representing the Registrable Securities to be sold pursuant to such Registration Statement or Rule 144 free of any restrictive legends and representing such number of shares of Common Stock and registered in such names as the holders of the Registrable Securities may reasonably request in accordance with the provisions of the Purchase Agreement, and the Company may satisfy its obligations hereunder without issuing physical stock certificates through the use of The Depository Trust Company's Direct Registration System.

(l) Removal of Restrictive Legends. Without limiting Section 5.5 of the Purchase Agreement, the Company shall use commercially reasonable efforts to cause the Company's transfer agent to remove any restrictive legend from any Registrable Securities, as promptly as practicable following effectiveness of the applicable Registration Statement, without any request for removal being required from any holder of Registrable Securities.

#### **4. OBLIGATIONS OF THE INVESTORS.**

(a) Investor Information. Each Investor shall provide a completed Investor Questionnaire in the form attached hereto as Exhibit A or such other form of questionnaire or information required by the Company in connection with the registration of the Registrable Securities within three (3) Business Days of request by the Company and no later than the end of the third (3rd) Business Day following the date on which such Investor receives draft materials in accordance with Section 2(a).

(b) Suspension of Sales. Each Investor, severally and not jointly with any other Investor, agrees that, upon receipt of any notice from the Company of the existence of an Allowed Delay or Suspension Event, the Investor will promptly discontinue disposition of Registrable Securities pursuant to any Registration Statement covering such Registrable Securities until the Investor's receipt of a notice from the Company confirming the resolution of such Allowed Delay or Suspension Event and that such dispositions may again be made.

(c) Investor Cooperation. Each Investor, severally and not jointly with any other Investor, agrees to cooperate with the Company as reasonably requested by the Company in connection with the preparation and filing of any amendments and supplements to any Registration Statement or New Registration Statement hereunder, unless such Investor has notified the Company in writing of its election to exclude all of its Registrable Securities from such Registration Statement.

## 5. EXPENSES OF REGISTRATION.

All Registration Expenses incurred in connection with registrations pursuant to this Agreement shall be borne by the Company. All Selling Expenses relating to securities registered on behalf of an Investor shall be borne by such Investor.

## 6. INDEMNIFICATION.

(a) To the fullest extent permitted by law, the Company will, and hereby does, indemnify, hold harmless and defend each Investor, each Person, if any, who controls each Investor, the shareholders, directors, officers, partners, employees, members, managers, agents, representatives and advisors of each Investor and each Person, if any, who controls any of the foregoing within the meaning of the Securities Act or the Exchange Act (each, an "**Indemnified Person**"), against any losses, obligation, claims, damages, liabilities, contingencies, judgments, fines, penalties, charges and costs (including, without limitation, court costs and costs of preparation), reasonable and documented attorneys' fees, amounts paid in settlement or reasonable and documented expenses (collectively, "**Indemnified Damages**") reasonably incurred in investigating, preparing or defending any action, claim, suit, inquiry, proceeding, investigation or appeal taken from the foregoing by or before any court or governmental, administrative or other regulatory agency or body or the SEC, whether pending or threatened, whether or not an indemnified party is or may be a party thereto ("**Claims**"), to which any of them may become subject insofar as such Claims (or actions or proceedings, whether commenced or threatened, in respect thereof) arise out of or are based upon: (i) any untrue statement or alleged untrue statement or omission or alleged omission of any material fact contained in any Registration Statement, or (ii) any violation or alleged violation by the Company or any of its Subsidiaries of the Securities Act, Exchange Act or any other state securities or other "blue sky" laws of any jurisdiction in which Registrable Securities are offered or any rule or regulation promulgated thereunder applicable to the Company or its agents and relating to action or inaction required of the Company in connection with such registration of the Registrable Securities (the matters in the foregoing clauses (i) and (ii) being, collectively, "**Violations**"). The Company shall reimburse each Indemnified Person promptly as such Indemnified Damages are incurred and are due and payable, for any reasonable out-of-pocket legal fees or other reasonable and documented expenses incurred by them in connection with investigating or defending any such Claim. Notwithstanding anything to the contrary contained herein, the indemnification agreement contained in this Section 6(a): (A) shall not apply to a Claim by an Indemnified Person arising out of or based upon a Violation which occurs in reliance upon and in conformity with information furnished in writing to the Company by the Investors or such Indemnified Person specifically for use in such Registration Statement and was reviewed and approved in writing by such Investor or such Indemnified Person expressly for use in connection with the preparation of any Registration Statement; (B) with respect to any superseded prospectus, shall not inure to the benefit of any such Person from whom the Person asserting any such Claim purchased the Registrable Securities that are the subject thereof (or to the benefit of any other Indemnified Person) if the untrue statement or omission of material fact contained in the superseded prospectus was corrected in the revised prospectus, as then amended or supplemented, and the Indemnified Person was promptly advised in writing not to use the outdated, defective or incorrect prospectus prior to the use giving rise to a Violation; (C) shall not be available to the extent such Claim is based on a failure of the Indemnified Person to deliver, or cause to be delivered, if required the prospectus to the Persons asserting an untrue statement or omission or alleged untrue statement or omission at or prior to the written confirmation of the sale of Registrable Securities; and (D) shall not apply to amounts paid in settlement of any Claim if such settlement is effected without the prior written consent of the Company, which consent shall not be unreasonably withheld, conditioned or delayed. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of the Indemnified Person and shall survive the transfer of the Registrable Securities by the Investor pursuant to Section 8.

(b) In connection with the Initial Registration Statement, any New Registration Statement or any prospectus, each Investor, severally and not jointly, agrees to indemnify, hold harmless and defend, the Company, each of its directors, and officers who signed the Initial Registration Statement or signs any New Registration Statement, and each Person, if any, who controls the Company within the meaning of the Securities Act or the Exchange Act (each, an “**Indemnified Party**”), against any losses, claims, damages, liabilities and expense (including reasonable attorney fees) resulting from (i) any untrue statement or alleged untrue statement or omission or alleged omission of any material fact contained in any Registration Statement or (ii) any violation or alleged violation by such Investor of its obligations under this Agreement, in each case to the extent, and only to the extent, that such violation occurs in reliance upon and in conformity with information about such Investor furnished in writing by such Investor to the Company expressly for use in connection with the preparation of the Registration Statement. In no event shall the liability of an Investor be greater in amount than the dollar amount of the proceeds (net of all expense paid by such Investor in connection with any claim relating to this Section 6 and the amount of any damages such Investor has otherwise been required to pay by reason of such untrue statement or omission) received by such Investor upon the sale of the Registrable Securities included in such Registration Statement giving rise to such indemnification obligation. Notwithstanding anything to the contrary contained herein, the indemnification agreement contained in this Section 6(h), shall not apply to amounts paid in settlement of any Claim if such settlement is effected without the prior written consent of the Investor, which consent shall not be unreasonably withheld, conditioned or delayed. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of such Indemnified Party and shall survive the transfer of the Registrable Securities by an Investor pursuant to Section 8.

(c) Promptly after receipt by an Indemnified Person or Indemnified Party under this Section 6 of notice of the commencement of any action or proceeding (including any governmental action or proceeding) involving a Claim, such Indemnified Person or Indemnified Party shall, if a Claim in respect thereof is to be made against any indemnifying party under this Section 6, deliver to the indemnifying party a written notice of the commencement thereof, and the indemnifying party shall have the right to participate in, and, to the extent the indemnifying party so desires, jointly with any other indemnifying party similarly noticed, to assume control of the defense thereof with counsel mutually satisfactory to the indemnifying party and the Indemnified Person or the Indemnified Party, as the case may be, and upon such notice, the indemnifying party shall not be liable to the Indemnified Person or the Indemnified Party for any legal or other expenses subsequently incurred by the Indemnified Person or the Indemnified Party in connection with the defense thereof; provided, however, that an Indemnified Person or Indemnified Party (together with all other Indemnified Persons and Indemnified Parties that may be represented without conflict by one counsel) shall have the right to retain its own counsel with the reasonable fees and expenses to be paid by the indemnifying party, if, in the reasonable opinion of counsel retained by the indemnifying party, the representation by such counsel of the Indemnified Person or Indemnified Party and the indemnifying party would be inappropriate due to actual or potential differing interests between such Indemnified Person or Indemnified Party and any other party represented by such counsel in such proceeding. The Indemnified Party or Indemnified Person shall cooperate with the indemnifying party in connection with any negotiation or defense of any such action or claim by the indemnifying party and shall furnish to the indemnifying party all information reasonably available to the Indemnified Party or Indemnified Person which relates to such action or claim. The indemnifying party shall keep the Indemnified Party or Indemnified Person fully apprised as to the status of the defense or any settlement negotiations with respect thereto. No indemnifying party shall be liable for any settlement of any action, claim or proceeding effected without its written consent, provided, however, that the indemnifying party shall not unreasonably withhold, delay or condition its consent. No indemnifying party shall, without the consent of the Indemnified Party or Indemnified Person, consent to entry of any judgment or enter into any settlement or other compromise unless such judgment or settlement (i) imposes no liability or obligation on, (ii) includes as an unconditional term thereof the giving of a complete, explicit and unconditional release from the party bringing such indemnified claims of all liability of the Indemnified Party or Indemnified Person in respect to or arising

out of such claim or litigation in favor of, and (iii) does not include any admission of fault, culpability, wrongdoing, or wrongdoing or malfeasance by or on behalf of, the Indemnified Party or Indemnified Person. Following indemnification as provided for hereunder, the indemnifying party shall be subrogated to all rights of the Indemnified Party or Indemnified Person with respect to all third parties, firms or corporations relating to the matter for which indemnification has been made. The failure to deliver written notice to the indemnifying party within a reasonable time of the commencement of any such action shall not relieve such indemnifying party of any liability to the Indemnified Person or Indemnified Party under this Section 6, except to the extent that the indemnifying party is prejudiced in its ability to defend such action.

(d) The indemnification required by this Section 6 shall be made by periodic payments of the amount thereof during the course of the investigation or defense, as and when bills are received or Indemnified Damages are incurred. Any Person receiving a payment pursuant to this Section 6 which person is later determined to not be entitled to such payment shall return such payment (including reimbursement of expenses) to the person making it.

(e) The indemnity agreements contained herein shall be in addition to (i) any cause of action or similar right of the Indemnified Party or Indemnified Person against the indemnifying party or others, and (ii) any liabilities the indemnifying party may be subject to pursuant to the law.

#### **7. CONTRIBUTION.**

To the extent any indemnification by an indemnifying party is prohibited or limited by law, the indemnifying party agrees to make the maximum contribution with respect to any amounts for which it would otherwise be liable under Section 6 to the fullest extent permitted by law; provided, however, that: (i) no seller of Registrable Securities guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any seller of Registrable Securities who was not guilty of fraudulent misrepresentation; and (ii) contribution by any seller of Registrable Securities shall be limited in amount to the net amount of proceeds (net of all expenses paid by such holder in connection with any claim relating to this Section 7 and the amount of any damages such holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission) received by such seller from the sale of such Registrable Securities giving rise to such contribution obligation.

#### **8. ASSIGNMENT OF REGISTRATION RIGHTS.**

The Company shall not assign this Agreement or any rights or obligations hereunder (whether by operation of law or otherwise) without the prior written consent of the Investors holding a majority of the Registrable Securities then outstanding (determined as if all of the Pre-Funded Warrants then outstanding have been exercised in full without regard to any limitations on the exercise of such Pre-Funded Warrants) (voting together as a single class); provided, however, that in any transaction, whether by merger, reorganization, restructuring, consolidation, financing or otherwise, whereby the Company is a party and in which the Registrable Securities are converted into the equity securities of another Person, from and after the effective time of such transaction, such Person shall, by virtue of such transaction, be deemed to have assumed the obligations of the Company hereunder, the term "Company" shall be deemed to refer to such Person and the term "Registrable Securities" shall be deemed to include the securities received by the Investor in connection with such transaction unless such securities are otherwise freely tradable by the Investor after giving effect to such transaction, and the prior written consent of the Investors holding a majority of the Registrable Securities then outstanding (determined as if all of the Pre-Funded Warrants then outstanding have been exercised in full without regard to any limitations on the exercise of such Pre-Funded Warrants) shall not be required for such transaction. No Investor may assign its rights under this Agreement, other than to an affiliate of such Investor or to any other investment funds or accounts managed or advised by the investment manager who acts on behalf of the Investor, without the prior written consent of the Company. The provisions of this Agreement shall be binding upon and inure to the benefit of the Investor and its successors and permitted assigns.

**9. AMENDMENTS AND WAIVERS.**

The provisions of this Agreement, including the provisions of this sentence, may be amended, modified or supplemented, or waived only by a written instrument executed by (a) the Company and (b) the holders of a majority of the then outstanding Registrable Securities (determined as if all of the Pre-Funded Warrants then outstanding have been exercised in full without regard to any limitations on the exercise of such Pre-Funded Warrants) (voting together as a single class), provided that (i) any party may give a waiver as to itself, (ii) any amendment, modification, supplement or waiver that disproportionately and adversely affects the rights and obligations of any Investor relative to the comparable rights and obligations of the other Investors shall require the prior written consent of such adversely affected Investor or each Investor, as applicable, and (iii) any amendments to Section 6 or to the definitions of "Filing Deadline," "Effectiveness Deadline," or "Registration Period" shall require the written consent of each Investor. Notwithstanding the foregoing, a waiver or consent to depart from the provisions hereof with respect to a matter that relates exclusively to the rights of one or more Investors and that does not adversely directly or indirectly affect the rights of other Investors may be given by Investors holding a majority of the Registrable Securities (determined as if all of the Pre-Funded Warrants then outstanding have been exercised in full without regard to any limitations on the exercise of such Pre-Funded Warrants) to which such waiver or consent relates.

**10. MISCELLANEOUS.**

(a) Notices. Any notices or other communications required or permitted to be given hereunder shall be in writing and shall be deemed to be given (a) when delivered if personally delivered to the party for whom it is intended, (b) when delivered, if sent by electronic mail during normal business hours of the recipient, and if not sent during normal business hours, then on the recipient's next business day, provided no rejection or undeliverable notice is received, (c) three (3) days after having been sent by certified or registered mail, return-receipt requested and postage prepaid, or (d) one (1) business day after deposit with a nationally recognized overnight courier, freight prepaid, specifying next business day delivery, with written verification of receipt:

(b) No Waiver. No failure or delay on the part of either party hereto in the exercise of any power, right or privilege under this Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any such power, right or privilege preclude any other or further exercise thereof or of any other right, power or privilege.

(c) Governing Law; Submission to Jurisdiction; Venue; Waiver of Trial by Jury. The provisions of Section 8.5 of the Purchase Agreement are incorporated by reference herein *mutatis mutandis*.

(g) Further Assurances. Each party shall do and perform, or cause to be done and performed, all such further acts and things, and shall execute and deliver all such other agreements, certificates, instruments and documents as the other party may reasonably request in order to carry out the intent and accomplish the purposes of this Agreement and the consummation of the transactions contemplated hereby.

(h) Contract Interpretation. This Agreement is the joint product of each Investor and the Company and each provision hereof has been subject to the mutual consultation, negotiation and agreement of such parties and shall not be construed for or against any party hereto.

(i) No Third-Party Beneficiaries. This Agreement is intended for the benefit of the parties hereto and their respective permitted successors and assigns, and is not for the benefit of, nor may any provision hereof be enforced by, any other Person, except as expressly provided in this Agreement. (j) Severability. If any part or provision of this Agreement is held unenforceable or in conflict with the applicable laws or regulations of any jurisdiction, the invalid or unenforceable part or provisions shall be replaced with a provision which accomplishes, to the extent possible, the original business purpose of such part or provision in a valid and enforceable manner, and the remainder of this Agreement shall remain binding upon the parties hereto.

(k) Non-Recourse. Notwithstanding anything that may be expressed or implied in this Agreement, the Company covenants, agrees and acknowledges that no recourse under this Agreement or any documents or instruments delivered in connection with this Agreement shall be had against any current or future director, officer, employee, stockholder, general or limited partner or member of the Investors or of any affiliates or assignees thereof, whether by the enforcement of any assessment or by any legal or equitable proceeding, or by virtue of any statute, regulation or other applicable law, it being expressly agreed and acknowledged that no personal liability whatsoever shall attach to, be imposed on or otherwise be incurred by any current or future director, officer, employee, stockholder, general or limited partner or member of the Investors or of any affiliates or assignees thereof, as such for any obligation of the Investors under this Agreement or any documents or instruments delivered in connection with this Agreement for any claim based on, in respect of or by reason of such obligations or their creation.

(l) Specific Performance. In addition to any and all other remedies that may be available at law in the event of any breach of this Agreement, each Investor shall be entitled to specific performance of the agreements and obligations of the Company hereunder and to such other injunction or equitable relief as may be granted by a court of competent jurisdiction.

(m) Cumulative Remedies. The remedies provided herein are cumulative and not exclusive of any remedies provided by law.

Ladies and Gentlemen:

The undersigned signatory of this lock-up agreement (this "Lock-Up Agreement") understands that Cyclerion Therapeutics, Inc., a Massachusetts corporation (including any successor thereto, "Parent"), has entered into an Agreement and Plan of Merger and Reorganization, dated as of April 1, 2026 (as the same may be amended from time to time, the "Merger Agreement") with CARIBOOS MERGER SUB CORP., a Delaware corporation and a wholly owned subsidiary of Parent, CARIBOOS MERGER SUB II, LLC, a Delaware limited liability company and a wholly owned subsidiary of Parent, and Korsana Biosciences, Inc., a Delaware corporation (the "Company"). Capitalized terms used but not otherwise defined herein shall have the respective meanings ascribed to such terms in the Merger Agreement.

1. As a condition and inducement to each of the parties to enter into the Merger Agreement and to consummate the transactions contemplated by the Merger Agreement, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the undersigned hereby irrevocably agrees that, subject to the exceptions set forth herein, without the prior written consent of Parent, the undersigned will not, during the period commencing upon the Closing and ending on the date that is 180 days after the Closing Date (the "Restricted Period"); provided, that if a registration statement covering the shares of Company Common Stock and pre-funded warrants of the Company issued and sold in connection with the Company Pre-Closing Financing (other than any shares or pre-funded warrants of the Company held by affiliates of the Company or, following the Closing, affiliates of Parent) has not been declared effective by the SEC prior to the end of such 180-day period, then the Restricted Period shall end on such later date upon which such registration statement is first declared effective; provided further, that, this Lock-Up Agreement shall terminate immediately upon the undersigned's termination of employment with Parent or its subsidiaries:
  - a. offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, lend or otherwise transfer or dispose of, directly or indirectly, any shares of Parent Common Stock or any securities convertible into or exercisable or exchangeable for shares of Parent Common Stock (including without limitation, shares of Parent Common Stock or such other securities which may be deemed to be beneficially owned by the undersigned in accordance with the rules and regulations of the SEC and securities of Parent which may be issued upon (i) exercise of Parent Options,

- (ii) settlement of Parent Restricted Stock Units or (iii) any warrant to purchase shares of Parent Common Stock that are currently or hereafter owned by the undersigned, except as set forth below (collectively, the “Undersigned’s Shares”);
  - b. enter into any swap, short sale, hedge or other agreement that transfers, in whole or in part, any of the economic consequences of ownership of the Undersigned’s Shares regardless of whether any such transaction described in clause (a) above or this clause (b) is to be settled by delivery of shares of Parent Common Stock or other securities, in cash or otherwise;
  - c. make any demand for, or exercise any right with respect to, the registration of any shares of Parent Common Stock or any security convertible into or exercisable or exchangeable for shares of Parent Common Stock (other than such rights set forth in the Merger Agreement);
  - d. except for any support agreement entered into as of the date hereof by the undersigned with Parent and the Company, grant any proxies or powers of attorney with respect to any Parent Common Stock, deposit any Parent Common Stock into a voting trust or enter into a voting agreement or similar arrangement or commitment with respect to any Parent Common Stock; or
  - e. publicly disclose the intention to do any of the foregoing.
2. The restrictions and obligations contemplated by this Lock-Up Agreement shall not apply to:
- a. transfers of the Undersigned’s Shares:
    - i. if the undersigned is a natural person, (A) to any person related to the undersigned (or to an ultimate beneficial owner of the undersigned) by blood or adoption who is an immediate family member of the undersigned, or by marriage or domestic partnership (each, a “Family Member”), or to a trust formed for the benefit of the undersigned or any of the undersigned’s Family Members, (B) to the undersigned’s estate, following the death of the undersigned, by will, intestacy or other operation of Law, (C) as a bona fide gift or a charitable contribution, (D) by operation of Law pursuant to a qualified domestic order or in connection with a divorce settlement or (E) to any partnership, corporation or limited liability company which is controlled by or under common control with the undersigned and/or by any such Family Member(s);
    - ii. if the undersigned is an Entity, (A) to another Entity that is an affiliate (as defined under Rule 12b-2 of the Exchange Act) of the undersigned, including investment funds or other entities that controls or manages, is under common control or management with, or is controlled or managed by, the undersigned, (B) as a distribution or dividend to equity holders, current or former general or limited partners, members or managers (or to the estates of any of the foregoing), as applicable, of the undersigned

(including upon the liquidation and dissolution of the undersigned pursuant to a plan of liquidation approved by the undersigned's equity holders), (C) as a bona fide gift or a charitable contribution or otherwise to a trust or other entity for the direct or indirect benefit of an immediate family member of a beneficial owner (as defined in Rule 13d-3 of the Exchange Act) of the Undersigned's Shares or (D) transfers or dispositions not involving a change in beneficial ownership; or

iii. if the undersigned is a trust, to any grantors or beneficiaries of the trust;

provided that, in the case of any transfer or distribution pursuant to this clause (a), such transfer is not for value (other than transfers pursuant to Sections 2(a)(i)(A), 2(a)(i)(E) or 2(a)(ii)(A)) and each donee, heir, beneficiary or other transferee or distributee shall sign and deliver to Parent a lock-up agreement in the form of this Lock-Up Agreement with respect to the shares of Parent Common Stock or such other securities that have been so transferred or distributed;

- b. the exercise of Parent Options (including a net or cashless exercise of a Parent Option), and any related transfer of shares of Parent Common Stock to Parent for the purpose of paying the exercise price of such options or for paying taxes (including estimated taxes) due as a result of the exercise of such options or for paying taxes (including estimated taxes) due as a result of the exercise of such options; provided that, for the avoidance of doubt, the underlying shares of Parent Common Stock shall continue to be subject to the restrictions on transfer set forth in this Lock-Up Agreement;
- c. transfers to Parent in connection with the net settlement of any Parent Restricted Stock Unit or other equity award that represents the right to receive in the future shares of Parent Common Stock, settled in shares of Parent Common Stock, to pay any tax withholding obligations; provided that, for the avoidance of doubt, the underlying shares of Parent Common Stock shall continue to be subject to the restrictions on transfer set forth in this Lock-Up Agreement;
- d. the establishment of, or amendment to, a trading plan pursuant to Rule 10b5-1 under the Exchange Act for the transfer of shares of Parent Common Stock; provided that such plan does not provide for any transfers of shares of Parent Common Stock during the Restricted Period;
- e. the disposition (including a forfeiture or repurchase) to Parent of any shares of Parent Common Stock issued pursuant to a Parent Restricted Stock Award or otherwise granted pursuant to the terms of any employee benefit plan or restricted stock purchase agreement;
- f. transfers, distributions, sales or other transactions by the undersigned of shares of Parent Common Stock purchased by the undersigned on the open market or in a public offering by Parent, in each case following the date of the Closing;

- g. transfers pursuant to a bona fide third party tender offer, merger, consolidation or other similar transaction made to all holders of Parent's capital stock involving a change of control of Parent; provided that in the event that such tender offer, merger, consolidation or other such transaction is not completed, the Undersigned's Shares shall remain subject to the restrictions contained in this Lock-Up Agreement;
- h. transfers pursuant to an order of a court or regulatory agency; or
- i. transfers by the undersigned of shares of Parent Common Stock issued pursuant to the Merger Agreement in respect of shares of the Company, if any, purchased from the Company on or about the Closing Date but prior to the Closing;

and provided, further, that, with respect to each of (b), (c), and (d) above, no filing by any party (including any donor, donee, transferor, transferee, distributor or distributee) under Section 16 of the Exchange Act or other public announcement shall be made voluntarily reporting a reduction in beneficial ownership of shares of Parent Common Stock or any securities convertible into or exercisable or exchangeable for Parent Common Stock in connection with such transfer or disposition during the Restricted Period (other than any exit filings) and if any filings under Section 16(a) of the Exchange Act, or other public filing, report or announcement reporting a reduction in beneficial ownership of shares of Parent Common Stock in connection with such transfer or distribution, shall be legally required during the Restricted Period, such filing, report or announcement shall clearly indicate in the footnotes therein, in reasonable detail, a description of the circumstances of the transfer and that the shares remain subject to this Lock-Up Agreement.

For purposes of this Lock-Up Agreement, "change of control" shall mean the transfer (whether by tender offer, merger, consolidation or other similar transaction), in one transaction or a series of related transactions, to a person or group of affiliated persons, of Parent's voting securities if, after such transfer, Parent's stockholders as of immediately prior to such transfer do not hold a majority of the outstanding voting securities of Parent (or the surviving entity).

- 3. Any attempted transfer in violation of this Lock-Up Agreement will be of no effect and null and void, regardless of whether the purported transferee has any actual or constructive knowledge of the transfer restrictions set forth in this Lock-Up Agreement, and will not be recorded on the share register of Parent. In furtherance of the foregoing, the undersigned agrees that Parent and any duly appointed transfer agent for the registration or transfer of the securities described herein are hereby authorized to decline to make any transfer of securities if such transfer would constitute a violation or breach of this Lock-Up Agreement. Parent may cause the legend set forth below, or a legend substantially equivalent thereto, to be placed upon any certificate(s) or other documents, ledgers or instruments evidencing the undersigned's ownership of Parent Common Stock or any securities convertible into or exercisable or exchangeable for Parent Common Stock:

THE SHARES REPRESENTED BY THIS CERTIFICATE ARE SUBJECT TO AND MAY ONLY BE TRANSFERRED IN COMPLIANCE WITH A LOCK-UP AGREEMENT, A COPY OF WHICH IS ON FILE AT THE PRINCIPAL OFFICE OF THE COMPANY.

4. The undersigned hereby represents and warrants that the undersigned has full power and authority to enter into this Lock-Up Agreement. All authority herein conferred or agreed to be conferred and any obligations of the undersigned shall be binding upon the successors, assigns, heirs or personal representatives of the undersigned.
5. The undersigned understands that if the Merger Agreement is terminated for any reason, the undersigned shall be released from all obligations under this Lock-Up Agreement. The undersigned understands that Parent and the Company are proceeding with the transactions contemplated by the Merger Agreement in reliance upon this Lock-Up Agreement. The Company is an intended third-party beneficiary of this Lock-Up Agreement.
6. Any and all remedies herein expressly conferred upon Parent or the Company will be deemed cumulative with and not exclusive of any other remedy conferred hereby, or by Law or equity, and the exercise by Parent or the Company or of any one remedy will not preclude the exercise of any other remedy. The undersigned agrees that irreparable damage for which monetary damages, even if available, would not be an adequate remedy, would occur to Parent and/or the Company in the event that any of the provisions of this Lock-Up Agreement were not performed in accordance with its specific terms or were otherwise breached. It is accordingly agreed that Parent and the Company shall be entitled to an injunction or injunctions to prevent breaches of this Lock-Up Agreement and to enforce specifically the terms and provisions hereof in any court of the United States or any state having jurisdiction, this being in addition to any other remedy to which Parent or the Company is entitled at Law or in equity, and the undersigned waives any bond, surety or other security that might be required of Parent or the Company with respect thereto. Each of the parties further agrees that it will not oppose the granting of an injunction, specific performance or other equitable relief on the basis that any other party has an adequate remedy at Law or that any award of specific performance is not an appropriate remedy for any reason at Law or in equity.
7. In the event that any holder of securities of Parent that are subject to a substantially similar agreement entered into by such holder, other than the undersigned, is permitted by Parent to sell or otherwise transfer or dispose of shares of Parent Common Stock or any securities convertible into or exercisable or exchangeable for Parent Common Stock for value other than as permitted by this or a substantially similar agreement entered into by such holder (whether in one or multiple releases or waivers), the same percentage of shares of Parent Common Stock or any securities convertible into or exercisable or exchangeable for Parent Common Stock held by the undersigned on the date of such release or waiver as the percentage of the total number of outstanding shares of such securities held by such holder on the date of such release or waiver that are the subject of such release or waiver shall be immediately and fully released on the same terms from any remaining restrictions set forth herein (the "Pro-Rata Release"); provided, however, that such Pro-Rata Release shall not be applied unless and until permission has been granted by Parent to an equity holder or equity holders to sell or otherwise transfer or dispose of all or a portion of such equity

holders shares of Parent Common Stock in an aggregate amount in excess of 1% of the number of shares of Parent Common Stock subject to a substantially similar agreement. In the event of any Pro-Rata Release, Parent shall promptly (and in any event within two (2) Business Days of such release) inform each relevant holder of Parent Common Stock or any securities convertible into or exercisable or exchangeable for Parent Common Stock of the terms of such Pro-Rata Release.

8. Upon the release of any of the Undersigned's Shares from this Lock-Up Agreement, Parent will reasonably cooperate with the undersigned to facilitate the timely preparation and delivery of certificates or the establishment of book-entry positions at Parent's transfer agent representing the Undersigned's Shares without the restrictive legend above or the withdrawal of any stop transfer instructions by virtue of this Lock-Up Agreement.
9. The undersigned understands that this Lock-Up Agreement is irrevocable and is binding upon the undersigned's heirs, legal representatives, successors and assigns.
10. This Lock-Up Agreement shall be governed by, and construed in accordance with, the Laws of the State of Delaware, regardless of the Laws that might otherwise govern under applicable principles of conflicts of Laws. In any action or Legal Proceeding between any of the parties arising out of or relating to this Lock-Up Agreement, each of the parties: (i) irrevocably and unconditionally consents and submits to the exclusive jurisdiction and venue of the Court of Chancery of the State of Delaware or, to the extent such court does not have subject matter jurisdiction, the Superior Court of the State of Delaware or the United States District Court for the District of Delaware, (ii) agrees that all claims in respect of such action or Legal Proceeding shall be heard and determined exclusively in accordance with foregoing clause (i) of this paragraph, (iii) waives any objection to laying venue in any such action or Legal Proceeding in such courts, (iv) waives any objection that such courts are an inconvenient forum or do not have jurisdiction over any party and (v) agrees that service of process upon such party in any such action or Legal Proceeding shall be effective if notice is given in accordance with Section 11 of this Lock-Up Agreement. This Lock-Up Agreement constitutes the entire agreement between the parties to this Lock-Up Agreement and supersedes all other prior agreements, arrangements and understandings, both written and oral, among the parties with respect to the subject matter hereof.  

THE PARTIES HERETO HEREBY WAIVE ANY RIGHT TO TRIAL BY JURY WITH RESPECT TO ANY ACTION OR LEGAL PROCEEDING RELATED TO OR ARISING OUT OF THIS LOCK-UP AGREEMENT, ANY DOCUMENT EXECUTED IN CONNECTION HEREWITH AND THE MATTERS CONTEMPLATED HEREBY AND THEREBY.
11. All notices and other communications hereunder shall be in writing and shall be deemed given if delivered personally or sent by overnight courier (providing proof of delivery), by electronic transmission (providing confirmation of transmission) to the Company or Parent, as the case may be, in accordance with Section 11.7 of the Merger Agreement and to the undersigned at his, her or its address or email address (providing confirmation of transmission) set forth on the signature page hereto (or at such other address for a party as shall be specified by like notice).

12. This Lock-Up Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same instrument. The exchange of a fully executed Lock-Up Agreement (in counterparts or otherwise) by Parent, the Company and the undersigned by electronic transmission in .pdf format shall be sufficient to bind such parties to the terms and conditions of this Lock-Up Agreement.

## ARTICLE 2 CONTINGENT VALUE RIGHTS

### **Section 2.1 Holders of CVRs: Appointment of Rights Agent**

(a) The CVRs represent the rights of Holders to receive CVR Proceeds pursuant to this Agreement. The initial Holders will be the holders of Company Shares as of immediately prior to the Effective Time. One CVR will be issued with respect to each Company Share that is outstanding as of immediately prior to the Effective Time.

(b) The Company hereby appoints the Rights Agent to act as Rights Agent for the Company in accordance with the express terms and conditions set forth in this Agreement, and the Rights Agent hereby accepts such appointment.

**Section 2.2 Non-transferable.** The CVRs may not be sold, assigned, transferred, pledged, encumbered or in any other manner transferred or disposed of, in whole or in part, other than through a Permitted Transfer. The CVRs will not be listed on any quotation system or traded on any securities exchange. Any attempted sale, assignment, transfer, pledge, encumbrance or disposition of CVRs, in whole or in part, in violation of this Section 2.2 shall be void ab initio and of no effect.

**Section 2.3 No Certificate; Registration; Registration of Transfer; Change of Address.**

(a) The CVRs will be issued in book-entry form only and will not be evidenced by a certificate or other instrument.

(b) The Rights Agent shall create and maintain a register (the “**CVR Register**”) for the purpose of registering CVRs and Permitted Transfers. The CVR Register will be created, and CVRs will be distributed, pursuant to written instructions to the Rights Agent from the Company. The CVR Register will initially show one position for Cede & Co. representing Company Shares held by DTC on behalf of the street holders of the Company Shares held by such holders as of immediately prior to the Effective Time. The Rights Agent will have no responsibility whatsoever directly or indirectly to the street name holders with respect to transfers of CVRs. With respect to any payments or issuances to be made under Section 2.4 below, the Rights Agent will accomplish the payment to any former street name holders of Company Shares by sending one lump-sum payment or issuance to DTC. The Rights Agent will have no responsibilities whatsoever with regard to the distribution of payments or Company Shares by DTC to such street name holders.

(c) Subject to the restrictions on transferability set forth in Section 2.2, every request made to transfer a CVR must be in writing and accompanied by a written instrument of transfer in form reasonably satisfactory to the Rights Agent pursuant to its guidelines or procedures, including a guaranty of signature by an “eligible guarantor institution” that is a member or participant in the Securities Transfer Agents Medallion Program, duly executed and properly completed by the Holder thereof, the Holder’s attorney duly authorized in writing, the Holder’s personal representative or the Holder’s survivor, and setting forth in reasonable detail the circumstances relating to the transfer. Upon receipt of such written notice, the Rights Agent shall, subject to its reasonable determination that the transfer instrument is in proper form and the transfer otherwise complies with the other terms and conditions of this Agreement (including the provisions of Section 2.2), register the transfer of the CVRs in the CVR Register. The Company and Rights Agent may require evidence of payment of a sum sufficient to cover any stamp, documentary, registration, or other Tax or governmental charge that is imposed in connection with any such registration of transfer (or evidence that such Taxes and charges are not applicable). The Rights Agent shall have no duty or obligation to take any action under any section of this Agreement that requires the payment by a Holder of a CVR of applicable taxes or charges unless and until the Rights Agent is satisfied that all such taxes or charges have been paid. All duly transferred CVRs registered in the CVR Register will be the valid obligations of the Company and will entitle the transferee to the same benefits and rights under this Agreement as those held immediately prior to the transfer by the transferor. No transfer of a CVR will be valid until registered in the CVR Register.

(d) A Holder may make a written request to the Rights Agent to change such Holder’s address of record in the CVR Register. The written request must be duly executed by the Holder. Upon receipt of such written notice and proper validation of the identity of such Holder, the Rights Agent shall, subject to its reasonable determination that the transfer instrument is in proper form, promptly record the change of address in the CVR Register. The Company, the Acting Holders or the Representative may make a written request to the Rights Agent for a list containing the names, addresses and number of CVRs of the Holders that are registered in the CVR Register. Upon receipt of such written request from the Acting Holders or the Representative, as applicable, the Rights Agent shall promptly deliver a copy of such list to the Acting Holders or the Representative, as applicable.

(e) The Company will provide written instructions to the Rights Agent for the distribution of CVRs to holders of Company Shares as of immediately prior to the Effective Time (the “Record Time”). Subject to the terms and conditions of this Agreement and the Company’s prompt confirmation of the Effective Time, the Rights Agent shall effect the distribution of the CVRs, less any applicable tax withholding, to each holder of Company Shares as of the Record Time by the mailing of a statement of holding reflecting such CVRs.

**Section 2.4 Payment Procedures.**

(a) If a Legacy Assets Transaction Agreement is entered prior to the end of the Legacy Assets Transaction Period, then the Company shall promptly deliver to the Rights Agent (with a copy to the Representative) written notice indicating that a Legacy Assets Transaction Agreement has been entered into and a copy of the Legacy Assets Transaction Agreement and any ancillary agreements thereto.

(b) On or prior to each CVR Payment Date and subject to Section 4.6, the Company shall deliver to the Rights Agent (with a copy to the Representative) (i) written notice indicating that (A) the Holders are entitled to receive one or more payments with respect to CVR Proceeds; (B) the source and trigger event for such payment of CVR Proceeds; and (C) if applicable, a detailed calculation of Gross Proceeds (including any calculations and/or supporting documentation applicable to any allocation determination for consideration related or not related to a Legacy Asset), Net Proceeds and any Permitted Deductions used to calculate such CVR Proceeds with reasonable supporting detail for such Permitted Deductions (such notice, a “**CVR Payment Notice**”), (ii) a letter of instruction setting forth, for each CVR, the CVR Payment Amount with respect thereto (including each component included in the calculation thereof) and (iii) any other letter of instruction reasonably required by the Rights Agent. On or prior to any CVR Payment Date and subject to Section 4.6, the Company shall deliver to the Rights Agent the CVR Payment Amounts required by Section 4.6. All amounts delivered by the Company hereunder shall be delivered in U.S. dollars. For the avoidance of doubt, the Company shall have no further liability in respect of the relevant CVR Payment Amount upon delivery of such CVR Payment Amount in accordance with this Section 2.4(b) and the satisfaction of each of the Company’s obligations set forth in this Section 2.4(b) and Section 2.7. With respect to cash deposited by the Company with the bank or financial institution designated by the Rights Agent (which shall be Wells Fargo, U.S. Bank or another bank or financial institution of substantially equivalent national reputation and financial standing), the Rights Agent agrees to cause such bank or financial institution to establish and maintain a separate demand deposit account therefor in the name of the Rights Agent for the benefit of the Company. The Rights Agent will only draw upon cash in such account(s) as required from time to time in order to make payments as required under this Agreement and any applicable Tax withholding payments pursuant to Section 2.7(b) herein. The Rights Agent shall have no responsibility or liability for any diminution of funds that may result from any deposit made by the Rights Agent in accordance with this Section 2.4(b), including any losses resulting from a default by any bank, financial institution or other third party, in the absence of fraud, bad faith or willful misconduct by or on behalf of the Rights Agent. The Rights Agent may from time to time receive interest in connection with such deposits. The Rights Agent shall not be obligated to pay such interest to the Company, the Representative, any Holder or any other party. The Rights Agent is acting as an agent hereunder and is not a debtor of the Company in respect of cash deposited hereunder. For the avoidance of doubt, the Company and Representative acknowledge that (i) the Rights Agent is not a bank or a trust company, (ii) the Rights Agent is not acting in any sort of capacity as an “escrow” or similar agent hereunder, and (iii) nothing in this Agreement shall be construed as requiring the Rights Agent to perform any services that would require registration with any governmental authority as a bank or a trust company.

(c) The Rights Agent will promptly, and in any event within ten (10) Business Days after receipt of the CVR Payment Notice as well as any letter of instruction reasonably required by the Rights Agent, send each Holder at its registered address a copy of the CVR Payment Notice (at the Company's sole cost and expense) and, following the applicable CVR Payment Date, promptly (and in any event within thirty (30) days following such CVR Payment Notice) pay the CVR Payment Amount to each of the Holders by check mailed to the address of each Holder as reflected in the CVR Register as of the close of business on the CVR Payment Date; provided, that with respect to any such Holder that is due an amount in excess of \$100,000 in the aggregate who has provided the Rights Agent wiring instructions in writing as of the close of business on the date of the CVR Payment Notice, by wire transfer of immediately available funds to the account specified on such instruction.

(d) Any portion of the CVR Payment Amount that remains undistributed to a Holder twelve (12) months after the applicable CVR Payment Date will be delivered by the Rights Agent to the Company, upon demand, and any Holder will thereafter look only to the Company for payment of the CVR Payment Amount, without interest, but such Holder will have no greater rights against the Company than those accorded to general unsecured creditors of the Company under applicable Law.

(e) None of the Company, any of its Affiliates, or the Rights Agent will be liable to any Person in respect of the CVR Payment Amount delivered to a public official pursuant to any applicable abandoned property, escheat or similar Law. If, despite the Company's, any of its Affiliates' or the Rights Agent's commercially reasonable efforts to deliver the CVR Payment Amount to the applicable Holder, the CVR Payment Amount has not been paid prior to two (2) years after the applicable CVR Payment Date (or immediately prior to such earlier date on which the CVR Payment Amount would otherwise escheat to any Governmental Body), the CVR Payment Amount will become the property of the Company, to the extent permitted by applicable Law, free and clear of all claims or interest of any Person previously entitled thereto. If the CVR Payment Amount does not become the property of the Company as per applicable Law upon transfer by the Rights Agent, such Holder will thereafter look only to the Company for payment of the CVR Payment Amount, without interest, and the Company will be responsible for escheatment to the applicable Governmental Body. The Rights Agent will not be responsible for escheatment of abandoned property except in the case that the Company is unable to provide the Rights Agent with the applicable wire instructions to transfer such property to the Company before the CVR Proceeds would escheat to the applicable Governmental Body. In addition to and not in limitation of any other indemnity obligation herein, the Company agrees to indemnify and hold harmless the Rights Agent with respect to any liability, penalty, cost or expense the Rights Agent may incur or be subject to in connection with transferring such property to the Company.

**Section 2.5 ~~No Voting, Dividends or Interest; No Equity or Ownership Interest~~**

(a) If and when issued, the CVRs will not have any voting or dividend rights, and interest will not accrue on any amounts payable in respect of CVRs to any Holder.

(b) If and when issued, the CVRs will not represent any equity or ownership interest in the Company or in any constituent company to the Merger. It is hereby acknowledged and agreed that a CVR shall not constitute a security of the Company.

(c) Nothing contained in this Agreement shall be construed as conferring upon any Holder, by virtue of the CVRs, any rights or obligations of any kind or nature whatsoever as a shareholder of the Company or any of its Subsidiaries either at law or in equity. The rights of any Holder and the obligations of the Company and its Affiliates and their respective officers, directors and controlling Persons are contract rights limited to those expressly set forth in this Agreement.

(d) It is hereby acknowledged and agreed that the CVRs and the possibility of any payment hereunder with respect thereto are highly speculative and subject to numerous factors outside of the Company's control, and there is no assurance that Holders will receive any payments under this Agreement or in connection with the CVRs. Each Holder acknowledges that it is highly possible that no Legacy Assets Transaction will occur prior to the expiration of the Legacy Assets Transaction Period and that there will

not be any Gross Proceeds that may be the subject of a CVR Payment Amount. It is further acknowledged and agreed that neither the Company nor its Affiliates owe, by virtue of their obligations under this Agreement, a fiduciary duty or any implied duties to the Holders and the parties hereto intend solely the express provisions of this Agreement to govern their contractual relationship with respect to the CVRs. It is acknowledged and agreed that this Section 2.5(d) is an essential and material term of this Agreement and that in no event shall the Company, its board of directors or its officers and Affiliates be deemed to have any fiduciary or similar duties to any Holder by virtue of this Agreement.

**Section 2.6 Ability to Abandon CVR.** A Holder may at any time, at such Holder's option, abandon all of such Holder's remaining rights represented by CVRs by transferring such CVR to the Company or a Person nominated in writing by the Company (with written notice thereof from the Company to the Rights Agent) without consideration in compensation therefor, and such rights will be cancelled, with the Rights Agent being promptly notified in writing by the Company of such transfer and cancellation. Nothing in this Agreement is intended to prohibit the Company or its Affiliates from offering to acquire or acquiring CVRs, in private transactions or otherwise, for consideration in its sole discretion.

**Section 2.7 Tax Matters.**

(a) The Company and the Representative intend that, for all U.S. federal and applicable state and local income tax purposes, (i) the issuance of the CVRs pursuant to Section 2.1 of this Agreement is intended to be treated as a distribution of property (and not debt or equity of the Company) by the Company to its shareholders governed by Code Section 301 and (ii) any CVR Payment Amount (if any) is intended to be treated as a contractual payment pursuant to the rights afforded by this Agreement to the Holder and not as a distribution by the Company in respect of stock in the Company. The Company and its Affiliates (including the Company after the Merger) shall (and the Company shall instruct the Rights Agent to) report to the extent required by applicable Law for all Tax purposes in a manner consistent with the foregoing, and none of the parties will take any position to the contrary on any U.S. federal, state and local Tax Returns or for other U.S. federal and applicable state and local income tax purposes, unless otherwise required by changes in applicable Law or a "determination" within the meaning of Section 1313(a) of the Code (or a similar determination under applicable state or local Law).

(b) In addition to any Permitted Deductions, the Company and its Affiliates (including the Company after the Merger) and the Rights Agent shall be entitled to, and the Company will instruct the Rights Agent or its applicable Affiliate to, deduct and withhold, or cause to be deducted or withheld, from each CVR Payment Amount or any other amounts otherwise payable pursuant to this Agreement such amounts as may be required to be deducted and withheld therefrom under applicable Tax Law. Prior to making (or causing to be made) any Tax deduction or withholding pursuant to this Section 2.7(b), the Rights Agent will (and the Company shall instruct the Rights Agent to) provide the opportunity for the Holders to provide properly completed and duly executed Internal Revenue Service Forms W-9 or applicable Form W-8, as applicable, or any other reasonably appropriate forms or information from Holders in order to eliminate or reduce withholding. The Rights Agent shall and the Company shall (or shall cause its applicable Affiliate to), as applicable, promptly and timely remit, or cause to be promptly and timely remitted, any amounts withheld in respect of Taxes to the appropriate Governmental Body. To the extent any amounts are so deducted, such amounts shall be treated for all purposes of this Agreement as having been paid to the Person in respect of whom such deduction and withholding was made. Promptly following such withholding, the Company will (or will instruct its applicable Affiliate or the Rights Agent to) deliver to the Person to whom such amounts would otherwise have been paid reasonably acceptable evidence of such withholding. Any amounts not withheld by the Company or the Paying Agent on the issuance of CVRs to the Holders or any payments to the Holders under this Agreement (including CVR Payment Amounts) and subsequently determined to have been required to be withheld by the Company by any relevant governmental entity shall be paid by the Holders through a deduction from future CVR Payment Amounts payable to the applicable Holder(s). In connection with the distribution of CVRs to the Holders, the Company, the Paying Agent and the Representative shall be entitled to make reasonable estimations of the Company's "earnings and profits" (as such term is defined for federal income tax purposes (including the adjustments described in Section 312 of the Code), and shall be entitled to adopt the withholding tax procedures described in Treasury Regulation Section 1.1441-3(c)(2)(ii) in connection with the foregoing).

**ARTICLE 3  
THE RIGHTS AGENT**

**Section 3.1 Certain Duties and Responsibilities**

(a) The Rights Agent will not have any liability for any actions taken or not taken in connection with this Agreement, except to the extent such liability arises as a result of the willful misconduct, bad faith or gross negligence of the Rights Agent (in each case as determined by a final non-appealable judgment of court of competent jurisdiction). Notwithstanding anything in this Agreement to the contrary, any liability of the Rights Agent under this Agreement will be limited to the amount of annual fees paid by the Company to the Rights Agent in connection with this Agreement (but not including reimbursable expenses and other charges) during the eighteen (18) months immediately preceding the event for which recovery from the Rights Agent is being sought. Anything to the contrary notwithstanding, in no event will the Rights Agent be liable for special, punitive, indirect, incidental or consequential loss or damages of any kind whatsoever (including, without limitation, lost profits), even if the Rights Agent has been advised of the likelihood of such loss or damages, and regardless of the form of action.

(b) The Rights Agent shall not have any duty or responsibility in the case of the receipt of any written demand from any Holder with respect to any action or default by any person or entity, including, without limiting the generality of the foregoing, any duty or responsibility to initiate or attempt to initiate any proceedings at law or otherwise or to make any demand upon the Company or Korsana. The Rights Agent may (but shall not be required to) enforce all rights of action under this Agreement and any related claim, action, suit, audit, investigation or proceeding instituted by the Rights Agent may be brought in its name as the Rights Agent and any recovery in connection therewith will be for the proportionate benefit of all the Holders, as their respective rights or interests may appear on the CVR Register.

**Section 3.2 Certain Rights of Rights Agent**

(a) The Rights Agent undertakes to perform such duties and only such duties as are specifically set forth in this Agreement, and no implied covenants or obligations will be read into this Agreement against the Rights Agent.

(b) The Rights Agent may rely and will be protected by the Company in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order or other paper or document reasonably believed by it to be genuine and to have been signed or presented by or on behalf of the Company or, with respect to Section 2.3(d), the Representative.

(c) Whenever the Rights Agent deems it desirable that a matter be proved or established prior to taking or omitting any action hereunder, the Rights Agent may rely upon an Officer's Certificate, which certificate shall be full authorization and protection to the Rights Agent, and the Rights Agent shall, in the absence of bad faith, gross negligence or willful misconduct (each as determined by a final non-appealable judgment of a court of competent jurisdiction) on its part, not incur any liability and shall be held harmless by the Company for or in respect of any action taken or omitted to be taken by it under the provisions of this Agreement in reliance upon such Officer's Certificate.

(d) The Rights Agent may engage and consult with counsel of its selection, and the advice or opinion of such counsel will, in the absence of bad faith, gross negligence or willful misconduct (in each case, as determined by a final, non-appealable judgment of a court of competent jurisdiction) on the part of the Rights Agent, be full and complete authorization and protection in respect of any action taken or not taken by the Rights Agent in reliance thereon.

(e) Any permissive rights of the Rights Agent hereunder will not be construed as a duty.

(f) The Rights Agent will not be required to give any note or surety in respect of the execution of its powers or otherwise under this Agreement.

(g) The Company agrees to indemnify the Rights Agent for, and to hold the Rights Agent harmless from and against, any loss, liability, damage, judgment, fine, penalty, cost or expense (each, a "Loss") suffered or incurred by the Rights Agent and arising out of or in connection with the Rights Agent's performance of its obligations under this Agreement, including the reasonable and documented costs and expenses of defending the Rights Agent against any claims, charges, demands, actions or suits arising out of or in connection with the execution, acceptance, administration, exercise and performance of its duties under this Agreement, including the costs and expenses of defending against any claim of liability arising therefrom, directly or indirectly, or enforcing its rights hereunder, except to the extent such Loss has been determined by a final non-appealable decision of a court of competent jurisdiction to have resulted from the Rights Agent's gross negligence, bad faith or willful misconduct; provided that this Section 3.2(g) shall not apply with respect to income, receipt, franchise or similar Taxes levied against the Rights Agent by a Governmental Authority.

(h) The Company agrees (i) to pay the fees of the Rights Agent in connection with the Rights Agent's performance of its obligations hereunder as set forth in Exhibit A and agreed upon in writing by the Rights Agent and the Company on or prior to the date of this Agreement, and (ii) to reimburse the Rights Agent for all reasonable and documented out-of-pocket expenses and other disbursements incurred in the preparation, delivery, negotiation, amendment, administration and execution of this Agreement and the exercise and performance of its duties hereunder, including all stamp and transfer Taxes (and excluding for the avoidance of doubt, any income, receipt, franchise or similar Taxes levied against the Rights Agent by a Governmental Authority) and governmental charges, incurred by the Rights Agent in the performance of its obligations under this Agreement, except that the Company will have no obligation to pay the fees of the Rights Agent or reimburse the Rights Agent for the fees of counsel in connection with any lawsuit initiated by the Rights Agent on behalf of itself or the Holders, except in the case of any suit enforcing the provisions of Section 2.4(a), Section 2.4(b) or Section 3.2(g), if the Company is found by a court of competent jurisdiction to be liable to the Rights Agent or the Holders, as applicable in such suit.

(i) No provision of this Agreement shall require the Rights Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers if it believes that repayment of such funds or adequate indemnification against such risk or liability is not reasonably assured to it.

(j) The Rights Agent shall have no responsibility to the Company, any holders of CVRs, any holders of Company Shares or any other Person for interest or earnings on any moneys held by the Rights Agent pursuant to this Agreement.

(k) The Rights Agent shall not be subject to, nor be required to comply with, or determine if any Person has complied with, the Merger Agreement or any other agreement between or among any the Company, Korsana or Holders, even though reference thereto may be made in this Agreement, or to comply with any notice, instruction, direction, request or other communication, paper or document other than as expressly set forth in this Agreement.

(l) Subject to applicable Law, (i) the Rights Agent and any shareholder, affiliate, director, officer or employee of the Rights Agent may buy, sell or deal in any securities of the Company or Korsana or become peculiarly interested in any transaction in which such parties may be interested, or contract with or lend money to such parties or otherwise act as fully and freely as though it were not the Rights Agent under this Agreement, and (ii) nothing herein will preclude the Rights Agent from acting in any other capacity for the Company or for any other Person.

(m) In the event the Rights Agent reasonably believes any ambiguity or uncertainty exists hereunder or in any notice, instruction, direction, request or other communication, paper or document received by the Rights Agent hereunder, the Rights Agent shall, as soon as practicable, provide notice to the Company, and the Rights Agent, may, in its sole discretion, refrain from taking any action, and shall be fully protected and shall not be liable in any way to the Company or any Holder or any other Person for refraining from taking such action, unless the Rights Agent receives written instructions from the Company or such Holder or other Person which eliminate such ambiguity or uncertainty to the reasonable satisfaction of the Rights Agent;

(n) The Rights Agent may execute and exercise any of the rights or powers hereby vested in it or perform any duty hereunder either itself or by or through its attorney or agents and the Rights Agent shall not be answerable or accountable for any act, default, neglect or misconduct of any such attorney or agents or for any loss to the Company or Korsana resulting from any such act, default, neglect or misconduct, absent gross negligence, bad faith or willful misconduct (each as determined by a final non-appealable judgment of a court of competent jurisdiction) in the selection and continued employment thereof.

(o) The Rights Agent shall not be liable for or by reason of any statements of fact or recitals contained in this Agreement (except its countersignature thereof) or be required to verify the same, and all such statements and recitals are and shall be deemed to have been made by the Company only.

(p) The Rights Agent shall act hereunder solely as agent for the Company and shall not assume any obligations or relationship of agency or trust with any of the owners or holders of the CVRs. The Rights Agent shall not have any duty or responsibility in the case of the receipt of any written demand from any Holders with respect to any action or default by the Company, including, without limiting the generality of the foregoing, any duty or responsibility to initiate or attempt to initiate any proceedings at law or otherwise or to make any demand upon the Company.

(q) The Rights Agent may rely on and be fully authorized and protected in acting or failing to act upon (a) any guaranty of signature by an "eligible guarantor institution" that is a member or participant in the Securities Transfer Agents Medallion Program or other comparable "signature guarantee program" or insurance program in addition to, or in substitution for, the foregoing; or (b) any law, act, regulation or any interpretation of the same even though such law, act, or regulation may thereafter have been altered, changed, amended or repealed.

(r) The Rights Agent shall not be liable or responsible for any failure of the Company to comply with any of its obligations relating to any registration statement filed with the Securities and Exchange Commission or this Agreement, including without limitation obligations under applicable regulation or law.

(s) The obligations of the Company and the rights of the Rights Agent under this [Section 3.2](#), [Section 3.1](#) and [Section 2.4](#) shall survive the expiration of the CVRs and the termination of this Agreement and the resignation, replacement or removal of the Rights Agent.

**Section 3.3 Resignation and Removal: Appointment of Successor**

(a) The Rights Agent may resign at any time by written notice to the Company. Any such resignation notice shall specify the date on which such resignation will take effect (which shall be at least thirty (30) days following the date that such resignation notice is delivered), and such resignation will be effective on the earlier of (x) the date so specified and (y) the appointment of a successor Rights Agent.

(b) The Company will have the right to remove the Rights Agent at any time by written notice to the Rights Agent, specifying the date on which such removal will take effect. Such notice will be given at least thirty (30) days prior to the date so specified (or, if earlier, the appointment of the successor Rights Agent).

(c) If the Rights Agent resigns, is removed or becomes incapable of acting, the Company will promptly appoint a qualified successor Rights Agent. Notwithstanding the foregoing, if the Company fails to make such appointment within a period of thirty (30) days after giving notice of such removal or after it has been notified in writing of such resignation or incapacity by the resigning or incapacitated Rights Agent, then the incumbent Rights Agent may apply to any court of competent jurisdiction for the appointment of a new Rights Agent. The successor Rights Agent so appointed will, upon its acceptance of such appointment in accordance with this [Section 3.3\(c\)](#) and [Section 3.4](#), become the Rights Agent for all purposes hereunder.

(d) The Company will give notice to the Holders of each resignation or removal of the Rights Agent and each appointment of a successor Rights Agent in accordance with [Section 6.2](#). Each notice will include the name and address of the successor Rights Agent. If the Company fails to send such notice within ten (10) Business Days after acceptance of appointment by a successor Rights Agent, the successor Rights Agent will cause the notice to be mailed at the expense of the Company.

(e) Notwithstanding anything to the contrary in this [Section 3.3](#), unless consented to in writing by the Representative, the Company will not appoint as a successor Rights Agent any Person that is not a stock transfer agent of national reputation or the corporate trust department of a commercial bank.

(f) The Rights Agent will reasonably cooperate with the Company and any successor Rights Agent in connection with the transition of the duties and responsibilities of the Rights Agent to the successor Rights Agent, including the transfer of all relevant data, including the CVR Register, to the successor Rights Agent, but such predecessor Rights Agent shall not be required to make any additional expenditure or assume any additional liability in connection with the foregoing.

**Section 3.4 Acceptance of Appointment by Successor.** Every successor Rights Agent appointed hereunder will, at or prior to such appointment, execute, acknowledge and deliver to the Company and to the resigning or removed Rights Agent an instrument accepting such appointment and a counterpart of this Agreement, and such successor Rights Agent, without any further act, deed or conveyance, will become vested with all the rights, powers, trusts and duties of the Rights Agent; *provided* that upon the request of the Company or the successor Rights Agent, such resigning or removed Rights Agent will execute and deliver an instrument transferring to such successor Rights Agent all the rights, powers and trusts of such resigning or removed Rights Agent.

#### ARTICLE 4 COVENANTS

**Section 4.1 List of Holders.** The Company will furnish or cause to be furnished to the Rights Agent, in such form as the Company receives from the Company's transfer agent (or other agent performing similar services for the Company), the names and addresses of the Holders within fifteen (15) Business Days following the Closing Date.

**Section 4.2 No Obligations of Public Company.** Notwithstanding anything herein to the contrary, and for the avoidance of doubt, (a) the Company and its Affiliates shall have the power and right to control all aspects of their businesses and operations (and all of their assets and products), and subject to its compliance with the terms of this Agreement, the Company and its Affiliates may exercise or refrain from exercising such power and right as it may deem appropriate and in the best overall interests of the Company and its Affiliates and its and their stockholders, rather than the interest of the Holders, (b) none of the Company or any of its Affiliates (or any directors, officer, employee, or other representative of the foregoing) owes any fiduciary duty or similar duty to any Holder in respect of the Legacy Assets, and (c) following the Legacy Assets Transaction Period, the Company shall be permitted to take any action in respect of the Legacy Assets in order to satisfy any wind-down and termination Liabilities of the Legacy Assets. For the avoidance of doubt, during and after the Legacy Assets Transaction Period, the Company shall not be required to use any efforts to pursue one or more Legacy Assets Transactions with respect to the Legacy Assets. Without limiting the foregoing, during the Legacy Assets Transaction Period, the Company shall expend up to

\$50,000 (the “**CVR Expense Cap**”) for costs and expenses associated with the retention of an employee or consultant of the Company for the purpose of business development efforts related to the Legacy Assets and related activities, including seeking and negotiating and, with the prior written consent of the Company (not to be unreasonably withheld, conditioned or delayed), executing Legacy Transaction Agreements, which amount shall be included as a deduction in the determination of the Parent Net Cash in accordance with the Merger Agreement. Notwithstanding anything to the contrary in this Agreement, at the end of the Legacy Assets Transaction Period, the amount, if any, by which the CVR Expense Cap exceeds the aggregate amount of costs and expenses associated with the retention of an employee or consultant of Parent for the purpose of business development efforts related to the Legacy Assets and related activities, including seeking and negotiating and, with the prior written consent of the Company (not to be unreasonably withheld, conditioned or delayed), executing Legacy Transaction Agreements, shall constitute Net Proceeds and shall be payable as CVR Proceeds to the Holders in accordance with the terms of this Agreement. Notwithstanding anything to the contrary in this Agreement, the Company shall use commercially reasonable efforts to not, and shall use commercially reasonable efforts to cause its Affiliates not to, (i) take any action or (ii) fail to take any action, in either case, with the primary purpose of avoiding, or intended to prevent or materially delay, (x) during the Legacy Assets Transaction Period, the entry into any Legacy Assets Transaction Agreement or (y) during the CVR Term, the receipt of Gross Proceeds or the payment of any CVR Proceeds.

**Section 4.3 Books and Records.** Until the end of the CVR Term, the Company shall, and shall cause its Affiliates to, keep true, complete and accurate records in sufficient detail to enable the Rights Agent to confirm the applicable CVR Payment Amount payable hereunder in accordance with the terms specified in this Agreement.

**Section 4.4 Audits.** Until the expiration of this Agreement and for a period of one (1) year thereafter, the Company shall keep complete and accurate records in sufficient detail to support the accuracy of the payments due hereunder. The Representative shall have the right to cause an independent accounting firm reasonably acceptable to the Company to audit such records for the sole purpose of confirming payments for a period covering not more than the date commencing with the first CVR Payment Date and ending on the last day of the CVR Term. The Company may require such accounting firm to execute a reasonable confidentiality agreement with the Company prior to commencing the audit. The accounting firm shall disclose to Rights Agent or the Representative, as applicable, only whether the reports are correct or not and the specific details concerning any discrepancies. No other information shall be shared. Such audits may be conducted during normal business hours upon reasonable prior written notice to the Company, but no more than frequently than once per year. No accounting period of the Company shall be subject to audit more than one time by the Representative, as applicable, unless after an accounting period has been audited by the Representative, as applicable, the Company restates its financial results for such accounting period, in which event the Representative, as applicable, may conduct a second audit of such accounting period in accordance with this **Section 4.4**. Adjustments (including remittances of underpayments or overpayments disclosed by such audit) shall be made by the Company to reflect the results of such audit, which adjustments shall be paid promptly following receipt of an invoice therefor. Whenever such an adjustment is made, the Company shall promptly prepare a certificate setting forth such adjustment, and a brief, reasonably detailed statement of the facts, computation and methodology accounting for such adjustment to the extent not already reflected in the audit report and promptly file with the Rights Agent a copy of such report and promptly deliver to the Rights Agent a revised CVR Payment Notice for the applicable CVR Proceeds. The Rights Agent shall be fully protected in relying on any such report and on any adjustment or statement therein contained and shall have no duty or liability with respect to, and shall not be deemed to have knowledge of any such adjustment or any such event unless and until it shall have received such report. The Representative shall bear the full cost and expense of such audit unless such audit discloses an underpayment by the Company of ten percent (10%) or more of the CVR Payment Amount due under this Agreement, in which case the Company shall bear the full cost and expense of such audit. The Rights Agent shall be entitled to rely on any audit report delivered by the independent accounting firm pursuant to this **Section 4.4**.

**Section 4.5 Representative.** Certain Holders may enter into an engagement agreement (the “Representative Engagement Agreement”) with the Representative and provide direction to the Representative in connection with its services under this Agreement and the Representative Engagement Agreement (such Holders, including their individual representatives, collectively hereinafter referred to as the “Advisory Group”). Neither the Representative nor its members, managers, directors, officers, contractors, agents and employees nor any member of the Advisory Group (collectively, the “Representative Group”), shall be liable to any Holder for any action or failure to act in connection with the acceptance or administration of the Representative’s responsibilities hereunder or under the Representative Engagement Agreement, unless and only to the extent such action or failure to act constitutes gross negligence, fraud, willful breach or willful or intentional misconduct. The Holders shall indemnify, defend and hold harmless the Representative Group from and against any and all losses, claims, damages, liabilities, fees, costs, expenses (including fees, disbursements and costs of counsel and other skilled professionals and in connection with seeking recovery from insurers), judgments, fines, amounts paid in settlement (collectively, the “Representative Expenses”) incurred without gross negligence, fraud, willful breach or willful or intentional misconduct on the part of the Representative and arising out of or in connection with the acceptance or administration of its duties hereunder or its duties (or any duties of any member of the Advisory Group) under the Representative Engagement Agreement. Such Representative Expenses may be recovered first, from the Representative Expense Fund, second, from any distribution of CVR Payment Amounts otherwise distributable to the Holders at the time of distribution, and third, directly from the Holders. The immunities and rights to indemnification shall survive the resignation or removal of the Representative or its duties (or any duties of any member of the Advisory Group) under the Representative Engagement Agreement or any termination of this Agreement or the Representative Engagement Agreement. The Holders acknowledge that the Representative shall not be required to expend or risk its own funds or otherwise incur any financial liability in the exercise or performance of any of its powers, rights, duties or privileges or pursuant to this Agreement or the transactions contemplated hereby or thereby. Furthermore, the Representative shall not be required to take any action unless the Representative has been provided with funds, security or indemnities which, in its reasonable determination, are sufficient to protect the Representative against the costs, expenses and liabilities which may be incurred by the Representative in performing such actions. The powers, immunities and rights to indemnification granted to the Representative Group hereunder: (i) are coupled with an interest and shall be irrevocable and survive the death, incompetence, bankruptcy or liquidation of any Holder and shall be binding on any successor thereto, and (ii) shall survive the delivery of an assignment by any Holder of the whole or any fraction of his, her or its interest in the CVR Proceeds. Following the designation of the Representative, the Company shall promptly wire the Representative Expense Amount to the Representative, which shall be held by the Representative in a segregated client account and shall be used (A) for the purposes of paying directly or reimbursing the Representative for any Representative Expenses incurred pursuant to this Agreement or the Representative Engagement Agreement, or (B) as otherwise determined by the Advisory Group (such fund, the “Representative Expense Fund”). The Representative is not providing any investment supervision, recommendations or advice and shall have no responsibility or liability for any loss of principal of the Representative Expense Fund other than as a result of its gross negligence, fraud, willful breach or willful or intentional misconduct. The Representative is not acting as a withholding agent or in any similar capacity in connection with the Representative Expense Fund and has no tax reporting or income distribution obligations with respect to the Representative Expense Fund. The Holders will not receive any interest on the Representative Expense Fund and assign to the Representative any such interest. Subject to the prior written approval of the Advisory Group, the Representative may instruct the Rights Agent to contribute funds to the Representative Expense Fund from the CVR Payment Amounts otherwise distributable to any Holders, on a pro rata basis. As soon as reasonably determined by the Representative that the Representative Expense Fund is no longer required to be withheld, the Representative shall distribute the remaining

Representative Expense Fund, if any, to the Rights Agent for further distribution to the Holders in such proportions as though the amount of the remaining Representative Expense Fund constituted CVR Proceeds hereunder (provided, that, any amounts remaining from the amounts contributed to the Representative Expense Fund from the CVR Payment Amounts otherwise distributable to any Holders pursuant to the previous sentence shall first be distributed to such Holders in proportion to such Holders' respective contributions).

**Section 4.6 Payment of CVR Payment Amounts.** The Company shall, promptly following receipt of a payment of CVR Proceeds, deposit with the Rights Agent, for payment to the Holders in accordance with Section 2.4, the aggregate amount necessary to pay the CVR Payment Amount to each Holder; provided, that the Company shall aggregate multiple payments of CVR Proceeds until the aggregate amount reaches \$250,000 and that such exception does not apply to the final payment of CVR Proceeds which shall occur no later than thirty (30) days following the applicable CVR Payment Date; provided, that the Company shall provide the Representative with written notice within five (5) Business Days each time Gross Proceeds are received but held pending the aggregation threshold set forth in this proviso.

**Section 4.7 Prohibited Actions.** Unless approved by the Representative (not to be unreasonably withheld, conditioned or delayed), prior to the end of the CVR Term, the Company shall not grant any lien, security interest, pledge or similar interest solely in respect of any Legacy Assets or any Net Proceeds separate and apart from any other assets of the Company.

## ARTICLE 5 AMENDMENTS

### **Section 5.1 Amendments Without Consent of Holders or Rights Agent.**

(a) The Company, at any time and from time to time, may (without the consent of any Person, other than the Rights Agent, with such consent not to be unreasonably withheld, conditioned or delayed) enter into one or more amendments to this Agreement for any of the following purposes:

(i) to evidence the appointment of another Person as a successor Rights Agent and the assumption by any successor Rights Agent of the covenants and obligations of the Rights Agent herein in accordance with the provisions hereof;

(ii) to evidence the succession of another person to the Company and the assumption of any such successor of the covenants of the Company;

(iii) to add to the covenants of the Company such further covenants, restrictions, conditions or provisions as the Company and the Rights Agent will consider to be for the protection and benefit of the Holders; *provided* that in each case, such provisions do not adversely affect the interests of the Holders;

(iv) to cure any ambiguity, to correct or supplement any provision in this Agreement that may be defective or inconsistent with any other provision in this Agreement, or to make any other provisions with respect to matters or questions arising under this Agreement; *provided* that, in each case, such provisions do not adversely affect the interests of the Holders;

(v) as may be necessary or appropriate to ensure that the CVRs are not subject to registration under the Securities Act or the Exchange Act and the rules and regulations promulgated thereunder, or any applicable state securities or "blue sky" laws;

(vi) as may be necessary or appropriate to ensure that the Company is not required to produce a prospectus or an admission document in order to comply with applicable Law;

(vii) to cancel the CVRs (i) in the event that any Holder has abandoned its rights in accordance with Section 2.6, (ii) in order to give effect to the provisions of Section 2.7 or (iii) following a transfer of such CVRs to the Company or its Affiliates in accordance with Section 2.2 or Section 2.3;

(viii) as may be necessary or appropriate to ensure that the Company complies with applicable Law; or

(ix) to effect any other amendment to this Agreement for the purpose of adding, eliminating or changing any provisions of this Agreement, *provided* that, in each case, such additions, eliminations or changes do not adversely affect the interests of the Holders.

(b) Promptly after the execution by the Company of any amendment pursuant to this Section 5.1, the Company will (or will cause the Rights Agent to) notify the Holders in general terms of the substance of such amendment in accordance with Section 6.2.

**Section 5.2 Amendments with Consent of Holders**

(a) In addition to any amendments to this Agreement that may be made by the Company without the consent of any Holder pursuant to Section 5.1, with the consent of the Representative (whether evidenced in a writing or taken at a meeting of the Holders), the Company and the Rights Agent may enter into one or more amendments to this Agreement for the purpose of adding, eliminating or amending any provisions of this Agreement, even if such addition, elimination or amendment is adverse to the interests of the Holders.

(b) Promptly after the execution by the Company and the Rights Agent of any amendment pursuant to the provisions of this Section 5.2, the Company will (or will cause the Rights Agent to) notify the Holders in general terms of the substance of such amendment in accordance with Section 6.2.

**Section 5.3 Effect of Amendments**

Upon the execution of any amendment under this Article 5, this Agreement will be modified in accordance therewith, such amendment will form a part of this Agreement for all purposes and every Holder will be bound thereby. Upon the delivery of a certificate from an appropriate officer of the Company which states that the proposed supplement or amendment is in compliance with the terms of this Section 5, the Rights Agent shall execute such supplement or amendment. Notwithstanding anything in this Agreement to the contrary, the Rights Agent shall not be required to execute any supplement or amendment to this Agreement that it has determined would adversely affect its own rights, duties, obligations or immunities under this Agreement. No supplement or amendment to this Agreement shall be effective unless duly executed by the Rights Agent.

**Section 6.4 Merger or Consolidation or Change of Name of Rights Agent.** Any Person into which the Rights Agent or any successor Rights Agent may be merged or with which it may be consolidated, or Person resulting from any merger or consolidation to which the Rights Agent or any successor Rights Agent shall be a party, or any Person succeeding to the stock transfer or other shareholder services business of the Rights Agent or any successor Rights Agent, shall be the successor to the Rights Agent under this Agreement without the execution or filing of any paper or any further act on the part of any of the parties hereto, provided that such Person would be eligible for appointment as a successor Rights Agent under the provisions of [Section 3.3](#). The purchase of all or substantially all of the Rights Agent's assets employed in the performance of transfer agent activities shall be deemed a merger or consolidation for purposes of this [Section 6.4](#).

**Section 6.5 Successors and Assigns.** This Agreement will be binding upon, and will be enforceable by and inure solely to the benefit of, the Holders, the Company and the Rights Agent and their respective successors and assigns. Except for assignments pursuant to [Section 6.4](#), the Rights Agent may not assign this Agreement without the Company's prior written consent. **Section 6.7 Governing Law.** This Agreement and the CVRs will be governed by, and construed in accordance with, the laws of the State of Delaware without regard to the conflicts of law rules of such state.

**Section 6.8 Jurisdiction.** In any action or proceeding between any of the parties hereto arising out of or relating to this Agreement or any of the transactions contemplated hereby, each of the parties hereto: (a) irrevocably and unconditionally consents and submits to the exclusive jurisdiction and venue of the Court of Chancery of the State of Delaware or, to the extent such court does not have subject matter jurisdiction, the Superior Court of the State of Delaware or the United States District Court for the District of Delaware; (b) agrees that all claims in respect of such action or proceeding shall be heard and determined exclusively in accordance with clause (a) of this Section 6.8; (c) waives any objection to laying venue in any such action or proceeding in such courts; (d) waives any objection that such courts are an inconvenient forum or do not have jurisdiction over any Party; and (e) agrees that service of process upon such Party in any such action or proceeding shall be effective if notice is given in accordance with Section 6.1 or Section 6.2 of this Agreement.

**Section 6.9 WAIVER OF JURY TRIAL.** EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY. **Section 6.10 Severability Clause.** In the event that any provision of this Agreement, or the application of any such provision to any Person or set of circumstances, is for any reason determined to be invalid, unlawful, void or unenforceable to any extent, the remainder of this Agreement, and the application of such provision to Persons or circumstances other than those as to which it is determined to be invalid, unlawful, void or unenforceable, will not be impaired or otherwise affected and will continue to be valid and enforceable to the fullest extent permitted by applicable Law. Upon such a determination, the parties hereto will negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the fullest extent possible; *provided, however*, that if an excluded provision shall affect the rights, immunities, liabilities, duties or obligations of the Rights Agent, the Rights Agent shall be entitled to resign immediately upon written Notice to the Company.

Until and unless each party has received a counterpart hereof signed by the other party hereto, this Agreement will have no effect and no party will have any right or obligation hereunder (whether by virtue of any oral or written agreement or any other communication).

**Section 6.12 Termination.** This Agreement will automatically terminate and be of no further force or effect and, except as provided in [Section 3.2](#), the parties hereto will have no further liability hereunder, and the CVRs will expire without any consideration or compensation therefor, upon the expiration of the CVR Term. The termination of this Agreement will not affect or limit the right of Holders to receive the CVR Proceeds under [Section 2.4](#) to the extent earned and received within the time frames set forth herein and prior to the termination of this Agreement, and the provisions applicable thereto will survive the expiration or termination of this Agreement until such payment of CVR Proceeds have been made, if applicable.

**Section 6.13 Funds.** All funds received by Rights Agent under this Agreement that are to be distributed or applied by Rights Agent in the performance of services hereunder (the "Funds") shall be held by the Rights Agent, as agent for the Company, and deposited in one or more bank accounts to be maintained by the Rights Agent in its name as agent for the Company. Until paid pursuant to the terms of this Agreement, the Rights Agent shall hold the Funds through such accounts in: deposit accounts of commercial banks with Tier 1 capital exceeding \$1 billion or with an average rating above investment grade by S&P (LT Local Issuer Credit Rating), Moody's (Long Term Rating) and Fitch Ratings, Inc. (LT Issuer Default Rating) (each as reported by Bloomberg Finance L.P.). The Rights Agent shall, in the absence of bad faith, gross negligence or willful misconduct (each as determined by a final non-appealable judgment of a court of competent jurisdiction) on its part, have no responsibility or liability for any diminution of the Funds that may result from any deposit made by the Rights Agent in accordance with this paragraph, including any losses resulting from a default by any bank, financial institution or other third party. The Rights Agent may from time to time receive interest, dividends or other earnings in connection with such deposits.

**Section 6.14 Further Assurance by Company.** The Company agrees that it will perform, execute, acknowledge and deliver or cause to be performed, executed, acknowledged and delivered all such further and other acts, documents, instruments and assurances as may reasonably be required or requested by the Rights Agent or the Representative for the carrying out or performing by the Rights Agent or the Representative of the provisions of this Agreement.

**Re: Amended and Restated Offer Letter**

Dear Regina:

This letter agreement (this "Agreement") is made and entered into as of March 31, 2026 by and between you and Cycleron Therapeutics, Inc., a Massachusetts corporation (the "Company"), and is effective as of the date it is signed by both parties (the "Effective Date"). You and the Company previously entered into that certain offer letter dated as of November 30, 2023, as amended by that certain Amendment to Original Offer Letter dated as of August 5, 2024 (collectively, the "Prior Agreement"), and you and the Company desire to amend and restate the Prior Agreement. This Agreement will supersede and replace the Prior Agreement as of the Effective Date.

In consideration of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, you and the Company agree as follows:

1. Position. As of the Effective Date, you will continue to serve as the President and Chief Executive Officer of the Company, reporting to the Board of Directors of the Company (the "Board" or the "Board of Directors"). In addition to performing duties and responsibilities associated with such position, from time to time the Board may assign you other duties and responsibilities. As a full-time employee of the Company, you will be expected to devote your full business time and energies to the business and affairs of the Company.
2. Nature of Relationship. No provision of this Agreement shall be construed to create an express or implied employment contract for a specific period of time. Either you or the Company may terminate the employment relationship at any time and for any reason (subject to the notice and cure provisions detailed in Section 7 below in connection with a resignation for Good Reason).
3. Board Position. You will continue to serve as a member of the Board of Directors during such time as you serve as President and Chief Executive Officer, subject to the review and recommendations of the Nominating and Corporate Governance Committee of the Board of Directors and your reelection to such position by the shareholders of the Company. You will not receive any additional compensation for your services as a member of the Board of Directors. If your employment with the Company ceases for any reason, you agree that you will cease immediately to hold any and all officer and director positions you then have with the Company or any affiliate, absent a contrary written direction from the Board (which may include either a request to continue such service or a direction to cease serving upon notice) and further agree that termination of your employment as President and Chief Executive Officer shall constitute "cause" for your removal as a member of the Board of Directors in accordance with Section 8.08(d) of the Massachusetts Business Corporation Act.
4. Compensation. As consideration for your services to the Company:
  - a) Your base salary for this exempt position will be paid \$35,000 monthly, equal to \$420,000 per year.

- b) You acknowledge and agree that you were granted 50,000 shares of restricted stock of the Company under the Company's 2019 Equity Incentive Plan, pursuant to the terms and conditions of the Company's standard form of restricted stock agreement (the "Initial Restricted Stock Grant"). The shares of the Restricted Stock are subject to vesting based on your continued employment by the Company on each vest date: 10,000 shares of the Initial Restricted Stock Grant vested on the January 1, 2024, and an additional 833 shares of the Initial Restricted Stock Grant vest on the first day of each subsequent month, for forty-seven (47) successive months, and the remaining 849 shares of the Initial Restricted Stock Grant shall vest on December 1, 2027, subject to continued service through each such vesting date.
- c) You acknowledge and agree that, on January 1, 2024, you were granted an additional 50,000 shares of restricted stock of the Company under the Company's 2019 Equity Incentive Plan, pursuant to the terms and conditions of the Company's standard form of restricted stock agreement (the "Second Restricted Stock Grant"). The shares issued under the Second Restricted Stock Grant are subject to vesting based on your continued employment by the Company on each vest date: 10,000 shares of the Second Restricted Stock Grant vested on January 1, 2024, an additional 833 shares of the Second Restricted Stock Grant vest on the first day of each subsequent month, for forty-seven (47) successive months, and the remaining 849 shares of the Second Restricted Stock Grant shall vest on January 1, 2028, subject to continued service through each such vesting date.
- d) You acknowledge and agree that, on August 5, 2025, you were granted an incentive stock option to acquire 55,849 shares of the Company's Common Stock under the Company's 2019 Equity Incentive Plan, pursuant to the terms and conditions of the Company's standard form of stock option agreement (the "Option Grant").
5. Transaction Bonus. If the Company consummates a merger or other transaction after which the holders of its common stock immediately before the merger or other transaction do not directly or indirectly beneficially own more than 50% of the voting power of the Company's (or its successor's or the Company's ultimate parent's) equity securities (a "Change of Control"), subject to the achievement of certain performance metrics (as determined by the Board in its reasonable discretion) and to your continued employment with the Company on the date of the consummation of such Change of Control, you will be entitled to receive a transaction bonus (the "Transaction Bonus") in an amount up to \$150,000. Any Transaction Bonus will be paid, if at all, on or as soon as reasonably practicable following (but in no event more than ten (10) days following) the consummation of the Change of Control.
6. Benefits. You will continue to be entitled as an employee of the Company to receive such benefits as are generally provided its employees in accordance with Company policy as in effect from time to time. The Company retains the right to change, add or cease any particular benefit and will provide reasonable notice of such change.
7. Severance. As the Company's President and Chief Executive Officer, you will be eligible for severance benefits in certain circumstances. If your employment is terminated by the Company without Cause or you resign for Good Reason (each as defined below), then if, and only if, you execute and deliver to the Company a separation and general release agreement prepared by the Company and in a form acceptable to the Company, which will release any and all claims based on your employment with the Company (the "Release"), and (as applicable) without you having revoked the Release, within 60 days following the date on which your employment terminates

(the "Termination Date") (the date the Release becomes effective, the "Release Date"), and only so long as you have not breached the provisions of this Agreement, you will be entitled to the following severance benefits:

- a) An amount equal to nine (9) months of your base pay in effect as of the Termination Date;
- b) An amount equal to twelve (12) months of health insurance premium contributions at the same monthly rate the Company provides reimbursement for such health insurance premium contributions immediately prior to the Termination Date; and
- c) Any Company equity or equity-based awards (including without limitation the Initial Restricted Stock Grant, the Second Restricted Stock Grant, and the Option Grant) you hold immediately prior to the Termination Date shall immediately accelerate and become fully vested and exercisable as of the Termination Date.

Any payments due under Sections 7.a) and 7.b) (if any) (collectively, the "Severance Payments") will be paid by the Company to you in a lump sum on the first regularly scheduled payroll date following the Release Date. The Severance Payments are subject to applicable federal, state, and local tax deductions and withholding. If you are or become eligible for any severance or notice payments or benefits pursuant to any federal, state, or local law, any Severance Payment will be offset by such severance or notice payments or benefits. You will not be entitled to any other salary, compensation, or benefits after the termination of your employment with the Company, except as specifically provided herein or under any option agreements with the Company.

For purposes of the receipt of the severance benefits under this Section 7:

"Cause" shall mean a determination by the Board of Directors of the Company that you:

- i. have engaged in gross negligence or willful misconduct in the performance of your duties with respect to the Company or any of its affiliates;
- ii. have materially breached any provision of this Agreement, your Proprietary Invention and Assignment Agreement with the Company, or any individual employment or other similar agreement between you, on the one hand, and the Company or any of its affiliates, on the other hand;
- iii. have committed an act of theft, fraud, embezzlement, misappropriation, or willful breach of a fiduciary duty with respect to the Company or any of its affiliates; or
- iv. have been convicted of, pleaded no contest to, or received adjudicated probation or deferred adjudication in connection with a crime involving fraud, dishonesty, or moral turpitude, or any felony (or a crime of similar import in a foreign jurisdiction).

"Good Reason" shall mean the occurrence of any of the following adverse employment actions without your consent: (A) a material diminution in your authority, duties or responsibilities; (B) a material reduction in your base salary; or (C) the relocation of your principal place of employment to a location that increases your then-commute by fifty (50) miles in a single direction. You may terminate your employment for Good Reason by providing notice in accordance with the following "Good Reason Process". To resign for Good Reason, you must provide written notice to the Board detailing the existence of a condition described in the definition of Good Reason within a thirty (30)-day period after the initial existence of the condition, you must provide the Company at least thirty (30) days after receipt of such notice to remedy the condition, and, if the condition is not so remedied, you must terminate employment for Good Reason within thirty (30) days after the end of the cure period.

For the avoidance of doubt, you are not entitled to any severance benefits under this Section 7 if your employment with the Company ends due to retirement, voluntary termination or resignation without Good Reason, your death or disability, or termination by the Company for Cause.

**8. Timing of Payments and Section 409A**

- a) Notwithstanding anything to the contrary in this Agreement, if at the time your employment terminates, you are a “specified employee,” as defined below, any and all amounts payable under this Agreement on account of such separation from service that would (but for this provision) be payable within six (6) months following the date of termination, shall instead be paid on the next business day following the expiration of such six (6)-month period or, if earlier, upon your death; except (A) to the extent of amounts that do not constitute a deferral of compensation within the meaning of Treasury regulation Section 1.409A-1(b) (including without limitation by reason of the safe harbor set forth in Section 1.409A-1(b)(9)(iii), as determined by the Company in its reasonable good faith discretion); (B) benefits which qualify as excepted welfare benefits pursuant to Treasury regulation Section 1.409A-1(a)(5); or (C) other amounts or benefits that are not subject to the requirements of Section 409A of the Internal Revenue Code of 1986, as amended (“Section 409A”).
- b) For purposes of this Agreement, to the extent required to comply with Section 409A, all references to “termination of employment” and correlative phrases shall be construed to require a “separation from service” (as defined in Section 1.409A-1(h) of the Treasury regulations after giving effect to the presumptions contained therein), and the term “specified employee” means an individual determined by the Company to be a specified employee under Treasury regulation Section 1.409A-1(i).
- c) Each payment made under this Agreement shall be treated as a separate payment and the right to a series of installment payments under this Agreement is to be treated as a right to a series of separate payments.
- d) Any payment or reimbursement for expenses that would constitute nonqualified deferred compensation subject to Section 409A shall be subject to the following additional rules: (i) the amount of expenses eligible for payment or reimbursement during any calendar year shall not affect the expenses eligible for payment or reimbursement in any other calendar year, (ii) payment or reimbursement shall be made not later than December 31 of the calendar year following the calendar year in which the expense or payment was incurred, and (iii) the right to payment or reimbursement shall not be subject to liquidation or exchange for any other benefit.
- e) In no event shall the Company have any liability relating to the failure or alleged failure of any payment or benefit under this Agreement to comply with, or be exempt from, the requirements of Section 409A.

9. General.

- a) This Agreement constitutes the entire agreement of the parties with regard to its subject matter, and supersedes all previous written or oral agreements, representations, agreements and understandings between the parties on the subject matter (including the Prior Agreement) excluding any rights you may have in connection with your service as a non-employee director of the Company prior to the date your employment with the Company commenced. For the avoidance of doubt, this Agreement does not supersede any confidentiality, assignment of intellectual property, non-competition, non-solicitation, no-hire, non-disparagement or other similar restrictive covenant obligations you owe to the Company or any of its affiliates under any separate agreement.
- b) This Agreement shall be governed by the laws of the Commonwealth of Massachusetts, without application of its principles of conflict of laws.
- c) All amounts payable under this Agreement shall be subject to applicable withholding taxes and other required deductions.
- d) This Agreement may be executed in any number of counterparts, each of which will be deemed an original, but all of which together will constitute one and the same instrument.

WALTHAM, Mass., April 1, 2026—Cyclerion Therapeutics, Inc. (“Cyclerion”) (Nasdaq: CYCN) and Korsana Biosciences, Inc. (“Korsana”), a privately-held biotechnology company discovering and developing novel therapies to reduce the burden of neurodegenerative diseases, today announced that they have entered into a definitive merger agreement for an all-stock transaction. Upon completion of the transaction, the combined company plans to operate under the name Korsana Biosciences, Inc. and trade on Nasdaq under the ticker symbol “KRSA.”

In support of the proposed merger, Korsana has secured commitments for an oversubscribed private investment that is expected to result in total gross proceeds of approximately \$380 million from a syndicate of investors led by Fairmount and Venrock Healthcare Capital Partners, with participation from General Atlantic, TCGX, Forbion, Wellington Management, Commodore Capital, RA Capital Management, RTW Investments, Vivo Capital, Janus Henderson Investors, Foresite Capital, J.P. Morgan Life Sciences Private Capital, SR One, Sanofi Ventures, Kalehua Capital, Spruce Street Capital, and other leading investment management firms. The financing includes common stock and pre-funded warrants exercisable for shares of Korsana common stock.

The financing is expected to close immediately prior to completion of the proposed merger. The combined company's cash and cash equivalents balance at closing, including the funds from the private placement, is anticipated to fund Korsana's operations into 2029 and provides runway through key clinical milestones. These include the advancement of KRSA-028 through Phase 1 healthy volunteer data expected in mid-2027 and interim proof of concept data measuring amyloid plaque clearance in Alzheimer's patients expected by the end of 2027.

“Korsana is determined to deliver breakthrough medicines for patients suffering from neurodegenerative disorders. With our seasoned team and support from leading biotechnology investors, Korsana is well-positioned to advance a pipeline of innovative, next generation therapies,” said Jonathan Violin, Ph.D., Korsana's President and Chief Executive Officer. “Patients deserve better options than what is currently available, and we believe our lead program KRSA-028 can deliver a best-in-class product to treat Alzheimer's disease. We are also building a broader pipeline leveraging our proprietary platform to target other devastating neurodegenerative disorders.”

Korsana is the seventh company to launch with assets discovered and developed by Paragon Therapeutics. Korsana's lead program is KRSA-028, a next-generation shuttled antibody targeting amyloid beta for the treatment of Alzheimer's disease, discovered in partnership with Paragon Therapeutics. KRSA-028 utilizes the proprietary Therapeutic Targeting (THETA™) platform, which incorporates clinically validated transferrin receptor (TfR1) and Fc engineering and is designed to improve brain delivery and solve limitations of other TfR1-based approaches. KRSA-028 was designed to increase amyloid plaque clearance, reduce the rate of amyloid-related imaging abnormalities (ARIA) and hematologic adverse events, and optimize convenience and compliance with a low-volume subcutaneous route of administration. Korsana is advancing a pipeline of innovative THETA-enabled therapies for other undisclosed, neurodegenerative diseases with high unmet need.

"Our transaction with Korsana is the result of a comprehensive strategic review, and we believe it represents the best path forward for Cyclerion," said Regina Graul, Ph.D., President and Chief Executive Officer of Cyclerion. "Korsana's promising and innovative pipeline targeting neurodegenerative disorders, beginning with Alzheimer's disease, provides the potential for significant value creation for Cyclerion's shareholders."

#### **About the Proposed Transactions**

Under the terms of the merger agreement, as of the closing of the proposed merger, the pre-merger Cyclerion shareholders are expected to own approximately 1.5% of the combined company and the pre-merger Korsana stockholders (inclusive of those investors participating in the pre-closing financing) are expected to own approximately 98.5% of the combined company. The percentage of the combined company that Cyclerion's shareholders will own as of the closing of the proposed merger is subject to adjustment based on the estimated amount of Cyclerion's net cash immediately prior to the closing date.

The transaction has received approval by the Board of Directors of both companies and is expected to close in the third quarter of 2026, subject to certain closing conditions, including, among others, approval by the stockholders of each company, the effectiveness of a registration statement to be filed with the U.S. Securities and Exchange Commission (the "SEC") to register the securities to be issued in connection with the proposed merger, expiration of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and the satisfaction of other customary closing conditions.

The combined company plans to operate under the name Korsana Biosciences, Inc. and will be led by Dr. Violin, Korsana's current Chief Executive Officer. Korsana's existing Board of Directors will become directors of the combined company, chaired by Tomas Kiselak, Founding Partner at Fairmount, and including Andrew Gottesdiener, M.D., Partner at Venrock Healthcare Capital Partners, Nilesh Kumar, Ph.D., Head of Biotech Private Investments at Wellington Management, Michelle Pernice, Operating Partner at Fairmount, Nimish Shah, Partner at Venrock Healthcare Capital Partners, and Dr. Violin.

Wedbush Securities Inc. is serving as exclusive strategic financial advisor and Gibson, Dunn & Crutcher LLP is serving as legal counsel to Korsana. Jefferies, TD Cowen, Stifel, UBS Investment Bank, and Wedbush & Co., LLC are serving as the placement agents to Korsana. Cooley LLP is serving as legal counsel to the placement agents. Gemini Valuation Services, LLC is serving as financial advisor and Ropes & Gray LLP is serving as legal counsel to Cycleron.

# Korsana is developing potentially best-in-class therapies, with an initial focus on neurodegenerative disorders

- Initially focused on **potentially best-in-class therapies** for neurodegenerative disorders like Alzheimer's disease
- Built on **Therapeutic Targeting (THETA™)**, our next-generation BBB-penetrant shuttle platform
- Committed to **move fast** and develop a pipeline with **long-term defensibility**

## Korsana is founded on four key beliefs

**Alzheimer's is a vast and de-risked opportunity**

*For the first time, there is a validated, disease-modifying target for Alzheimer's – but first-generation amyloid beta therapies leave substantial room for improvement.*

**Shuttling is the best way to improve existing agents**

*Transferrin receptor (TfR)-based shuttling is a de-risked modality to increase brain penetration; Roche's **trontinemab** has provided proof-of-principle in Alzheimer's disease.*

**Korsana has the potential best-in-class approach**

*Lead program **KRSA-028** is potentially superior to **trontinemab**, and we are advancing multiple next-generation programs.*

**Korsana has a rapid path to value creation**

***KRSA-028** development can be highly de-risked in Phase 1, as amyloid clearance is proven to translate to clinical benefit – creating significant early value inflection.*

# Alzheimer's is a vast and de-risked opportunity

CONFIDENTIAL

# Alzheimer's is a devastating neurological disorder with significant unmet need and a rapidly growing patient population

The number of Americans with Alzheimer's is **projected to nearly double** by 2050

Alzheimer's disease is a **massive and growing unmet need**, with associated long-term healthcare costs projected to be **>\$1T by 2050**.

# Despite clinical progress and approvals, today's anti-A $\beta$ therapies leave significant room for improvement

Approved therapies only demonstrate ~30% slowing of disease progression at 18 months...

...and carry black box warnings for ARIA risk, affecting ~15-25% of treated patients

Although these therapies are disease-modifying, patients still experience progression, with potential for new therapies to deliver superior efficacy and safety.

# Approved therapies are also highly inconvenient, with onerous IV dosing and MRI monitoring on label

# First-gen therapies have laid out the roadmap for success: amyloid reduction predicts slowing of cognitive decline

*"The Agency has found... that reduction of brain A $\beta$  plaque on PET is reasonably likely to predict clinical benefit in Alzheimer's disease."*  
 – Donanemab FDA Review

*"It is reasonable to conclude that treatment that is targeted at reducing amyloid plaque, and that successfully accomplishes that reduction, has the potential to convey clinical benefit."*  
 – Lecanemab FDA Review

The field now has a **well-trodden path to regulatory success** for anti-amyloid beta therapies, with risk **discharged early in clinical development** with a validated biomarker.

**Shuttling is the best way  
to improve existing agents**

# Shuttling approaches actively ferry large molecules across the blood-brain barrier (BBB), fundamentally changing CNS penetration

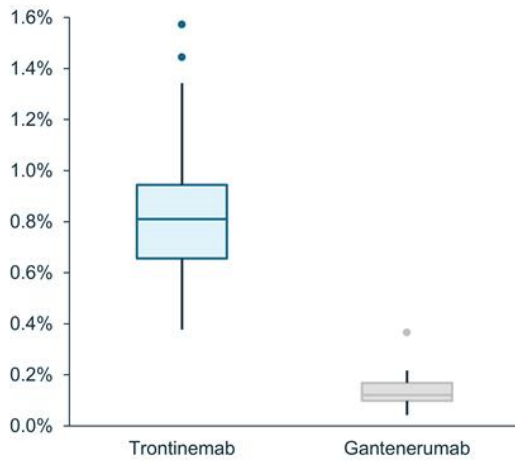

# Roche's trontinemab, the first shuttled anti-A $\beta$ antibody, has shown a significant efficacy improvement over first-gen gantenerumab...

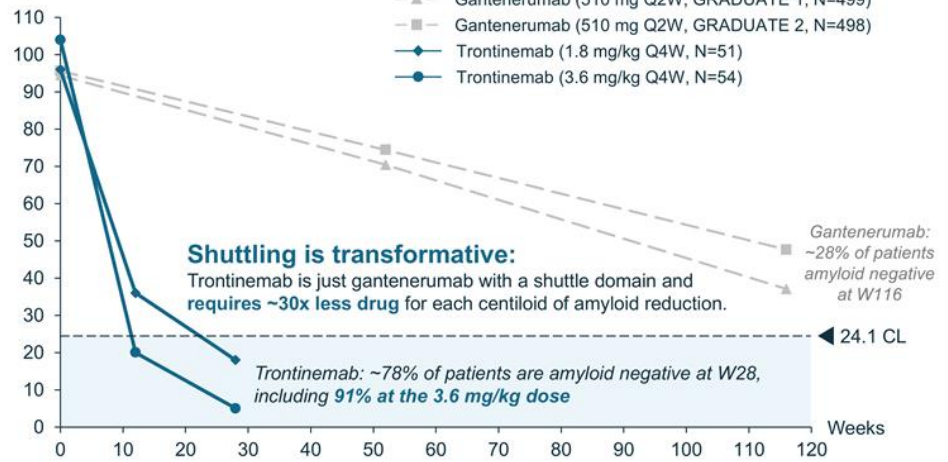

Trontinemab shows ~8x increased CSF exposure over gantenerumab in humans...

... and most trontinemab-treated Alzheimer's patients reached "amyloid-negative" status by W28

CSF to plasma ratio (%)

Amyloid PET (centiloids)

**Shuttling is transformative:**  
Trontinemab is just gantenerumab with a shuttle domain and requires ~30x less drug for each centiloid of amyloid reduction.

Trontinemab: ~78% of patients are amyloid negative at W28, including 91% at the 3.6 mg/kg dose

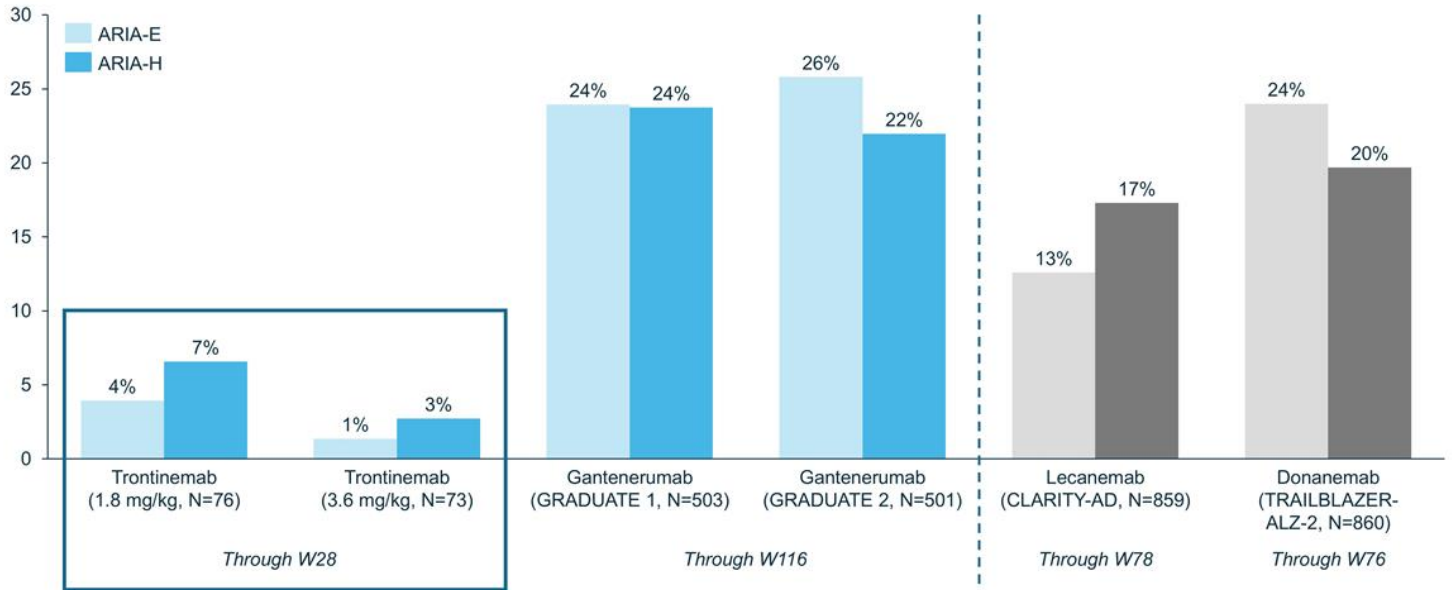

Gantenerumab: ~28% of patients amyloid negative at W116

24.1 CL

Notes: CSF: cerebrospinal fluid. Roche CSF data digitized from AD/PD presentation and represents Roche's own cross-trial comparison, with trontinemab CSF to plasma ratio from single-dose IV study compared to historical data from a prior gantenerumab SAD trial. Amyloid reduction is a cross-trial comparison. Gantenerumab dosing titrates up to 510 mg Q2W maintenance dosing. 0 CL anchored on "high certainty" young, healthy controls & 100 CL anchored on typical AD patients. A threshold of 24.1 CL discriminates sparse from moderate plaque presence and is generally viewed as the cutoff for classifying patients as "amyloid negative." Notes: Comparisons are across trials with different patient populations and trial designs, including study duration. No head-to-head comparison studies have been conducted. Trontinemab values include placebo patients (patients were randomized 4:1); N otherwise refers to patients on drug. # However, as a first-gen shuttled A $\beta$ , trontinemab's profile leaves substantial headroom for competitive differentiation

## Efficacy

## Safety

## Dosing & Tolerability

**Korsana has the potential  
best-in-class approach**

# Korsana's goal is to achieve a best-in-class shuttled A $\beta$ therapy, offering meaningful improvements over trontinemab

## Key Value Drivers for KRSA-028

**FAST, ROBUST  
AMYLOID REDUCTIONS**

➤ Efficacy on par or greater than trontinemab

**DIFFERENTIATED  
SAFETY PROFILE**

➤ Minimal ARIA risk, avoid hematologic AEs

**CONVENIENT,  
PATIENT-FRIENDLY DOSING**

➤ Low-volume subcutaneous autoinjector for infrequent dosing (Q4W or less)

# KRSA-028 is a next-gen, potentially best-in-class shuttled anti-A $\beta$

## Pyroglutamate-A $\beta$ targeted backbone

- Targets the A $\beta$  epitope associated with the **greatest amyloid plaque clearance** in clinical studies
- **Preferential, high-affinity binding** to amyloid plaques

## Proprietary Fc engineering

- Leverages clinically validated **half-life extension** to reduce dosing frequency
- Selective **effector function modulation** designed to maintain amyloid plaque clearance by phagocytosis while **reducing complement activation and risk of anemia**

## Subcutaneous formulation

- Expected to be **efficacious at lower dose** than first-generation shuttled therapies
- Optimized for **low volume monthly SC dosing**, with high concentration and low viscosity

## Validated shuttle targeting

- Novel sequence leverages proven TfR1 target and epitope, designed to **improve brain penetration** and **reduce ARIA risk**

## Enabled by **Therapeutic Targeting (THETA™)**

- Precision-engineered for **optimized half-life, distribution, and effector function**
- Proprietary combination of clinically validated technologies offers **de-risked differentiation**

# Targeting the plaque-specific pyroglu-A $\beta$ epitope has been shown to deliver the most promising clinical efficacy in Phase 3 trials

Antibody	A $\beta$ epitope / species targeted
<b>Donanemab</b>	<b>3pE (pyroglutamate) / plaques</b>
Aducanumab	Oligomers, protofibrils, fibrils, plaques
Lecanemab	Oligomers, protofibrils, fibrils
Gantenerumab	Oligomers, protofibrils, fibrils, plaques
Crenezumab	Monomers, oligomers, fibrils, plaques <i>Fc-null – no phagocytosis</i>
Solanezumab	Primarily monomers

Note: Remtemetug (not shown) is Lilly's follow-on program to donanemab and also targets pyroglu-A $\beta$  epitope; Phase 3 trial is ongoing

# KRSA-028 targets plaque-selective pyroglu-A $\beta$ to maximize plaque clearance through phagocytosis

## KRSA-028 A $\beta$ backbone:

- Same **plaque-selective epitope** as donanemab and remternetug
- **High A $\beta$  affinity**,  $K_D = 17$  nM
- **Potent phagocytosis (ADCP)**,  $EC_{50} = 0.21$  nM

**Donanemab** (*Kisunla*) is the only approved Alzheimer's treatment that targets 3pE-A $\beta$ , but it features high immunogenicity and ARIA.

**Remternetug** is Lilly's follow-on program to donanemab with reduced immunogenicity, currently in Ph3 as a subcutaneous treatment.

## KRSA-028 exhibits potent pyroglu-A $\beta$ phagocytosis

### Cellular Uptake 3pE-A $\beta$ (3-42) fibrils

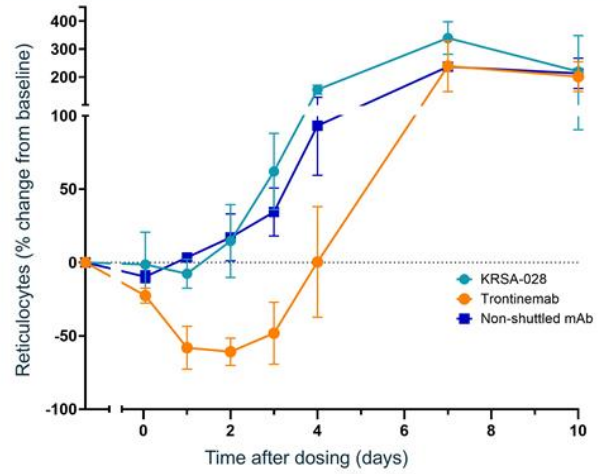

Representative plot shows mean  $\pm$  SD, n=3 replicates. 20  $\mu$ g/mL pHrodo-red labeled 3pE-A $\beta$  fibrils incubated 24 hrs with activated monocytes (U937 cells)

# KRSA-028 has a longer half-life than trontinemab and avoids reticulocyte depletion in NHPs

**KRSA-028 has >2.5x half-life in NHPs compared to trontinemab**

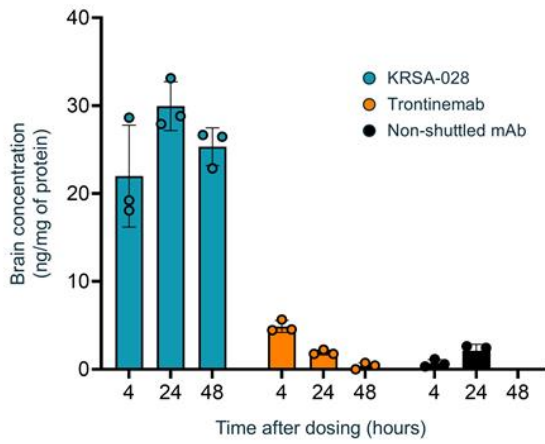

**KRSA-028 avoids reticulocyte depletion in NHPs**

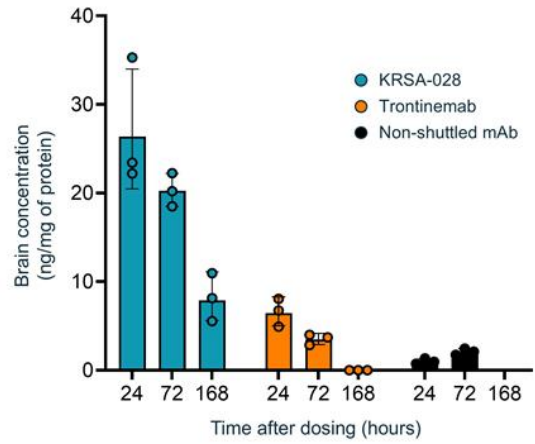

All compounds were dosed single dose in non-human primates (NHP, n=3/group), equimolar to 20 mg/kg trontinemab  
 Reticulocyte data normalized to reticulocyte count at day -7 and presented as mean ± SEM  
 Non-shuttled mAb (remternetug), with less immunogenic potential than donanemab, chosen as negative control.

# KRSA-028 shows improved brain penetration in mouse and NHP

## KRSA-028 demonstrates increased brain penetration in hTfR1/hFcRn mouse model

## KRSA-028 shows >6x brain penetration in NHPs compared to trontinemab

# KRSA-028 is expected to match trontinemab Phase 3 IV exposure with low volume SC, compatible with autoinjector

- PK model suggests that KRSA-028 will match trontinemab Phase 3 exposure with a **monthly SC volume of 1-2 mL**
- Initial KRSA-028 formulation achieved **150mg/mL with low viscosity**, compatible with autoinjector development
- **High stability** in human serum and in NHP
- Robust early formulation stress-test results **de-risk SC development pathway**
- Korsana plans to **initiate clinical development with SC dosing**

## We believe KRSA-028 preclinical data accelerate & de-risk development

*Precision engineered for a differentiated therapeutic profile*

- **Novel A $\beta$  and TfR1 binding sequences** retain key features of clinically validated molecules
- **High affinity pyroglu-A $\beta$  binding** and clearance via ADCP leverage best-proven mechanism of efficacy
- **TfR1 binding matches trontinemab epitope with similar affinity**, leveraging the best-proven mechanism of brain distribution
- **Clinically validated Fc modifications** add half-life extension and effector function modulation to enable a lower dose and reduce anemia risk
- **Early formulation work supports high concentration, low viscosity** to enable low-volume SC
- **Composition of matter** patent applications filed

**»»» Korsana has a rapid path  
to value creation**

# PET imaging in early clinical development provides rapid proof of concept and dose-ranging for amyloid plaque clearing

We believe **KRSA-028 amyloid PET data** – achievable in a Phase 1/1b trial – should provide high confidence in **predicting Phase 3 CDR-SB**, the endpoint for full approval.

# A confluence of scientific innovations and market dynamics are driving Alzheimer's treatment to a major inflection point

## Despite a slower than expected launch, sales of A $\beta$ therapies are accelerating

- Improved dose regimens (SC, dose titration)
- Blood-based biomarkers are gaining traction
- Increasing footprint of global approvals
- Future entrants (e.g., trontinemab) will further grow market

*Sales expected to reach \$1B in 2026, \$5B+ by 2030*

## Upcoming catalysts in presymptomatic AD may lead to rapid market expansion

- Donanemab TRAILBLAZER-ALZ 3 (~2027)
- Lecanemab AHEAD 3-45 (~2028)
- Remternetug TRAILRUNNER-ALZ 3 (~2029)

Treatment-related changes noted on neuroimaging:  
ARIA-E and ARIA-H

ARIA results from amyloid in cerebral vessels (CAA) and can occur spontaneously in AD

- ARIA is typically asymptomatic and resolves spontaneously
- When symptoms occur, they are usually mild to moderate (eg, headache, dizziness)
- However, serious and life-threatening events rarely can occur

**Regina Graul**

Thank you, Rhonda, and good morning. Joining me today is Jonathan Violin, Chief Executive Officer of Korsana Biosciences. In our press release this morning, we announced a merger agreement between Cyclerion and Korsana. Upon completion of this all-stock transaction, the combined company plans to operate under the name Korsana Biosciences, and Jon is expected to lead the company as its CEO.

I will review certain details of our proposed transaction with Korsana, as well as a concurrent private placement by a group of leading biotech investors to support Korsana's pipeline programs. Jon will then provide an overview of Korsana, including its lead program and platform technology.

In support of the proposed merger, Korsana has secured a private placement of approximately \$[XX] million from a syndicate of investors led by [Fairmount, Venrock Healthcare Capital Partners, and \_\_\_\_\_, with participation by \_\_\_\_\_, and other leading investment management firms]. The financing includes subscriptions by such investors to purchase Korsana common stock and pre-funded warrants exercisable for shares of Korsana common stock and is expected to close immediately prior to the completion of the merger.

The company's combined cash position at closing, including the funds from the private placement, is expected to provide a runway into 2029 and fund Korsana's KRSA-028 program through key clinical milestones in 2027. Under the terms of the agreement, as of the closing of the transaction, pre-merger Cyclerion shareholders are expected to own approximately [XX]% of the combined company. Pre-merger Korsana shareholders, inclusive of those participating in the private placement, are expected to own approximately [XX]% of the combined company as of the closing of the transaction. The percentage of the combined company that Cyclerion shareholders will own as of the closing of the transaction is subject to adjustments based on the estimated amount of Cyclerion net cash immediately prior to the closing date.

We expect the merger transaction to close in [the third quarter of 2026], subject to receipt of shareholder approvals and customary closing conditions.

I would like to thank the Board members of both Cyclerion and Korsana for their support in approving the transaction, which is the result of a comprehensive strategic review by Cyclerion's Board and management team. We believe this is the best path forward for Cyclerion and our shareholders.

Furthermore, we are confident in the ability of Korsana's seasoned leadership team to execute their vision of developing potential best-in-class therapies for neurodegenerative diseases with significant unmet needs. Through their proprietary platform and innovative pipeline, we believe the combined company is well-positioned to deliver on their key clinical milestones in the coming years.

With that, I will pass the conference call over to Jon.

**Jonathan Violin**

Thank you Regina, and good morning to everyone joining our call today.

First of all, I would like to thank the Cyclerion management team and Board for their support throughout this process and confidence in our strategy and clinical development plan.

I'm grateful for the opportunity to lead the combined company, and excited for the work ahead to discover and develop novel therapies to reduce the burden of neurodegenerative diseases – one of the largest unmet medical needs of our time.

I'll share more about Korsana and our lead program KRSA-028, but first I'd like to note that listeners can access additional information about Korsana in our corporate presentation on our website, [Korsana.com](https://www.korsana.com).

Korsana is the seventh company launched with assets that were discovered by the team at Paragon Therapeutics, who have a remarkable track record of creating precision-engineered biologics with potential to become best-in-class therapeutics. With this foundation, Korsana is advancing a pipeline of potential best-in-class therapeutics for neurodegenerative disorders.

Our lead program is KRSA-028, a novel and differentiated shuttled version of a pyroglutamate amyloid beta antibody for Alzheimer's disease. Approximately 13 million Americans are projected to have Alzheimer's by 2050, with long-term healthcare costs projected to be over \$1 trillion by that time. This is a disease with a massive and growing unmet need, and we believe that Korsana is well-positioned to provide a best-in-class therapeutic for patients who deserve better options than what is currently available.

Korsana's vision for advancing the treatment of Alzheimer's disease is grounded in four key beliefs.

First, we believe that Alzheimer's is at an inflection point. While it's clearly one of the biggest unmet needs in medicine, it is now, finally, a derisked opportunity from a technical perspective. Two first generation amyloid-targeting drugs are now approved, validating the therapeutic approach – but they leave substantial room to improve on safety, efficacy, and convenience.

Second, we believe that shuttling technology – the ability to carry therapeutics to target tissues – increases brain exposure of amyloid-targeting drugs, remarkably improving their therapeutic profile, and is the best way to optimize amyloid-targeting drugs to treat diseases like Alzheimer's.

Third, we believe our approach, based on our proprietary Therapeutic Targeting platform, or THETA, has the potential to deliver a best-in-class product, supported by a seasoned leadership team of drug developers that have the experience and capability to bring novel therapeutics to market.

And finally, we believe there is a path to rapid value creation with investigational products for Alzheimer's disease. Advancements in imaging biomarkers now enable precise measurement of amyloid plaque clearance in small numbers of patients, accelerating timelines to generate proof-of-concept data and making this an attractive space for investment.

[pause]

Our initial focus is to develop a durably best-in-class amyloid-targeted therapy for Alzheimer's – and we think we have that in KRSA-028. We optimized KRSA-028 based on lessons learned from the two approved amyloid-targeting products, investigational products like Roche's trontinemab, and important discoveries made in partnership with our colleagues at Paragon Therapeutics. Notably, trontinemab is the first shuttled amyloid drug with clinical data, and it shows more rapid and thorough plaque clearance from the brain of Alzheimer's patients compared to trials of non-shuttled drugs. Strikingly, the trontinemab clinical data show a markedly lower rate of amyloid-related imaging abnormalities, or ARIA, compared to trial data for non-shuttled drugs. Both approved amyloid-targeting drugs carry black box warnings for ARIA, and it has been a serious concern for this class of medications – so the trontinemab data have been met with high enthusiasm.

However, while trontinemab has served as a clear proof-of-concept for shuttle technology, its clinical data show substantial room for improvement.

In preclinical studies, trontinemab targets and depletes reticulocytes, which can interrupt erythropoiesis and lead to anemia. Clinical data show a 10 to 20 percent rate of anemia and trends of reduced mean hemoglobin in patients on trontinemab. Furthermore, trontinemab treatment is burdensome, requiring monthly intravenous infusions, and a high rate of infusion-related reactions requires pretreatment with steroids.

For patients, matching trontinemab's efficacy while improving on these factors will be a welcome advance. And in fact, we have promising preclinical data that point to the potential of -028 as a best-in-class therapeutic in Alzheimer's.

In partnership with the team at Paragon Therapeutics, we designed KRSA-028 to maximize efficacy, safety, and tolerability, including avoiding the anemia risk associated with trontinemab and other TFR1-shuttled molecules. We also designed KRSA-028 to optimize pharmacokinetics and biophysical properties to enable infrequent, low volume, subcutaneous dosing.

To maximize efficacy, KRSA-028 targets the pyroglutamate form of amyloid beta, which is enriched in plaques, making -028 a plaque-selective therapeutic versus molecules that target other amyloid beta species. Clinical trials of plaque-selective antibodies have shown more robust plaque clearance and numerically greater slowing of cognitive decline than antibodies that target other amyloid forms. We think this makes -028 well positioned to maximize the clinical benefit of anti-amyloid therapy.

To avoid anemia, and potentially to improve safety and tolerability, we designed KRSA-028 to include selective effector function modulation. We wanted to preserve anti-dependent phagocytosis, or ADCP, believed to be the mechanism by which the approved anti-amyloid drugs clear amyloid plaques – but we wanted to reduce other antibody effector functions, which we hypothesized were responsible for the reticulocyte destruction and other adverse immune effects of trontinimab, potentially including its infusion-related reactions. To achieve this, we incorporated a number of clinically precedented point mutations in the Fc region of the molecule, designed to reduce antibody-dependent cellular cytotoxicity, or ADCC, and complement-dependent cytotoxicity, or CDC, while preserving ADCP.

In addition, to improve pharmacokinetics to lower the dose and dose frequency required for efficacy, we also included clinically validated Fc modifications to extend half-life.

Finally, to shuttle KRSA-028 into the brain, we designed KRSA-028 to include a TfR1-binding antibody fragment that matches the clinically validated binding epitope and affinity of trontinemab.

Our preclinical data, which you can review in our corporate presentations, show that KRSA-028 delivers all the features we desired. It facilitates phagocytosis, matching the activity and potency of the approved pyro-glu amyloid-targeted drug donanemab. Compared to trontinemab, it achieves higher and more sustained exposure, does not destroy reticulocytes, and delivers 5- to 6-fold higher brain concentrations. We've also formulated KRSA-028 at high concentrations with low viscosity and high stability – all important for subcutaneous administration – and our modeling suggests it should match trontinemab efficacy at a low injection volume, well within the range needed for clinically proven autoinjectors.

We plan to initiate clinical development with an integrated Phase 1/2 design, beginning with single ascending doses in healthy volunteers, followed by multiple ascending dose cohorts in early Alzheimer's patients. We will then enroll expansion cohorts at select doses to further characterize activity, safety, and tolerability and enable Phase 3 dose selection. We intend to file a CTN by the end of this year to initiate the SAD arm in healthy volunteers in Australia, and an IND at the beginning of 2027 to initiate the MAD arm in early Alzheimer's patients. With this plan, we expect a key derisking readout from healthy volunteers in mid-year 2027, including data for half-life extension, hematologic safety, and CNS penetration. We then expect the first interim proof-of-concept data in Alzheimer's patients by the end of 2027, using PET tracers to evaluate how quickly plaque is cleared. From there, we expect a rich stream of clinical data readouts as we complete dose-ranging and enroll expansion cohorts to collect all the data we believe we'll need to discuss a pivotal Phase 3 program with global regulators. The transaction we announced today funds all of this, putting the combined company in a very strong position to accelerate the development of KRSA-028, with cash runway into 2029.

We believe KRSA-028 has best-in-class potential, and the technology behind it provides us a platform to build a broader pipeline. We call the combination of our proprietary TfR1 binding sequence and Fc engineering the Therapeutic Targeting platform or THETA. It has enabled us to initiate discovery programs for other CNS targets and indications where a subcutaneous, anemia-free shuttle can deliver best-in-class profiles. We aren't revealing these programs yet for competitive reasons, but look forward to disclosing them later this year or in 2027.

As some of you know, I've led the founding and growth of multiple biopharmaceutical companies. I've never been more excited about a company's prospects as I am for Korsana – and I look forward to the important progress I believe we'll make, together, in the coming years. We have a stellar team, an incredibly promising molecule in KRSA-028, and an immense opportunity in our pipeline. This is all anchored in a clear vision: delivering the best possible medicines for some of humanity's most devastating diseases. I'd like to thank the team at Paragon Therapeutics for their partnership, the Korsana team for joining this mission, and Korsana's investors for their support. We have important work ahead, and I look forward to sharing updates on our progress with you over the coming months and years.

With that, I will now conclude my remarks and hand the call back to the operator. Thank you for joining the call today.
